

The Clover Blast

As the United States celebrates its 250th Anniversary in 2026, 4-H is joining the milestone with reflection, celebration, and civic engagement. America's Semi quincentennial offers an opportunity to look back at the nation's journey and push ahead into the future. If you haven't heard, there will be local events, educational programs, and community gatherings celebrating this Anniversary.

In this spirit of civic engagement, we are taking part in 250 Acts of Service, initiated by the Campbell County 250 Committee. Guided by the 4-H pillars of leadership, citizenship, and community service, members will organize projects ranging from trash pickup and food drives to veteran support efforts, educational outreach and local community events. Each act of service is designed not only to meet a community need but also to help our members people practice active citizenship and learn the value of giving back. Through these efforts, 4-H will help ensure that America's 250th celebration is not only a look back at history, but a hands-on investment in the country's future. Join our community this year in giving back with 250 Acts of Service!
