

The Clover Blast

My name is Sheldon Rollo, and I am interning at the Extension Office this summer. I am from Gillette, Wyoming, and I am working on getting a degree in psychology at the University of Wyoming. I haven't done 4-H, but I am super excited to help out with it and to get to see what it is all about! I am also super excited to be able to work with the youth this summer, and to help them grow in their interests.

Sheldon Rollo

Hello! My name is Rylee Hudson. I am from Gillette, Wyoming and this year I finished my first year of college, majoring in Animal and Veterinary Sciences at the University of Wyoming. Over this summer I am interning at the 4-H extension office. 4-H has been a large part of my life from a young age. I was a member for 10 years and gained so many valuable lessons and experiences through it. I am looking forward to continuing involvement in 4-H as an intern and seeing how the many familiar, younger members have grown!

Rylee Hudson

Hi! My name is Kiara Schofield, and I am interning at the 4-H Extension Office this summer. I am from Gillette, WY, and will be starting my junior year at the University of Wyoming in the fall, majoring in Molecular Biology and Microbiology. Growing up in Gillette, I always knew the importance of the values within 4-H, and I am excited to work with 4-H and all of the activities surrounding it this summer!
