4-H SWAP MEET

Come, Buy—Sell— Trade

Sponsored by the Rawlins Reliables 4-H Club

Items relating to 4-H projects such as:

- ♦ Animal Items; Halters, Brushes, Sticks, clothes, cages, feeders, etc. and all those things we bring to fair.
- ♦ Items for sewing, cake decorating, wood craft, leather craft, or any other static (miscellaneous) project.

If you are already attending the Custis Pig Sale that day, this would be a great event to attend as well!

The idea is to have participants new to a 4-H project come to obtain start-up needs from those who have been there and done that.

The more people who participate makes for a great swap meet!

Thanks to the ELLBOGEN FOUNDATION

The Pathways to Higher Education Program was developed with the generous support of the Ellbogen Foundation.

John P. "Jack" Ellbogen is the benefactor of the Foundation. He was a Wyoming native, born and raised in Worland. He had a great love for and commitment to his home state. Throughout his adult life, Jack believed in the importance of a quality education for all Americans. He believed that a teacher was the single most important factor to enhanced student learnings

Ellbogen Foundation MISSION STATEMENT

*To create or cause change,
primarily for the benefit of the
people of the State of Wyoming
through the support of science,
education, and charity.*

Issued in furtherance of Cooperative Extension work, acts of May 8 and June 30, 1914, in cooperation with the U.S. Department of Agriculture. Glen Whipple, Director, Cooperative Extension Service, University of Wyoming, Laramie, Wyoming 82071.

The University of Wyoming is an equal opportunity/affirmative action institution.

Program Overview

The Wyoming 4-H program serves over 6,900 youth ages 8-18, with a significant number of those, 3,129 (45%), involved in livestock projects.

The Pathways to Higher Education Program draws on the rich history of the 4-H program, integrating real-life, hands-on animal science education with 4-H members' project experiences.

This program allows youth to enroll in a college course at the University of Wyoming to earn credit for their 4-H work and livestock projects. The multi-year, sequential course culminates with a capstone learning experience on campus at the animal science department and submission of a portfolio of their learning experiences.

Course Outline

Each year, members explore topics in nutrition, evaluation and selection, meat science, care and prevention, and reproduction, including in-depth studies of breeds of beef cattle, small animals (rabbits and poultry), sheep, horses, goats and swine.

Wyoming 4-H Your Pathway to HIGHER EDUCATION

Introducing 4-H ANIMAL SCIENCE ANSC 1009

Experience your first class at the
University of Wyoming through 4-H!

EXTENSION

Program Details

Youth begin the program by signing up through 4-H Online for 4-H ANSCI 1009 activity. The course is designed to offer 1-4 UW credits after completion. For 4 credits, youth participate over a three-year period in a series of learning experiences throughout the state.

These learning experiences encompass online learning modules, classroom work, and hands-on experiences with at least one hands-on capstone event at the University of Wyoming.

Members submit their complete portfolio of learning activities for review and pay all fees associated with UW enrollment to receive final credit.

Eligibility

Participation is limited to students who are freshmen in high school or older with at least one year of 4-H age eligibility left.

Scholarships may be available. Please contact Warren Crawford at 307.766.5679 or crawford@uwyo.edu.

**Welcome to the 2017 Carbon County 4-H Archery season!
4-H Archery practice in Rawlins is about to begin!**

***Please be registered for 4-H Archery before attending the first meeting. Age Division: Make sure YOU know what 4-H age division category you shoot in. Ask the extension office for verification. ***

4-H Archery will start, Monday, March 27th at the Rec Center. Practice will be from 6-7pm for Junior shooters and Intermediate/Senior shooters will practice from 7-8 pm, even on the first practice. Parents will need to attend the first practice to sign permission slips and pay Rec Center dues. Please come with a check, or cash to pay the Rec Center shooting range dues. The rec center usually works out a deal for us so the shooters only have to pay $\frac{1}{2}$ the original cost.

Prior to March 27th- All shooters please schedule a time to meet with Cale to get your bow set up. By scheduling a time prior to the first meeting we are hoping to avoid all the craziness the first meeting brings. Call or Text: Cale- 307-321-2643 or Jacinda 307-321-2643

Equipment: If you are using 4-H equipment, we will get a bow setup for you when you schedule an appointment with Cale. For all kids who already have their own bow, please schedule a time with Cale to make adjustments to drawn length, and sights prior to the first practice.

Shooters will be required to purchase their own arrows. County and State shoot requires 5 arrows but we recommend purchasing a few extras to have on hand.

