

The Clover Blast

April 2020

Happy April Everyone!

This month's newsletter article is over what everyone is tired of hearing about, the COVID-19. We hope that you have all heard the policies regarding the University of Wyoming, Wyoming Extension, and Wyoming 4-H. Please keep in mind that all face-to-face 4-H activities are postponed or must be virtual until at least May 15th. This includes all project, club, committee, council meetings, etc. Here in Campbell County and across Wyoming, we have been working to reschedule our activities or create virtual opportunities. Read the whole newsletter, be checking your email, and follow us on social media for the most up-to-date information and resources!

On this topic, I believe that here in Wyoming, as 4-Hers, we are some of the luckiest people in the world. We have all been encouraged to follow social distancing with schools taking an extended break and businesses changing schedules. As we are spending more time at home and distancing from others, our members are still able to enjoy the little things in life. I feel our members, in particular, have resources to still work on project areas. It is time for many of you to get your market animals, so take this opportunity to educate yourself of selection and nutrition. Work on your cooking skills by baking bread for your family. Take some time to work on your record book! Here is a recording of educators explaining the new ZSuite https://youtu.be/x_vd_KebUKQ.

Please contact us if you have any questions at all! We are working on making our forms fillable so you can complete them and return them from your own home. Check out our website for these forms including: Dog ID, Horse ID, Camp Registration, and more! <https://www.ccgov.net/262/4-H-Forms-Registrations>

CAMPBELL COUNTY FAIR

INFORMATION

March 30, 2020

Dear Fair Families,

In this very sensitive and challenging time, the Fair Board and Youth Livestock Sale would like to reach out to the 4-H/FFA members and their families. We are hoping you are all finding a way to take care of yourselves and each other. We are supporting and following Campbell County's health recommendations and guidelines concerning COVID-19. Complying with the current health concerns and due to the unknown time frame for planning the Mandatory Meetings scheduled in May, adjustments have been implemented this year to continue the YLS project paperwork on-line or by mail. Continue to monitor the Campbell County Fair Website and we will notify you with any updates and/or changes.

On April 27th, transitioning virtually, a YLS Packet will be available on-line, e-mail, mail, or curbside pick-up. The "Information Form" and "W-9" are **due** to the **Fair Office** on **MAY 15th by 5:00pm *No Exceptions***. Please read and follow the current updated requirements to qualify a 4-H/FFA project for the Youth Livestock Sale. Contact any of the following for a YLS Packet:

- 1) The Campbell County Fair Website
- 2) Fair Office at 307-687-0200 or eae73@ccgov.net
- 3) 4-H Extension Office at 307-682-7281
- 4) FFA advisors

This year the YLS will be contacting businesses as potential buyers for the sale. Currently due to the limited access and time frame, it isn't possible for youth to be able visit businesses and send back their signed business cards.

Sheep, Goat, and Swine tags will be requested on the YLS "Information Form" for each family. Please fill in the requested quantity of tags needed per species per FAMILY. After receiving the finalized documents at the Fair Office, the tags will be mailed or available curbside pick-up.

The Fair book will be available on the Campbell County Fair Website on April 13th or curbside pick-up the first week of May. It is very important that Youth members with their parent/guardian read and understand the Youth Livestock Sale and Youth Livestock Shows General Policies. This would be a great homework assignment in our current situation.

We appreciate your understanding and cooperation as we strive for the best in our community. If you have any questions, please call the Fair Office at 307-687-0200 or e-mail eae73@ccgov.net. Stay safe and we will see you all soon. Thank you!

Best Regards,

Dear Campbell County Fair Friends:

We are making plans for our 2020 Campbell County Fair and we would like to ask for your help. Each year we fund awards to be given at Fair and are always looking for donors. We sincerely appreciate those who have contributed year after year to our youth. If you haven't donated in the past, there are many shows you can donate to. Each show has different categories that contestants can win. Awards are on a 3 year rotation, year 1 is Cash Awards, year 2 Traditional (trophies and plaques) and year 3 Supplies for their project area. We hope you will consider helping us out this year. Our goal is to have awards purchased by July 1st. We would appreciate receiving your donations by June 15th if possible.

If you have particular areas that you are interested in, please mark them above and we will see that your donation is applied to those project areas. Some projects fill up faster than others, so please mark a second and third choice also. For your information, we try to find awards in the \$25 to \$50 range. Belt buckles range from \$125 - \$150. So, your donation may go towards multiple award areas.

Any help or support you may contribute to assist us in purchasing awards for our 4-H and FFA youth will be greatly appreciated. It is people like you that make our Fair a success and make it possible to provide all the awards necessary to recognize the outstanding achievements of our 4-H and FFA youth.

Sincerely,

Liz Edwards, Coordinator and the Campbell County Youth Awards Committee

We have new record books for this year. There will be a class on March 10th about them and it will be recorded. The Jackpot Shoot is April 18th in Wright at 9 am.

PRESENT: Amanda Andreen, Deana Maul, Carrie Saur, Jody Fenster, Kim Fry, Celeste Robinson, Sharon Adels

Respectfully submitted by: Amanda Andreen, 4-H Council Secretary

Design a Maze

Need: paper plate, straws, scissors, glue or tape and marbles/beads/etc.

1. Help your cloverbud cut the straws into smaller pieces.
2. Have your cloverbud tape the straws down to the plate in a pattern so that their marble can travel through.
3. See who can get the marble through the maze the quickest.

Build a Boat

Need: Tinfoil and change

1. Give your cloverbud a sheet of tinfoil.
2. Tell them they have to make a boat out of that tin foil that has to hold 10 coins.
3. Give them 5 minutes to build their boat.
4. Test their boat in a deep sink or bathtub.
5. If you have siblings around you can make it a contest for which boat can hold the most coins

Beach Sand Cloud Dough

Need: 1. 1 C sand 2. 1 C flour 3. 4 T baby oil

Instructions: Mix together flour and sand. Mix in baby oil really well.

Enjoy!

How many Drops fill the Dot

Need: Paper, pen, water, food dye and a dropper

1. Draw many sized circles on the piece of paper
2. Have your cloverbud use the dropper to drop as many drops of water into the circle as it takes to fill it.
3. Talk about why the bigger dots take more drops of water (volume increases with diameter - width of circle)

Egg Drop Challenge

Need: Really, anything found around the house will work, let your cloverbud use their thinking skills to come up with their own ideas. If they are really struggling a good start could be: cotton balls, string, old clothing, empty jars/tubs, tape, playdough, etc.

Give your cloverbud supplies to create some kind of safety so that the egg will not break when dropped. To save a mess you can hard boil the egg first.

Washable Stainglass

Need: washable crayola paint, water and masking tape

1. Help your cloverbud tape the window in different shapes (triangles, trapezoids, etc.)
2. Water down the crayola washable paint.
3. Let your cloverbud paint away. It will wash off with Dawn Soap and water
