All units in the campground must be registered and in marked spaces. Spaces are an average of 14' wide, length varies between 8' and 35'. Correct and specific information on this application is vital to assist in the assignment of space allocation. There is one allotted parking spot per unit. **All other vehicles will be towed at the expense of the owner.**

Space Selection Process

Superintendents and livestock chairmen will be given first priority followed by families that live the furthest distance from the Fairgrounds (mileage determined by MapQuest). Please understand that **we have to fit certain units in the right space to accommodate the size. Please make it a priority to mark down how many miles from your house to the Fairgrounds.**

SPACES WITH FULL HOOK-UPS

Because there are a limited amount of spaces with full hook-ups available, preference will be given to applicants who live outside of a 10 mile radius of the Fairgrounds.

SPACES WITH ELECTRICITY ONLY OR NO SERVICE

These spaces with no hook-ups will be in the expanded parking and campground lot east of the ARLC. Absolutely no electrical cords or hoses can be run across the road. Showers inside the Arena are provided.

REMINDER

- ❖ A responsible adult must stay on-site during the entire week.
- ❖ NO DOGS, bikes, skate boards are allowed on the grounds.
- ❖ All generators must be shut down by 11:00 p.m.
