CLUB REPORTS

RAWLINS
RELIABLES

Taylah French did a presentation about how to show a dog and Zoey Vallot did a presentation on how to show a rabbit. Club members set up a committee to do our senior send off night at our next meeting and we talked about the showcase showdown.

B.E.V.O.

We had some new business about Ed-ops in the state such as AI breeding and the equine ed-op at the community center. Many members also presented demonstrations such as tagging cows, feeding bottle calves, running with a football, livestock judging, and braiding.

HARDY HANNA
HARVESTERS

April meeting 4/10/23

Start time: 6.35 End Time: 7:13

Old: Community service ideas. Possible Community Service at the Elk Mountain Park. Chief's won the super bowl.

New: Community Service Ideas.

Presentations: Destry with his gun, Mckinlee with painting.

Next Meeting: May 8th, 6:30 Presenters: Lori

Congratulations!

Facilitating Youth Sparks

A spark is a passion for a self-identified interest or skill, or a capacity that metaphorically lights a fire in an young person's life, providing energy, joy, purpose, and direction .

Mary E. Arnold, Ph.D.

Professor and 4-H Youth Development Specialist
College of Public Health and Human Sciences
105 Ballard Hall
Corvallis, OR 97331
mary.arnold@oregonstate.edu

Oregon State University
**College of Public Health
and Human Sciences**

Youth sparks are an essential ingredient of thriving. Having a spark or sparks gives a young person a sense of direction and encourages goal setting. Sparks are different from mere leisure activity in that:

1. **Sparks create actions** that not only contribute to the benefit of the young person, but also society at large;
2. **Sparks provide the intrinsic fuel** for a young person's growth in knowledge and skill;
3. **Sparks enhance a young person's networks** as he or she encounters others with similar sparks, particularly adults with expertise who can facilitate learning and opportunities for engagement.

Furthermore, sparks appear to be a protective factor for young people, keeping them out of trouble because of the young person's intense focus on the source of their spark. Sparks, in turn, motivate youth to succeed in other areas of their lives, such as personal, social and academic.

Every young person has the potential to have a spark, and 4-H plays an important role in helping young people discover and pursue their sparks. In some cases, it is a matter of helping youth recognize their spark when the spark has already found them!

Because of its emphasis on learning that is driven by a young person's interest, 4-H programs provide a rich context for youth to identify, explore, and sustain their personal interests, often resulting in the development of a young person's sparks. High quality youth program contexts, like those provided in 4-H, are key for facilitating youth sparks. When sparks are encompassed by positive 4-H programs, youth are supported to grow and encouraged to overcome obstacles. In this way, youth are empowered to develop their sparks and to use them to make the world a better place for all.

Courtney Conkle

Got a who, what, when, where, or why question about the Wyoming State Fair? Get your questions answered!

Wyoming 4-H is hosting two nights with WSF Director, Courtney Conkle, where you can ask questions and get answers. At 6:00 pm on Tuesday, May 9th and Tuesday, June 6th, 4-H members, parents, and volunteers are invited to participate via Zoom. Courtney has been the Wyoming State Fairboard's director since 2019. She orchestrates the State Fair with the help of her staff and volunteers. She's has an extensive background in fair management and will be able to answer your questions. If you've competed at the Wyoming State Fair in the past, or are considering attending, here's a chance to chat about the 2023 Wyoming State Fair and what to expect.

The legacy continues with the 2024 NILE Merit Heifer Program

An incredible opportunity for today's youth to get involved in the cattle industry is the NILE Merit Heifer Program. Applications are now being accepted for the 2023-2024 year.

The NILE Merit Heifer program is a live animal scholarship. Recipients receive a heifer calf to help them get a start in the beef cattle business and gain knowledge about the beef industry. During the program, participants are responsible for caretaking, record keeping, breeding, and bringing the heifer back to the NILE Stock Show as a bred heifer to compete for honors such as top showman, top heifer, and top herdsman.

Program participants are chosen based on merit, future goals, and ability to care for the animal. 4-H or FFA members who are 12-16 years old may apply. Applicants are not limited to Montana residents.

This program is possible due to the generous support of our donors, and we are truly grateful for the cattle producers who have supported the program since its inception.

The NILE Merit Heifer Program is seeking producers interested in donating a heifer calf for the upcoming year. If you are interested, please contact Shelby at (406) 256-2499.

Applications and a link to the YouTube video must be submitted via email to shelby@thenile.org no later than June 30, 2023. No hard copies will be accepted. The 2024 recipients will be announced in late summer of 2023. Applications are available online here.

Application Requirements:

Complete application

Six character references (three to contact; three letters of reference)

Written essay

3-5 minute YouTube video (should include, but is not limited to):

An introduction

Facility tour

Current 4-H/FFA projects

Goals and objectives for the Merit Heifer

Voiced by the applicant

Example YouTube videos can be seen here.

For more information regarding the NILE Merit Heifer Program, please email Shelby at shelby@thenile.org or call the NILE Office at (406) 256-2499.
