Farewell ML

Thank you to everyone who helped with Mary Louise's Farewell party and also thank you for all those who attended and sent well wishes! It was a great night to celebrate a great person! She will be missed beyond measure, the good news is Albany County 4-H will continue! Here are a few things to know and keep in mind as we move forward and wait for our new 4-H educator:

- Albany County 4-H will continue to be active! Please continue to do what you are doing...and thank you in advance!
- Call the Extension Office if you need help! Brian and Sarah will do their best to "fill in" while we wait for our new educator. Please be patient!
- We have amazing volunteers! Club leaders and project leaders are a great resource, so please reach out to them if you need guidance on certain things. But remember that they are volunteers and have other commitments in their lives; so do not expect immediate responses.
- Until there is a new 4-H educator Mary Louise is available via email or cell phone to help out and answer questions.
- Come to council meetings, this is a great way to be up to date on current and upcoming events happening and to see how you can help.
- Last but not least, be patient with all Albany County 4-H members, volunteers and the Extension Office. Mary Louise's position will be hard to fill, but with all of us together we can fill in the gap!

 **Make sure you are following Albany County 4-H on Facebook for current information and events!**
