It's that time again...

Enrollment for the 2017-2018 4-H year will begin soon. Although the new 4-H year technically begins on October 1st, **PLEASE DO NOT RE-ENROLL UNTIL WE TELL YOU VIA EMAIL AND FACEBOOK!**

We have to roll over our online database system before we can accept new enrollments into the system. This is a state database and we have no control as to when it will roll over. Please be patient, we will give you more information closer to the end of September. Information will be sent out in our newsletters.

We understand there are clubs who have enrollment quotas, we will let you know as soon as possible when the online system is ready to accept enrollments. However, until we inform you, please do not re-enroll as it will place you in the 2016-2017 year again and error the online system. Please wait for further instructions, we just wanted to give you a heads up that enrollment is coming! Thank you in advance for your patience and cooperation.

4-H Youth who serve their community?

Here is yet another opportunity to be recognized for your dedication to serving others! You are already meeting all of the requirements!

The Congressional Award is about challenge. It is a fun and interesting way to get more involved in something you already enjoy or something you would like to try for the first time. To earn the Award, young people between the ages 13 ½ – 23 years old, set goals in ALL four Program Areas: Voluntary Public Service, Personal Development, Physical Fitness, and Expedition/Exploration. Once a young person registers, they are on their way to earn the Gold Medal. The Award is meant to be a challenge, yet achievable, with goal setting and a long term commitment to these goals in the forefront.

4-H youth are already on their way to success and are eligible to earn the most prestigious award given to youth by the Wyoming delegation. The Gold Medal is presented in Washington, DC where youth from all over the country celebrate their success together with state delegations and national representation.

Sound like something that aligns with the volunteer work you are currently doing in 4-H, call the Wyoming Congressional Award office in Cheyenne and get started today! Visit us online at wcac.us or contact our state office:

Minimum Hours by Program Area	Bronze	Silver	Gold

A Note from Mary Louise

I just wanted to give a quick shout of congratulations and thanks to ALL of our 4-H members, families and volunteers!! Albany County 4-H is amazing!! I am super blessed to call this county home. Many of my colleagues are jealous!! 4-H this summer was amazing and we have culminated with an outstanding county fair and state fair. Many awards were brought home but more importantly the life skills that were brought home and the memories that were made. Record books are due by 5 PM on October 6th. Members really do not have an excuse for not doing these. They definitely are not hard to complete and a computer is not needed. If you have questions, please do not hesitate to ask. ALL 4-H members are expected to turn in a record book. They do NOT have to be judged but you do need to turn in a completed (Sections 1-7) record book.

Just a quick reminder to the adults of our program: Thank you for being terrific role models to our young people. Remember that ultimately, I am responsible for this 4-H program. What that means is that every 4-H volunteer needs to be screened; they need to be trained in either the on-line volunteer training or chaperone training; if you sign off on a horse safety certification I am responsible right with you; all moneys raised in the name of 4-H need to be accounted for (IRS requirement) and all of our activities need to be conducted with my full knowledge (this includes Facebook pages).

I think we do incredible things in this county and with your assistance we can do even more!!

Thank you!!

Mary Louise
