Showcase Showdown went well. There were 22 kids that participated. Wyatt Strain reported that he got 2nd place with his sumo robot and construction robot, 2nd place on his film, and 8th place on his prepared presentation. He took a sausage class where they were able to make it and eat it, thanks to McKenzie Harris, Albany County 4-H Alum. Thomas and Amanda Christensen, also 4-H alums, taught a class on a cud-powered car.

Committee Reports:

- Executive: In the process of looking over financial assistance forms.

- Awards: Awards have been ordered for fair and donations are coming in.

- By-laws: Met last month and are almost finished reviewing by-laws.

- Carnival: nothing to report

- Fund Raising: Went great! \$2,370 was raised.

- Junior Awards Trip: nothing to report

- Record Book: Be working on record books!

- 4-H Foundation: They had a pancake breakfast at County Shoot on June 8. They will also be having a dinner fundraiser in September.

- Junior Leaders: They had 4 members travel to Ohio for exchange June 21-27. They will be hosting Pennsylvania, who they are picking up in Denver tomorrow. Then hosting Wisconsin. They will also have their annual BBQ and dance at Fair.

Old Business

- Murdoch's BBQ: Went well, sold out as usual. Next one will be in Oct.

- Herd update: Nate Vasek was able to purchase materials, which council refunded, and was able to fix broken herds and reinforce the bases. Thank you, Nate, for your hard work and time!

- Member Activities update: The 'Kick off to Summer' kickball game was a huge success! We had about 50 kids show up and had to order more pizza. Definitely something we would like to continue doing.

New Business

- Club Showcase Exhibits—ML does have tri-folds in the office that are available.

- Family Night at Fair—it was discussed that 4-H would like to once again do the scavenger hunt.

- Fair basket reminder—half of proceeds go to club, other half to council.

- Mariah Ehmke suggested having an auction for indoor projects during Family Night at Fashion Review, kind of like the Junior Livestock Sale. Overall discussion, sounded like this was a good idea but didn't know if there was enough time to pull this off. May need to re-visit and possibly try next year.

- Meaghan Stinson suggested having a Talent Show this Fall to show off 4-Hers' other talents. Charge an admission fee and have snacks. She will get started on planning this.

Announcements:

- PLEASE READ FOOTNOTES AND EMAILS!!!

- If club is paying stall fees, please contact the fair office at 742-3224.

- Record Books are due Oct 4th by 5pm.

- Next 4-H Council meeting will be Tuesday, Sept 3, 2019 at 6:30pm.

Albany County Fair Board Corner

Next Meeting: Sept. 9th @6:30pm in the Activity Building Fair Office

Cat Good job to everyone who participated in county and state fair.

The High Plains 4-H Club once again had a scavenger hunt to encourage people to go through all the barns at fair. Participants gathered information from all the barns, once the form was completed the form was turned in at the activity building and a random drawing was performed for a \$20 gift card to Dairy Queen.

Record Book Corner

Time to finish out the 4-H year and that means completing your 4-H Record Book. Completing your Record Book is a requirement of 4-H, it does not have to be judged, but it does need to be turned into the extension office before 5 pm Friday Oct 4, 2019.

If you would like help with or have questions about your record book please come to the Record Book Open House on Sept 3rd at the Extension Office meeting room starting at 4 pm or contact a 4-H Record Book committee member.

5 TIPS FOR COMPLETING AN AWESOME RECORD BOOK

- 1 Download the form from the Albany County Record Book Website and type or handwrite legibly on the form. The form can be found at: <http://wyoming4h.org/albany4h/record-book/>
- 2 Read each section's guidelines and check out the examples. Record Books are based on the current 4-H year (October 1 - September 30).
- 3 Be sure to introduce yourself in your 4-H Story, but also share about your entire 4-H experience this year. If you volunteered or participated in leadership activities, you can include it in your 4-H Story. Are you new to 4-H? Let the judges know how long you've been in the program.
- 4 Make sure all your Section 1's have SMART (Specific, Measurable, Achievable, Realistic, Timely) and you have the correct number of goals for your 4-H Level (Jr - 2, Int - 3, Sr - 4).
- 5 Get it done sooner rather than later! If you have questions, need assistance or would like to see some examples, please come to the next Record Book Open House – Tuesday, September 3rd from 4-6pm at the Extension Meeting Room (prior to the 4-H Council Meeting). Record books are a requirement for 4-H and are due to the extension office no later than October 4th at 5pm!