We encourage anyone who is truly interested in the sport to try and purchase their own equipment. By having their own equipment it will ensure they become a more accurate and confident shooter. There are lots of great youth bows out there and Cale would be more than happy to help you find the one to suit your needs.

Practice Schedule: Mondays at the Rec Center. Junior shooters will shoot from 6-7pm. Intermediate/Senior shooters will shoot from 7-8pm.

Enjoy An Evening With Temple Grandin

COME HEAR THIS EXTRAORDINARY WOMAN'S STORY!

Join 4-H and FFA for an evening with Dr. Temple Grandin; professor, author, autism advocate, animal welfare and behavior expert. Diagnosed at a young age with autism, Temple went on to become a pioneer in the field of livestock handling and equipment design. Using her one-of-a-kind mind, she revolutionized cattle handling and continues to influence the perception of autism.

National 4-H Opportunities

Calling all 4-H Members!!!!

Check out the AMAZING National 4-H opportunities that are available to you as a 4-H member!!

** National 4-H Congress in Atlanta, Georgia (for ages 14-18) applications are due May 30

** Citizenship Washington Focus in Washington, D.C. (for youth ages 15-18) June 10-17

** Leadership Washington Focus in Washington, D.C. (7th - 9th grade youth) July 16-21

You can find the links to these trips, as well as other opportunities on the State 4-H Website

<http://www.uwyo.edu/4-h/youth/>

Even if you aren't old enough to apply yet - check them out so you know what the application process requires. Some require a letter of recommendation, some require you to submit your 4-H Portfolio (record book), some include an interview process. If you know these things ahead of time you can prepare and work toward your goal of attending one or more of these trips!

Youth Leadership

Another Fantastic State 4-H Opportunity - for 4-H Members (ages 14-18 as of January 1 of current 4-H year)

The Wyoming State 4-H Leadership Team is a seven-person team that represents Wyoming 4-H at all statewide events and activities. These functions include, state leadership team retreat, Showcase Showdown, Legislative Day, and the Wyoming State Fair. Team members are also involved in providing county or multi-county leadership workshops, assisting at all state 4-H contests and events, and representing 4-H at organizational meetings.

Wyoming State 4-H Leadership Team Application- Due May 31.

<http://www.uwyo.edu/4-h/youth/leadershipteam/index.html>

Even if you aren't old enough yet - take a look at the requirements and application process so you know what you will need to do in order to possibly be selected for this leadership team.

This is a great training for individuals wanting to judge livestock shows, 4-H volunteers working with youth and youth interested in livestock judging! Please help us share the message by passing the information along.

**One of this year's featured speakers:
Chip Kemp**

The Intermountain Judges Training Committee would like to invite you to join them at this year's training. This 3-day workshop will include an adult track with livestock evaluation, judging showmanship, ring management, carcass evaluation and current industry trends. The youth will break off into their own track and intensely focus on evaluating livestock and giving oral reasons. Again this year -- youth will experience an actual judging contest.

U.S. Targhee Sheep Association Starter Flock

Three Free Registered Targhee Sheep to be Awarded to Deserving Youth

The U.S. Targhee Sheep Association (USTSA) will again be offering a free registered Targhee Starter flock to a deserving youth at the 2017 USTSA National Show & Sale in Pierre, South Dakota, July 13th -15th. The winner must be present to receive the flock and will be awarded one (1) ewe lamb, one (1) yearling ewe, and one (1) brood ewe donated by members of the USTSA. Each animal will be a USTSA registered animal, and at least QR in Scrapie Codon 171 genotype. The winner will also receive a \$150 credit for use toward purchase of additional animals at the 2017 sale.

Applications, due April 1st, are now available to download at www.ustargheesheep.org or by contacting Mardy Rutledge at the USTSA office (ustargheesheep@gmail.com or 702-292-5715). Any young person, ages 9-17, as of January 1, 2017, may apply. Applicants should possess a keen interest in the U.S. sheep industry, commitment to raising Targhee sheep over time, and a firm belief in the abilities of the breed. Applicants must demonstrate proof of care, facilities, and transportation. Aside from receiving the flock of sheep, the winning youth, will be paired with a Targhee breeder living near them who will act as a mentor. The association is committed to helping the winner succeed.

Targhee sheep are one of the few breeds developed in the United States at the U.S. Sheep Experiment Station in Dubois, Idaho. Withstanding harsh environments and minimal human intervention, while still producing high quality lamb and wool are hallmark traits of Targhees. Mothering ability and gentle dispositions are additional positive traits of the breed.

