It is important to claim your spot early as it's a big camp and beds do run out!

WHAT WE DO

FRIENDS

Camp is a great opportunity to make new friends. Every child is split up into a group led by Teen Counselor whose job is to break the ice and create group unity. There is free-time where campers interact with whom they choose from the camp.

LEARNING

Sessions happen in the middle two days of 4-H Camp as groups rotate through 8 mini workshops. The campers get hands on experience with many activities including riflery, archery, dance, canoeing, STEM, and more.

FUN

Other than the sessions and free time, 4-H Camp has a few other traditions; these include a campfire, waterfight, movie night, and dance so that the entire camp can have fun together. The campers have a comfortable environment to learn and have fun with their peers!
