# 2019 Volunteer Trainings

All trainings done via ZOOM, an online learning classroom

## **Support Your Project with Curriculum — March 26, 2019**

Did you know that every project in Wyoming has learning books or learning curriculum to help members learn and grow in the project? During this training we will look at all of the projects that Wyoming has to offer and the wide array of curriculum that you can use to support their learning. This would be a great training for newer families and projects without a leader

## **Working Together — April 30, 2019**

4-H brings together all different kinds of personalities, some of which we might not agree with or even enjoy working with. This training will provide you with ideas on how to work with others. You will be able to find out more about your own personality and why some people may drive you crazy while others always seem to be on the same page as you.

## **DATE CHANGE!!!!**

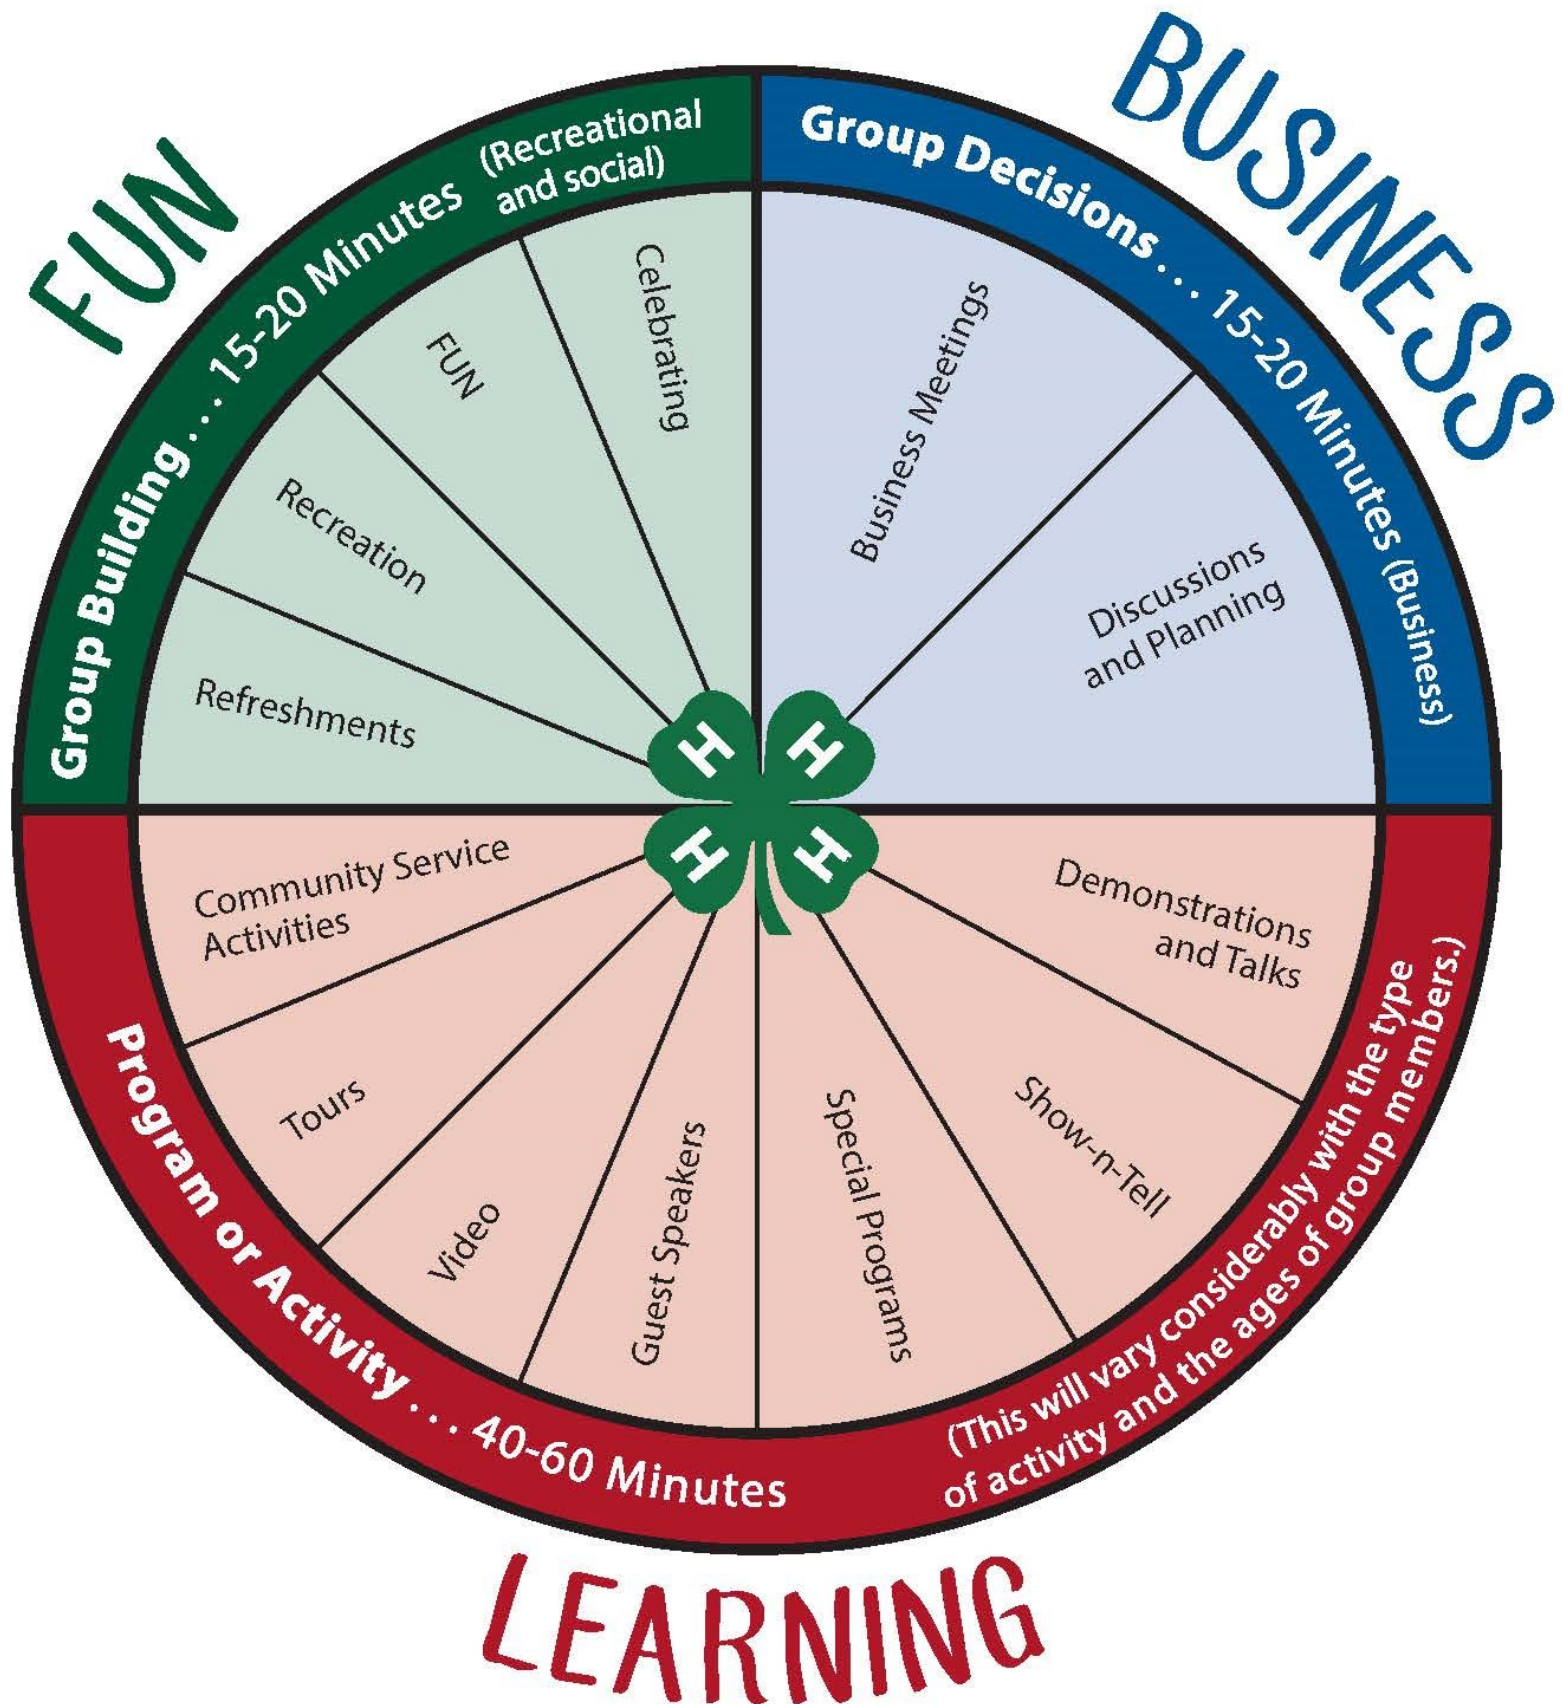

## **Organizing Club Meetings—May 20, 2019 6:30-7:30PM**

Club meetings can often be chaotic. Members are easily bored and adults monopolize the conversation and learning. This training will provide you with tips and tricks to spend less time doing business and more time learning and having fun.

A link to participate in the meetings above will be sent to your 4HOnline email account one week prior to the meeting. Contact Emily Haver if you are unable to access the link or a computer.
