Opportunities

Host a 4-Her from another country! Through the International 4-H Youth Exchange

Meet Nerys! She is coming to Wyoming from her family farm in Wales! She is 21 years old and raises sheep and beef as well as horses for hunting and show ponies. Nerys has been active in the Young Farmer's Club where she has held leadership positions and helped organize stock judging practices. She is also competitive in stock judging herself placing 3rd in the national Smithfield live and dead competition. Nerys is very excited to be able to experience ranch life in Wyoming.

To Host Nerys:

Host family stays for Nerys will be August 19 to September 9; September 9 to September 27; September 27 to October 18; and October 18 to November 5.

Nerys will join in everyday activities, help with chores and otherwise fit in as a sister and daughter. No special activities need to be planned, although most families and IFYE's enjoy the opportunity to take occasional sightseeing trips to local attractions and landmarks during the visit. The host family needs to provide meals and lodging while Nerys is with you and may be asked to provide transportation for her during and between host family stays as necessary. Nerys does not necessarily need a private room though the program requires that she is provided with her own bed.

Contact Kim Reaman, Wyoming IFYE Coordinator if you have questions, would like to visit personally about the opportunity or to request an application: 307-760-8703 (cell); 307-766-3562 (office); or kreaman@uwyo.edu.
