

Become a Master Gardener

Online Master Gardener training February 10 through May 12, 2021

Live classes held on Zoom, Wednesdays from 6 to 9 p.m.

Throughout this 14 session training course, you will learn from UW Extension experts and hear from Master Gardener volunteers on how the program has impacted their lives and communities. Whether you are a new gardener or have had dirt under your nails for a long time, you can expect to learn how to successfully grow plants in your landscape and garden in Wyoming's uniquely challenging growing environment.

For more information go to <http://www.uwyo.edu/mastergardener/>, contact Chris Hilgert, the statewide Master Gardener Coordinator at chilgert@uwyo.edu, or call the Goshen County Extension office at 307.532.2436. Cost \$75.00