Got the Travel Bug? Check out the Enhancing Global Perspectives: Wyoming – Mongolia 4-H Exchange Program.

The Enhancing Global Perspectives provides an opportunity for youth participants to host a Mongolian student and travel to Mongolia to learn about Mongolian history, culture, traditions, and the

Mongolian ways of life. This program is a true two way exchange where Mongolian student will travel and stay in Wyoming and Wyoming students will travel and stay in Mongolia.

The 2012 Wyoming delegation with their hosts in Mongolia

Current members of the Wyoming 4-H program (14-19 years of age) are eligible to participate. The cost of the trip will be approximately \$2,600 per persons and the Wyoming 4-H Foundation will provide a \$1,000 scholarship to each of the 4-H members selected to participate – bringing the cost down to \$1,600. The cost covers the following expenses for participants: roundtrip airfare to Mongolia, meals, lodging, site visits, cultural activities, transportation in Mongolia, and accident and sickness protection. Detailed information and applications are available on the University of Wyoming 4-H web site: www.wyoming4h.org Applications are due March 31, 2017.

The Enhancing Global Perspectives 4-H Exchange Program is sponsored by the University of Wyoming 4-H Youth Development Program and Mongolia 4-H (NGO). Contact Warren Crawford, crawford@uwyo.edu, for more information.

ENHANCING GLOBAL PERSPECTIVES

Exchange Program Overview

The Enhancing Global Perspectives 4-H Exchange Program with Mongolia is designed to advance mutual understanding between the people of the United States and Mongolia, prepare youth leaders to become responsible citizens, spark an interest in learning about foreign cultures, and develop a cadre of Americans with cultural understanding who can advance international dialogue and compete effectively in the global economy.

Who is eligible to apply?

The program is open to current senior aged Wyoming 4-H members interested in traveling internationally, learning about different cultures, and living with a host family. Students must:

- Be at least 14 years old and no older than 19 years old by January 1, 2017
- Have the ability and desire to carry out a service activity in your local community upon your return.

Important Dates:

- Applications due March 31, 2017
- Pre-trip orientation via web conference - May 2017
- Mongolians arrive in Wyoming 3rd week of June 2017
- Travel to Mongolia - July 2017.
- Service projects in local community - Aug. 2017- Jan. 2018

WYOMING-MONGOLIA

4-H EXCHANGE

How much does it cost?

The Program will cost approximately \$2,600. The Wyoming State 4-H Foundation will provide each selected participant a \$1,000 scholarship to be applied to the total cost of the trip - bringing the total cost down to \$1,600 per person. The following expenses will be included in the trip cost:

Purely Poultry

Protect Yourself from Germs

Chicks, ducklings and other live poultry can carry harmful germs even if poultry appear healthy! It is important to wash your hands thoroughly with soap and water after touching live poultry. Washing your hands and other materials associated

with raising or caring for live poultry for at least 20 seconds will help decrease the spread of diseases! Keep your poultry and family safe by practicing good hygiene. If soap is unavailable it is always safer to use hand sanitizer than NOTHING.

CHICK CARE- Once you receive your chicks, it is important to place them on clean, safe bedding. Pine or cedar bedding is best to use. It absorbs moisture and feces helping to keep harmful germs away. Chicks also need to stay warm! They will need adequate high temperatures (85°F-115°F). Ensure that the heat source is placed high enough to let the chicks move and find different temperature zones!

Avian Influenza (AI)

Avian Influenza has 2 different forms or strains, Low Pathogenicity Avian Influenza (LPAI) and High Pathogen Influenza (HPAI). Both strains of AI are dangerous to various poultry species, including chickens, turkeys, geese and domestic ducks. Common symptoms of LPAI include coughing, sneezing, depression and ruffled feathers. A decrease

in egg production is also a common symptom of LPAI. LPAI strains occur naturally in wild migratory waterfowl and illness. HPAI is EXTREMELY infectious and often fatal to poultry. It spreads very quickly and some common symptoms are lack of energy, decreased appetite, coughing, sneezing, diarrhea, purple discoloration of wattles and

Biosecurity for Birds

Bio-life **Security**—protection

Raising backyard poultry in the USA is growing with popularity. It is very important that owners know the steps necessary to protect their poultry!

Step 1: LOOK

Look for signs and observe your poultry.... After all you know them BEST!

