January 26, 2024

To the Johnson County 4-H Community,

After presenting the Johnson County Extension Office end of the year report to the County Commissioners regarding the JC 4-H program, I am reminded that JC 4-Hers learned, had fun, and experienced many successes at the county and state levels. We rose to new heights with enrollment and the numbers for youth involved rose to 329 members. All the opportunities provided to youth that happen in our program can be attributed to the support from a generous community and tremendous commitment to youth development by our 4-H Executive Council, 4-H Committees, Fair Board Committees, the Fairgrounds Foundation, YES Committee and all our adult volunteers. Thanks to all that made 2023 a great 4-H year, we now are in full stride for making an even better 4-H year in 2024.

At the start of a new calendar year, we begin with optimism and high hopes of producing the same and more quality projects, experiences, and quality kids. We have some programming that is underway already and more starting soon! We are continuing our partnership with Buffalo High School and their shotgun club. Indoor shooting sports will be underway when you receive this, Fabric and Fashion leaders are planning summer opportunities, both rabbit and cat are now meeting at least monthly, and we are already putting dates together for the mountain camp committee to start planning! We will continue to have two Clover Bud groups for youth again this year, one here in Buffalo with me and the other in Kaycee with Krystin Alger. Be on the lookout for beef and horse to start up again soon!

We are encouraging ZSuite enrollments and encourage club leaders and members to help in this enrollment. All signs say that club leaders, volunteers within the club and the parents, are some of the greatest influencers for the best first year 4-H experience and for retention in 4-H membership. With new families and members, it is essential for 4-H leaders and other member families to welcome and continually communicate with these families new to 4-H to see if their needs are being met.

At upcoming community club meetings and project activities, please remind our kids to reenroll in ZSuites and see what project areas kids are interested in. If we hear back from some folks about project areas of interest, we will find ways to provide educational programs in those areas. Best experiences happen when 4-H is FUN! Thank you to all of our new and old members, our adult volunteers and all that make 4-H in Johnson County possible. It is because of you that we are able to continue to do the amazing things that we do!

Sincerely,

A handwritten signature in cursive script that reads "Bryce McKenzie".

Because of this, the cages need repaired, and a few of these need to be completely replaced. Hailee is starting rabbit project meetings for 4-H youth and has garnered the support of the local CO-OP who have given Hailee a discount of 75% off items for rabbits to help 4-H youth. What's Your Job? Discussion of 4-H Volunteer Roles

February 19, 2024

6:30 to 7:30 pm

Each year, when you sign up to be a leader, you can choose a volunteer role. What is the difference between the roles? What are the different opportunities to get involved in your county program? This is a great session for current and prospective volunteers to learn more about how they can engage in the 4-H. Being a volunteer can be as simple as managing a Facebook Page to as complicated as running a committee or club. Find out more!

Talk to your local 4-H Educator about hosting a watch party at the Extension Office!
