2022 Community Garden Agreement

IF accepted into the 2022 Community Garden project, I agree to the following:

1. I UNDERSTAND that I am responsible for planting, harvesting, and all other phases of gardening, including weeding. We ask that you keep your plots and the part of the aisle by your plot weed free. If everyone keeps the weeds out, the less the problem will be. Please try and weed your part of the aisle as needed or once a week.
2. If you will be gone, please let a garden member know. If you need help with watering, let us know.
3. I will not hold liable, the Campbell County Master Gardeners, University of Wyoming Extension Office, Campbell County, Town of Wright and its employees or any person associated with the Community Garden for any accident, injury or loss that may occur at the garden site.
4. I understand that I am responsible for the cleaning and returning all equipment that I have removed from the shed.
5. I understand that I cannot use chemical pesticides or herbicides in the Community Garden. Organic pesticides only
