## 2019 Volunteer Trainings

All trainings done via ZOOM, an online learning classroom

### **Organizing Club Meetings**—February 26, 2019 6:30-7:30PM

Club meetings can often be chaotic. Members are easily bored and adults monopolize the conversation and learning. This training will provide you with tips and tricks to spend less time doing business and more time learning and having fun.

### **Support Your Project with Curriculum** — March 26, 2019

Did you know that every project in Wyoming has learning books or learning curriculum to help members learn and grow in the project? During this training we will look at all of the projects that Wyoming has to offer and the wide array of curriculum that you can use to support their learning. This would be a great training for newer families and projects without a leader

### **Working Together** — April 30, 2019

4-H brings together all different kinds of personalities, some of which we might not agree with or even enjoy working with. This training will provide you with ideas on how to work with others. You will be able to find out more about your own personality and why some people may drive you crazy while others always seem to be on the same page as you.

A link to participate in the meetings above will be sent to your 4HOnline email account one week prior to the meeting. Contact Emily Haver if you are unable to access the link or a computer.

## Welcome to the 2019 Carbon County 4-H Archery season!

**\*You will need to be registered for 4-H Archery before attending the first meeting.\*** Register at <https://www.4honline.com/> Age Division: Make sure YOU know what 4-H age division you qualify to shoot in. Ask the extension office for verification if you are unsure.

4-H Archery will start, Monday, March 25th at the Rec Center. Practice will be from 6-7pm for Junior shooters and Intermediate/Senior shooters will practice from 7-8pm, even on the first practice. Parents will need to attend the first practice to sign permission slips and pay Rec Center dues. Please come with a check, or cash to pay the Rec Center shooting range dues. The rec center usually works out a deal with us so that the shooters only have to pay  $\frac{1}{2}$  the original cost. Please fill all paperwork out at the front desk of the Rec Center.

**Prior to March 25th-** All shooters are required to schedule a time to meet with Cale and I to get your bow set up. Call or Text: Cale- 307-321-2643 or Jacinda 307-321-2643. You won't be able to participate on the 25th if you haven't made an appointment with us.

**Equipment:** If you are using 4-H equipment, we will get a bow setup for you when you schedule an appointment. For all shooters who already have their own bow, please schedule a time with us to make adjustments to draw length, and sights prior to the first practice.

**Shooters are required to purchase their own arrows. County and State shoot requires 5 arrows. We recommend purchasing a few extras to have on hand.**

We encourage anyone who is truly interested in the sport to purchase their own equipment. Having your own equipment will ensure accuracy and confidence. There are lots of great youth bows out there and we would be more than happy to help you find the one that suits your needs.

**Practice Schedule:** Monday nights at the Rec Center starting March 25th. Junior shooters will shoot from 6-7pm. Intermediate/Senior shooters will shoot from 7-8pm.