Parents and Leaders,

The Record Book Committee needs your help in judging and recruiting judges to look over and give feedback to the 4-H members. Please contact any of the Record Book Committee members if you have suggestions for people and/or organizations to contact to help with judging the books. The requirements to help: able to read, provide comments, able to commit to at least two hours at one time to reading and commenting on books. Thanks in advance, this is how we help make the best better!

In following the by-laws of the 4-H council of Albany County the Record Book Committee needs a new chairman. If you like to help the youth, are able to meet infrequently as a committee (the committee typically meets 3- 4 times a year), have ideas on how to recruit people to judge and want to work with an wonderful committee the Record Book Committee could be for you! Please contact Mary Louise, Leah Churches or any of the Record Book Committee if you have questions or are interested.

National 4-H Week is October 6-12, 2019!

More than a century ago, the first "head, heart, hands, and health", or 4-H, clubs were formed to help improve farming practices and farm life. While agriculture and rural values remain a large part of 4-H, the organization has grown to include young people from all backgrounds and types of communities. Through after-school programs, bilingual projects, technology clubs, partnerships with the military, and many other innovative approaches, 4-H remains one of the best hallmarks of American life.

This year, 4-H celebrates two events during National 4-H Week: the 4-H National Youth Science Day and the induction ceremony for the National 4-H Hall of Fame.

A 4-H Centennial Project of the National Association of Extension 4-H Agents

The National 4-H Hall of Fame annually honors a select group of volunteers, supporters, staff, and pioneers who made major contributions to 4-H at local, state and national levels.

On Friday, October 12, sixteen new laureates will be inducted at a ceremony at the National 4-H Youth Conference Center. They will be added to the National 4-H Hall of Fame web site.

It's that time again...

Enrollment for the 2019-2020 4-H year will begin soon. Although the new 4-H year technically begins on October 1st, PLEASE DO NOT RE-ENROLL UNTIL WE TELL YOU VIA EMAIL AND FACEBOOK!

We have to roll over our online database system before we can accept new enrollments into the system. This is a state database and we have no control as to when it will roll over.

Please be patient, we will give you more information closer to the end of September. Information will be sent out in our newsletters.

We understand there are clubs who have enrollment quotas, we will let you know as soon as possible when the online system is ready to accept enrollments. However, until we inform you, please do not re-enroll as it will place you in the 2018-2019 year again and error the online system. Please wait for further instructions, we just wanted to give you a heads up that enrollment is coming! Thank you in advance for your patience and cooperation.

4-H NATIONAL SCIENCE DAY CHALLENGE!

This October, 4-H will launch the 2019 National Youth Science Day (NYSD) challenge, *Game Changers*. Designed by Google and West Virginia Extension service, *Game Changers* teaches kids ages 8-14 how to use computer science (CS) to create games, solve problems and engage with topics they're passionate about.

Game Changers uses physical activity and puzzles to teach kids important CS concepts and problem-solving skills, creating real-world connections between computer science and civic engagement, healthy living and agriculture. Although the challenge includes one computer-based and two unplugged activities to help kids learn CS, all can be completed without internet access.

Hello!

My name is Sarah Gonzalez and I am the new Administrative Assistant at the Extension Office! I am so excited to learn more about 4H and meet all the members! To tell you a little about me...I was born and raised right here in Laramie and I love it here! I am married and have 2 kids; my daughter, Amilia, is 13 and my son, Isaac is 10 years old. I was not involved in 4H as a kid, but I do remember going to the carnivals every year and always having a lot of fun. I hope to have my kids join 4H and get to know all of you more. Please feel free to come in and say hi or give me a call with questions or concerns. I can't wait to meet all of you and help you in any way I can.

Sincerely,

Mary Louise Wood