Step 2: REPORT

Report your sick poultry to your veterinarian

Step 3: PRACTICE

Practice and get some good, clean, and efficient ways to keep your poultry and their houses free of diseases and other wild critters, especially free ranging birds and waterfowl!

comb. Avian Influenza is **NOT** a food safety issue. Properly handling and cooking eggs and raw meat to 165 ° F. Sanitize cutting boards with dilute bleach.

April 15, 2017
 Viewing at 9:00 a.m.
 Sale Starts at 10:00 a.m.
 122 Bear River Drive
 Evanston, WY
 Price \$240 each
 Pigs provided by
 Cains Show Pigs from Iowa
NEW THIS YEAR ~ Logistic of the sale.
 To purchase a pig in this sale, buyers will need to reserve a pig by calling Debbie Fitch at 307-679-2709 and pay \$240 by April 3rd. This will guarantee you a pig. All pigs will be distributed by random draw except the first 10 pigs.
 A live auction for the opportunity to choose from the group of pigs will occur for the first 10 selections. The highest bidder will immediately indicate their choice from the group of pigs. This process will be repeated for the remaining nine opportunities to select pigs. After the first ten pigs have been claimed, the remaining pigs will be distributed by the random draw process. The amount the bidder agrees to pay above the deposit (\$240) will need to be paid the day of the sale (check or cash only).
 NOTE ~ If you are looking for other 4-H Animals like sheep or goats give us a call and we can share a list of youth producers from Uinta County that may have animals for sale.

Just a quick reminder!!

Only those who have been screened and approved are official 4-H leaders. We will be providing updated lists throughout the year, to keep you informed on who those people are. If you are unsure if you are a screened leader or if someone else is, please contact our office. You must re-enroll each 4-H year, and be screened every 5 years. Remember those acting in the name of 4-H have to either be leaders or members. If you accept any assistance from non-screened leaders it is at your own discretion.

Carbon County 4-H is looking for Youth, Parents, Leaders, and /or Community members who would be interested in helping with planning, organizing and putting on some 4-H events/activities.

=====

If you are interested in any of the following or something that isn't on the list

below please contact the Extension office ASAP!

Activities, events, day camps for Cloverbuds or Junior Youth leadership, 4-H day camps, Educational Opportunities, Make it & Take it days, animal clinics, Carbon County Fair parade planning, Carbon County Fair 4-H/FFA Youth Dance planning, Achievement Day planning, 4-H Portfolio judging, etc.

Even if you only have enough time to teach a one-time project learning/or make & take experience please let me know. **4-H has over 50 projects available to youth but we don't have leaders for all of them.** It would be nice to expose youth to some new project ideas even if it is just one day.

Our office may also be looking for some people to help on occasion with things data entry in the office – please let us know if you are interested.

Due to budget cuts and trying to cut down on costs, like the majority of the country, we will be trying to reduce on the amount of hard copies we distribute. We will continue to try and make information available through as many other forms of communication as possible. Newsletters and other information will be emailed and posted on Facebook. If you are having trouble receiving this information we are sending out please contact our office.

Character Counts Trustworthiness

others everyday—you influence and are a role model for everyone you come in contact with. Take time to discuss with others how trust is earned and why we consider others trustworthy. Provide specific examples and illustrations to express thoughts. For example: How do others earn your trust? How do you know when you can trust people? Which people do you feel are the most trustworthy?

Teaching Trustworthiness

Being trustworthy means:

- Telling the truth
- Following the rules
- Not taking things that don't belong to you
- Doing what you say you'll do

When you think about teaching trustworthiness to others you must remember that it does not happen overnight. Instead it is something you should model for

"Watch your thoughts; they lead to attitudes. Watch your attitudes; they lead to words. Watch your words; they lead to actions. Watch your actions; they lead to habits. Watch your habits; they form your character. Watch your character; it determines your destiny."

~Unknown~

Trustworthiness in 4-H: Six Feelings

Supplies: Seven large signs with one name on each of the Seven Dwarfs on each sign (Happy, Sneezzy, Dopey, Grumpy, Sleepy and Doc). Post these signs on the wall.

Ask the participants to look at all the signs on the on the wall. Have club members and guests stand by the sign that best describes how they feel at that moment. Explain that it is ok to be honest about what and how they are feeling. Give each group about 10 minutes to create a 30 second commercial to show their emotion. Have each group act out their commercial.

Discussion Questions:

Do you think how you feel or act affects whether a person feels they can trust you or not? Why or why not?

Roll Call Suggestions

- Tell a time when you were honest and no one was watching
- Share an example of someone showing loyalty to a friend
- Name one person who you trust and tell why
