Our Sheep and Meat Goat Superintendent is Taylor Haley. She has created a group through our Facebook page Albany County Fair & Jr. Livestock Sale, the group is called ACF Sheep and Meat Goat Showmen. A message from *Mary Louise*

Hey Albany County 4-H,

Thank you for your patience with all of the cancelations, delays, and uncertainty brought on with Covid-19. I am extremely grateful for all of the volunteers that have stepped up to do virtual education and activities. Let me assure you that there will be a 2020 Albany County Fair. It may look different than it has in the past but there will be many opportunities for our members. Please be focusing on project goals and working towards achieving them. I expect the activity building to be overflowing with projects because members have had and will have time to work on projects. The animals should be extremely well behaved because members have been working with them a lot!! Be creative and use your time. If you need ideas, contact me. I have an endless supply of them

Beginning June 1st, we can meet in larger groups outside but still need to physical distance and please focus on hand hygiene and covering your cough and sneeze. If you are going to be within 6 feet of each other, best practice is to wear face coverings. This is what the Albany County Health Officer has asked us to do. If you do not feel well, please stay home! Indoor groups are still at 25 people.

I want our volunteers and members to be comfortable. If you are a volunteer and leading an event and would like participants to wear a mask. Please ask them to do so and if they do not want to wear a mask, you may ask them to leave. Parents, if you want your youth to wear a mask, by all means please have them do so. Everyone has their own opinions on all of this and I just ask that everyone be kind and respectful. There will be many different levels of comfort and I hope we can accommodate all of them and still have adults interacting and teaching youth!!

If you have ideas for activities or events, please let me know. Together we can find resources and help make the best better.

Mary Louise

2021 NILE Merit Heifer Application Available

The opportunity for kids started in the cattle industry is knocking, and loudly. Applications for the NILE Merit Heifer program are now available for the 2020-2021 year.

The NILE Merit Heifer program is a live animal scholarship, meaning the recipients are given a young, live, heifer calf. The objective is to help youth get a start in the beef cattle business and gain knowledge about the beef industry.

Program participants are chosen based on merit, future goals, and ability to care for the animal. 4-H or FFA members who are 12-16 years old may apply. Applicants are not limited to Montana residents.

During the program duration, participants are responsible for care-taking, record keeping, breeding, and bringing the heifer back one year later to the NILE Stock Show & Rodeo. The class of merit heifer recipients competes for best phenotype, top showman honors, best record book, best interview and overall top herdsman.

Applications and a link to the YouTube video must be received no later than June 30, 2020 at 4 p.m. The 2021 recipients will be announced in late August 2019. Applications available online at:

<https://www.thenile.org/p/events/livestock/meritheifer>

For more information regarding the NILE Merit Heifer Program, please email Shelby Shaw– meritheifer@thenile.org or call the NILE Office: (406) 256-2495

Cake Decorating

Another round of video lessons were posted on our Cake Decorating Course website demonstrating some flower techniques (such as lilacs and Indian Paintbrush) and one or two border techniques. Depending on how things go with our summer jobs, we may be able to have in-person meetings until the middle of June. This would probably look like one-on-one type workdays that would be structured around what each member would like to focus on. If you would like help designing, planning or practicing for your County Fair cake and you'd like some one-on-one time, please just let us know and we'll try to schedule something with you. Otherwise, we will continue to post videos on the Course Website. Please log in and let us know if there are specific techniques that you would like to see videos for.

If you haven't yet gotten in to the course website, here are the instructions:

1. Go to <https://harmony-harvest.com/courses/>
2. Click on the Albany County 4-H Cake Decorating course link
3. You will need to create a new account. Select the 'Create New Account' link
4. Fill out the form and select 'Create My New Account'
5. The course will send you a confirmation email with another link to confirm your account
6. Follow the confirmation link and enter the Enrollment Key: **Cake_2020** (This is a one-time key. After enrolled, you can login with the Username and Password that you set up in Step 4)
7. Once you are enrolled, you can interact with the site, watch the videos posted for the week's lesson and join the discussion for the week to let us know how you are doing.

Please let us know if you have any questions, concerns or suggestions for this project in the next few weeks. We look forward to hearing from you!
