Regular YF&R and Collegiate Discussion Meet competitions in November

--Competitions in Sheridan

Farm Bureau members between the ages of 18-35 and college students in Wyoming are invited to participate in the 2018 Discussion Meet competitions. There are two different competitions that will be held during the Wyoming Farm Bureau Federation (WyFB) Annual

Meeting in Sheridan in November.

The first competition is the Regular WyFB Young Farmer & Rancher (YF&R) Discussion Meet; Farm Bureau regular members between the ages of 18-35 are eligible. The second competition is the WyFB YF&R Collegiate Discussion Meet; any student attending a Wyoming college is eligible.

Being an advocate for agriculture is more important now than ever and should be a part of everyone's business plan. Develop your leadership and advocacy skills and meet other young farmers and ranchers from around the state and around the nation by participating in the YF&R Discussion Meet competitions.

Regular YF&R Discussion Meet

This competition will be held Friday, Nov. 9 during the General Session of the WyFB Annual Meeting.

The state winner receives a \$500 cash prize and an expense paid trip to the American Farm Bureau Federation (AFBF) Jan. 11-16, 2019 Annual Meeting in New Orleans, Louisiana.

Collegiate YF&R Discussion Meet

Any Wyoming college student with an interest in agriculture is eligible to participate. A major in agriculture is not required for competition. The state winner receives a \$300 cash prize and an expense paid trip to the AFBF March 15-18, 2019 national competition in Milwaukee, Wisconsin to compete for college scholarships.

More information

Topics and rules are available at wyfb.org. **Regular** Discussion Meet applications and **Collegiate** Discussion Meet applications must be postmarked by Oct. 25, 2018. Contact WyFB YF&R Coordinator Kerin Clark at 307.532.2002 or kclark@wyfb.org with questions.

YF&R Discussion Meet Questions

1. In our modern world, the rapid dissemination of information and opinion about agriculture and food technologies can make it difficult to distinguish fact from fiction. Given these challenges, how can Farm Bureau best protect farmers' and ranchers' access to production technology options?

2. As the Voice of Agriculture, how can Farm Bureau be more inclusive of all agriculture and production practices? This includes, but is not limited to, women in agriculture, organic production, fresh produce, forestry and aquaculture.

3. Technology is one of the driving forces for innovation and advancement in agriculture. How can the industry attract the best and brightest minds from STEM (Science, Technology, Engineering, and Math) into agricultural careers?

4. Money talks. How can farmers implement market trends and develop responsive business plans to generate value-added ventures and farm profits?

5. Associate members are a driver of new ideas and support. How do we create membership value and broaden the base of supporters in the Farm Bureau family?

Come Make Awesome Cakes With Us!!!

Cake decorating project meetings will start in October and late sign-ups will not be accepted past November! The holidays provide a great opportunity for learning and decorating and we don't want to miss this. Please make sure to sign up for cake decorating by October. Maria will send email as soon as the schedule is set, including a supplies list. Meetings will remain on Sunday afternoons once a month, but we will split into two groups this year based on experience in cake decorating. New and second year decorators will be in the basics class and those who have *mastered* the level one and most level two techniques can be in the advanced class. Decorators please review your project manual to see which class you feel more comfortable in. You are not required to move to the advanced class until YOU are ready! The advanced class will move faster with more advanced techniques and cake types, and less basic instruction. If you have questions, please text or call Maria at 307-760-3768 or email wyotpi@uwyo.edu. I look forward to playing with frosting with all of you this year!

Record Book Corner

Record Books are due in the 4-H office by 5 pm October 5 - but you can turn them in early! The 4-H year actually ends Sept 30th, so your story only needs to go through then, no excuse that you can't get it done before then.

Need help with your record book, would you like some feedback? Come to the Record Book walk in clinic Tues Sept 4th from 5-8 pm at the extension office and, or Monday the 24th of Sept from 5-8 pm at the extension office meeting room.

Quick reminders for Record Books: Section 1's -one needed for each project (sewing, cat, rope craft). Shooting sports need a section 1 for each discipline (one for rifle, one for shotgun, etc.). The summary is where you record how you placed at shows.

Sections 2, 3, 4, and 5 are cumulative, you add to your previous years. Differentiate years by color coding or somehow making note of current 4-H year. Make sure you put month and year for date. Be specific when describing the service or responsibility.

If you have questions please do not hesitate to ask! Call the office and you will be given numbers you can call for help.

The High Plains 4-H club Scavenger Hunt at county fair continues to grow. After going through the barns and gathering clues Amanda Christensen turned in the answer, "We can complain because rose bushes have thorns, or rejoice because thorn bushes have rose." Abraham Lincoln. She won a \$25 gift card to Dairy Queen. Thank you to those who participated.

It's that time again...

Enrollment for the 2018-2019 4-H year will begin soon. Although the new 4-H year technically begins on October 1st, PLEASE DO NOT RE-ENROLL UNTIL WE TELL YOU VIA EMAIL AND FACEBOOK!

We have to roll over our online database system before we can accept new enrollments into the system. This is a state database and we have no control as to when it will roll over.

Please be patient, we will give you more information closer to the end of September. Information will be sent out in our newsletters.

We understand there are clubs who have enrollment quotas, we will let you know as soon as possible when the online system is ready to accept enrollments. How lucky am I to have something that makes saying Goodbye so hard.

I really appreciated my time with everyone this summer. You all are a curious and passionate bunch who is aware of the many issues that plague the world and our organization, and want to do something about it. I feel that with focus, discipline and sustained effort no matter the challenges, you will have the tools for what you need to be great leaders at your clubs, in your schools, Albany County, and the state of Wyoming.

Remember that kindness matters. This is not a concept that society pushes on young people. We have to get into the habit of building each other up. We have to work hard to counteract all the negative imagery we see about ourselves by being kind and supportive of each other, by congratulating each other and pushing each other towards positive goals.

Thank you to all who have made my time here such a great experience on both a professional and personal level. Thanks for all the support and guidance – I have learned so much and will really miss each and every one of you, but I will see you around town.

Walt Disney once said, "Around here, however, we don't look backwards for very long. We keep moving FORWARD, opening up new doors and doing new things...and curiosity keeps leading us down new paths."

With my Head, Heart, Hands, and Health,

Zach Davis
