August 2024

To whom it may concern,

The South-East Wyoming Beef Symposium & Trade Show is an event focused on bringing livestock producers and industry professionals together for an educational and networking opportunity. My Extension colleagues and I are developing an educational program in Torrington to bring beef industry partners together.

The South-East Wyoming Beef Symposium will be held on November 19, 2024 at the Goshen County Fairgrounds Rendezvous Center in Torrington, Wyoming. We rely on sponsorship from local and regional businesses and organizations to help put on this great event. This is your opportunity to connect with this piece of the agricultural community in South-East Wyoming and gain exposure to potential clients.

As an event sponsor, you will be publicly recognized for your support and have the opportunity to connect with both current and future customers at the event.

If you would like to be a sponsor and have a booth on November 19th, please return the attached sponsor form with payment. We have a few trade show booth spaces remaining, and they will be filled on a first come first served basis.

We look forward to a great South-East Wyoming Beef Symposium and appreciate your support. For more information, contact SAREC at kgreenwa@uwyo.edu or (307) 837-2000.

Best,

University of Wyoming
