Rabbit

You did a great job with Showmanship at County Fair! Thank you for self-quarantining your rabbits. RHDV2 continues to spread in Colorado. So far there has not been a positive case in Wyoming and I hope it stays that way. The American Rabbit Breeders Association is working on getting a vaccination manufactured in the U.S.

There are a couple of Colorado vets that are importing the vaccine that is available in France.

If you are interested in getting the current vaccine you can contact your local vet for more information.

If you have questions please contact Freda Dixon 742-0506 or fdixon@bresnan.net

CORNER

Time to finish out the 4-H year and that means completing your 4-H Record Book. Completing your Record Book is a requirement of 4-H, it does not have to be judged, but it does need to be turned into the extension office before 5 pm Friday Oct 2, 2020.

If you would like help with or have questions about your record book please come to the Record Book Open House on Sept 3rd at the Extension Office meeting room starting at 4 pm or contact a 4-H Record Book committee member.

Feel free to contact any of the 4-H Record Book committee members with questions:
 Ali Hayes 307-760-7742,
 Meaghan Stinson 307-760-8245
 Jenna Strain 307-399-7555
 or Mary Louise

5 TIPS FOR COMPLETING AN AWESOME RECORD BOOK

- 1
 Download the form from the Albany County Record Book Website and type or handwrite legibly on the form. The form can be found at:
<http://wyoming4h.org/albany4h/record-book/>
- 2
 Read each section's guidelines and check out the examples. Record Books are based on the current 4-H year (October 1 - September 30).
- 3
 Be sure to introduce yourself in your 4-H Story, but also share about your entire 4-H experience this year. If you volunteered or participated in leadership activities, you can include it in your 4-H Story. Are you new to 4-H? Let the judges know how long you've been in the program.
- 4
 Make sure all your **projects** have SMART (Specific, Measurable, Achievable, Realistic, Timely) and you have the correct number of goals for your 4-H Level (Jr - 2, Int - 3, Sr - 4).
- 5
 Get it done sooner rather than later! If you have questions, need assistance or would like to see some examples, **CALL!** Our Record Book Committee is happy to help! Record books are a requirement for 4-H and are due to the extension office no later than October 2nd at 5pm!

Albany County 4-H
Record Book Committee

In following the by-laws of the 4-H council of Albany County the Record Book Committee needs a new chairman. If you like to help the youth, are able to meet infrequently as a committee (the committee typically meets 3- 4 times a year), have ideas on how to recruit people to judge and want to work with an wonderful committee the Record Book Committee could be for you! Please contact Mary Louise, Leah Churches or any of the Record Book Committee if you have questions or are interested.

2020 District 1: Make It With Wool Contest

The District Contest for the Make It With Wool contest is TENTATIVELY October 16, 2020.

- Entries due to Julie Houchin by **October 9**.
- Contestants must construct a garment for themselves using fabric or yarn that is at least 60% wool.
- This year you are asked to test your fabric using clorox - be sure you have a new bottle of clorox, cut a sample approximately 1 1/2 inch by 1 1/2 inch - place wool in nonreactive, ceramic bowl, push wool to the bottom of the bowl to assure saturation and full immersion. Observe swatch occasionally for several hours, (at least 12 hours) push the wool to the bottom of the bowl again to be sure full contact with the liquid. You will observe a substantial foaming reaction over the first few hours as the wool fiber is neutralized, depending on weight of wool, after a few hours the foam will leave the surface, and there should be no distinguishable fibers if the wool is 100% wool.
- Entry forms are online and you **MUST** send swatches - to the District Director (Julie) and the State Director will also have to test the wool using this method. Samples must be 4" x 4" of fabric or 24" yarn. Entries must be sent in as soon as possible.
- The winners of the District contest in the Adult, Senior and Junior divisions will advance to the **State Contest in CASPER, DECEMBER 6-7, 2020, RAMKOTA HOTEL**
- All Adult contestants may participate at the State contest. To be eligible, contestants must compete at a district contest first.
- The National Office is no longer providing the 3 part carbon entry forms. The forms are available on the national website at: makeitwithwool.com
- Contestants will need to make 3 copies, one to National Director - address on the form, one to State Director, Carol Macy, PO Box 428, Pine Bluffs, WY 82082 and one to the District Director, Julie Houchin 1801 W Hill Road, Laramie, WY 82072.

Because of Covid19 I will not be asking merchants for prizes, you will receive a piece of wool however and sewing notions.

It is important if you are a winner you agree to go to the state contest. Numbers at state have been down and unless they increase the possibility of MIWW in Wyoming could be jeopardized. Please read all the rules and regulations online!

For more information contact Julie Houchin, District #1 Director, 745-3525 or jdhouch@aol.com

It's that time again...

Enrollment for the 2020-2021 4-H year will begin soon. Although the new 4-H year technically begins on October 1st, **PLEASE DO NOT RE-ENROLL UNTIL WE TELL YOU VIA EMAIL AND FACEBOOK!!**

We have to roll over our online database system before we can accept new enrollments into the system. This is a state database and we have no control as to when it will roll over.

Please be patient, we will give you more information closer to the end of September.

Information will be sent out in our newsletters.

We understand there are clubs who have enrollment quotas, we will let you know as soon as possible when the online system is ready to accept enrollments. However, until we inform you, please do not re-enroll as it will place you in the 2019-2020 year again and error the online system. Please wait for further instructions, we just wanted to give you a heads up that enrollment is coming!

Thank you in advance for your patience and cooperation.
