New 4-H Educator!!

Hey Everybody! I'm your new 4-H Educator for Carbon County!! My name is Emily Haver and I am from Pueblo, Colorado where I was a seven year 4-H member, in Clothing Construction and Horse Showmanship. I attended the University of Colorado in Boulder, and graduated Magna cum laude with a B.A. in Anthropology in 2015. Since graduating I've worked for the Heifer International Learning Center, Sanborn Western Camps, and Boys and Girls Clubs. Recently, I just came back from Japan where I lived for five months studying agriculture through the International 4-H Youth Exchange of Colorado! (That's me on a mini tractor in Japan!) I'm so excited to be here in Carbon County and meet all of you; it's going to be a great 4-H year!!!

*I pledge my HEAD to
clearer thinking,*

*My HEART to greater
loyalty,*

*My HANDS to larger
service, and*

*My HEALTH to better
living,*

For my Club,

My Community,

My Country, and

My World.

We Have An Office Intern!!!!

Sydney Thayer is doing a semester long internship in our office! She helps put together the newsletter, document game camera footage, organize scary storage closets, and generally add an air of awesomeness to the extension of-
fice! Sydney goes to Rawlins High School, and will be graduating in May. She plans on attending the University of Wyoming in the fall, and majoring in Agriculture.

Coming Events!

- ♦ Events and opportunities come at us too fast here in 4-H. In this newsletter you'll find some main events that are happening around the county and state, but some opportunities don't make it into the newsletter: Check the Carbon County 4-H Facebook page and the Extension Website for the latest and greatest happenings!
- ♦ If you are interested in any of these opportunities but don't have funding, transportation, or lodging please contact us at the extension office; we have tons of resources and want every 4-H member to be able to take advantage of them!

The poster features a night sky background with stars and a green field. On the left is a green pine tree with the Wyoming 4-H Extension logo at its base. On the right are two tents, one blue and one yellow. The text is arranged in a central, flowing layout.
