# 2019 Volunteer Trainings

All trainings done via ZOOM, an online learning classroom

## **Support Your Project with Curriculum — March 26, 2019**

Did you know that every project in Wyoming has learning books or learning curriculum to help members learn and grow in the project? During this training we will look at all of the projects that Wyoming has to offer and the wide array of curriculum that you can use to support their learning. This would be a great training for newer families and projects without a leader

## **Working Together — April 30, 2019**

4-H brings together all different kinds of personalities, some of which we might not agree with or even enjoy working with. This training will provide you with ideas on how to work with others. You will be able to find out more about your own personality and why some people may drive you crazy while others always seem to be on the same page as you.

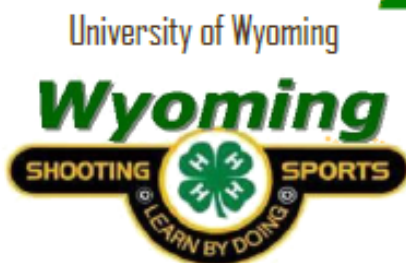

## **DATE CHANGE!!!!**

## **Organizing Club Meetings—May 20, 2019 6:30-7:30PM**

Club meetings can often be chaotic. Members are easily bored and adults monopolize the conversation and learning. This training will provide you with tips and tricks to spend less time doing business and more time learning and having fun.

A link to participate in the meetings above will be sent to your 4HOnline email account one week prior to the meeting. Contact Emily Haver if you are unable to access the link or a computer.

# 2019 4-H Shooting Sports Leader Certifications

In the spring months, the Shooting Sports Training Team will be coming to a county near you! If you are a new shooting sports leader or have reached five years since your last training, plan to attend one of these certification/training opportunities.

The program will take place at the National 4-H Youth Conference Center, just 1 mile from the Washington, D.C. border. For more than 50 years, thousands of 4-H'ers have participated in our high school program, Citizenship Washington Focus and now we are happy to introduce its precursor for middle school 4-H'ers, LWF. Middle school 4-H delegates will:

- Build confidence in their ability to motivate and direct others in meaningful action
- Practice effective communication with others through group discussion and public speaking
- Work with others to create and accomplish goals
- Develop an understanding of their own personal leadership style
- Exchange ideas, practice respect, and form friendships with other 4-H'ers from across the nation.
- Experience hands-on learning using the historical backdrop of Washington, D.C.

### Participants will enjoy:

- Motivational speakers and educational workshops that increase individual leadership capability and build life-time skills for success
- Activities that encourage and form new lasting friendships with other 4-H youth An enthusiastic staff of young adults that work directly with them
- Participants are immersed in the culture and history of our nation through on-site workshops at D.C.'s most spectacular sights.

### Destinations include, but are not limited to:

- White House and Lafayette Park
- Ford's Theatre
- National Archives
- Presidential and war monuments and memorials
- Smithsonian museums
- and more!

One of the week's signature events, called "Nightview," is a spectacular evening tour where delegates will reflect on the different types of leadership conveyed through the symbolism of our national monuments and memorials.

In between tours, youth can relax at the National 4-H Youth Conference Center, Washington, D.C.'s premier youth and leadership hotel. The hotel is situated on a 12-acre campus, minutes from downtown D.C., featuring a hotel café all-you-can eat buffet, 24-hour uniformed security, a fitness center, full-court basketball and volleyball court, recreation room with pool tables and arcade games, free parking, and more. (all adult chaperones will be selected by the State 4-H Office)
