Monthly Meetings

Meetings happen between September and May. The primary focus is to develop a program of leadership skills through team building and leadership activities. They plan and host an educational activity, community service, and a fun event all while playing leadership activities throughout the year. This results in the long-term impact of developing citizens who will have a positive impact on their community, developing healthy relationships, and independence.

Camp Counselors

Annually in June, Campbell County 4-H hosts a week-long camp. 4-H Camp is a 4 day wilderness experience out in the Black Hills of Wyoming. While at camp the 4-Her's rotate through workshops including archery, riflery, crafts, canoeing, STEM, and many others. Camp Counselors are 13-18 who lead campers throughout the camp. They learn leadership skills, teambuilding, public speaking, and more. Counselors attend camp for a day prior and post camp for training.

Volunteering

Throughout the year, there are times where Young Leaders are asked to volunteer. These are often community events where responsible teens are needed. This includes Children's Festival, Ag Expo, and more!
