# CONVERSE COUNTY 4-H NEWS

Spring 2018

Converse County 4-H is in full swing for the 2018 year!

Community Clubs have been busy holding their business meetings, doing community service and planning for the upcoming year. We have many project clubs that have also kicked off the new year and are well underway.

Thank you to all of our awesome volunteers for their countless hours to make these opportunities possible! If you are enrolled in a project that does not have a key leader or project meetings, yet you would like to attend a workshop or get some help, please let us know.

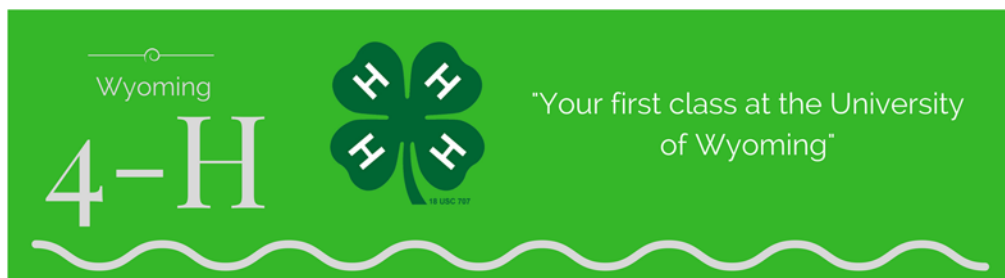

For youth that will be selling their livestock projects through the Jr. Market Sale, please make sure you have met your Quality Assurance requirements. If you are unsure, please contact the office.

As we look toward fair season, please be watching for ownership paperwork deadlines, tagging/weighing dates as well as entry deadlines.

Finally, I would like to encourage you all to be working on your record books, attending meetings and taking part in the full year round 4-H experience!

Enjoy the bursts of springtime in the air with spring break right around the corner!
