August 2026

To whom it may concern,

We invite you to join the University of Wyoming Extension at the **South-East Wyoming Beef Symposium & Trade Show!** This is an event focused on bringing livestock producers and industry professionals together for an educational and networking opportunity.

This year's symposium will be held on **November 17, 2026** at the Niobrara County Fairgrounds in Lusk, Wyoming. The event is scheduled to begin at **9 am and conclude at 4 pm**. We appreciate sponsorship and support from local and regional businesses and organizations to help put on this great event. This is your opportunity to connect with this piece of the agricultural community in South-East Wyoming and gain exposure to potential clients.

As an event sponsor, you will be publicly recognized for your support and have the opportunity to showcase your business and connect with both current and future customers.

If you would like to be a sponsor and have a booth on November 17th, please return the attached sponsor form with payment. We also welcome door-prize donations for the symposium attendees. We have limited trade show booth spaces, and they will be filled on a first come first served basis.

We look forward to a great South-East Wyoming Beef Symposium and appreciate your support. For more information, contact the Sustainable Agriculture Research and Extension Center (SAREC) at kgreenwa@uwyo.edu or (307) 837-2000.

Best,
University of Wyoming Extension Team
