There was no Icebreaker

We then moved onto old business:

We began by discussing changing the name for the club, as it was passed at the previous regularly scheduled meeting. After a lot of discussion and ideas from the assembly, The club chose the name Converse County Cowboys or C₃. Dairon Mooren moved to change the club name from the Wooly Bully's to the Converse County Cowboys and Markie Horr Seconded.

There was no further discussion and the motion was passed by majority vote.

The second, and final item under old business was the meeting time and date. Members discussed days of the week that would not work for them, and after realizing the wide range and inconsistency of availability, Kyle Logar moved that the club decide the date and time of next meeting as long as it would be in the last week of each month. Dairon Mooren seconded and the motion passed unanimously. Ending Old business, we went onto New business.

The club agreed to bring shovels to shovel snow for businesses around the Extension office. Everyone was in agreement.

With the Name change and the Meeting date and time change it was noted that next meeting we will construct the first reading of updating the bylaws

Mandy Lovitt announced that everyone should either continue or begin working on record books before time dwindles down, along with attending record book trainings if needed.

It was moved to adjourn the meeting at 4:49pm by Cash Lovitt and Kyle Lovitt seconded.

The motion passed, adjourning the meeting until the decided time of 3:30pm on Monday, February 27th.

Respectfully Submitted,

Dairon Mooren
