● ● ● | *Items to Help Hang*

Keep in mind that at fair, items tend to weigh down. Prepare your project in a sturdy manner with a secure hanger!

Peg Board Hooks are used at the Wyoming State Fair to display projects.

Eye screws and wire can be used to securely add a hanger to any project. Remember to use adhesives that sturdy so your project does not fall apart!

Mat Board & Foam Board

Mat Board— securely attach mat frame to picture and board on back

Foam Board— Mount picture directly on foam board

How To Hang

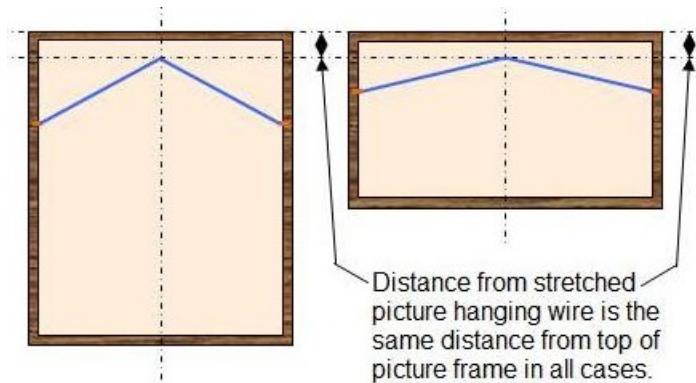

Your project **MUST** have some way to hang the photo!

For Hanging, either punch holes or securely attach wire.

In upper corners and thread string or wire to create a hanger

OR

In the center big enough for peg board hook

Frames

If you choose to use a frame, lightweight is preferred. Please use light material frames with a secure way to hang the photography.

Heavy & Large Frames are not allowed and may be disqualified!

While a nice frame adds a lot to your picture, your entry is being judged on the photography. Save your frame until you get the entry home and then use it!
