

The Clover Blast

Hi! My name is Shea Zellitti and I am one of the new interns here at the Campbell County Extension Office. I have been in 4-H for 8 years and shown a wide variety of projects. I have shown swine, horses, dogs, and rabbits and I have absolutely loved my time learning and growing 4-H. I was in cloverbuds for two years and then started 4-H when I was 8. I have always wanted to be an intern since I started 4-H. The reason I wanted to be an intern is because I have always looked up to the wonderful people in the office and I wanted to be like them and help behind the scenes. 4-H has done so much for me and this is one of the ways I can give back to the program. I want to make a difference in other kids' lives just as 4-H has made a difference for me. Through 4-H I have learned the significance of agriculture and the role that youths have in agriculture as its the foundation of our nation. I have gained so much knowledge about agriculture and want to pass it onto the next generation of agriculturalists. That is the reason why I wanted to be an intern. Thank you!

Shea Zellitti

Hi, my name is Rickie Jo Rourke, and I am thrilled to introduce myself as one of the new interns for the Campbell County Extension Office! My roots run deep in this community, fueled by my love for rodeo, agriculture, and, most importantly, our kids. For the past seven years, 4-H has been a cornerstone of my life, teaching me invaluable skills and fostering a passion for leadership and service. I firmly believe in the power of 4-H to shape young lives, and I'm eager to help get as many kids involved as possible. This internship is a dream come true, as it allows me to combine my dedication to youth development with my commitment to serving and supporting Campbell County. I'm excited to work alongside the Extension team, contributing to programs that strengthen our community and ensure a vibrant future for generations to come.
