Answer the following to the best of your ability:

1. Please list any background experience you have in gardening, horticulture, and arboriculture:

2. Please list any volunteer positions you have participated in (i.e., scout leader, church leader):

3. Please list any experience you have in communications (i.e., public speaking, writing, teaching, etc.):

4. Please list any experience you have in working with special audiences (i.e., seniors, disabled, children, etc.):

5. Being a Master Gardener involves a wide array of volunteer tasks. What types of tasks suits you best? Do you enjoy working in large groups, one-on-one mentoring, or independent tasks?

6. Do you have any special skills (i.e., proficiency in another language, carpentry, publication design, etc.) that may enhance the Master Gardener program?

7. Why do you want to become a Master Gardener?

To become an active Master Gardener, you must volunteer at least 40 hours within the first two years after the training course. Each following year the requirement is to volunteer 30 hours, with 20 being volunteer hours and 10 continuing education hours to stay certified as an active master gardener. I also understand that the volunteer commitment can be fulfilled by participating in weekday, weekend, daytime, evening activities and by donating produce.
