NATRONA COUNTY 4-H “THE FAIR NECESSITIES” EDITION

Dear 4-H Families & Friends:

Fair season is upon us, and it's within your sphere of influence to have it be an incredible experience for your entire family. Here's a few tips from Katie Ockert, Michigan State University Extension to make your Fair week be the positive and enriching experience that it's meant to be for all 4-Her's

Honor the judging process

Judges do their best and everyone needs to respect the process. Keep in mind that this is your child's opportunity to show what they have learned and practiced at home. Will everything go perfectly? Probably not. Take the opportunity to listen and learn from the judge. They are the expert who is getting paid to judge the show or exhibit. If you don't agree with their opinion, don't disparage the judge. By taking part in the contest and the judging process, the exhibitor is asking for the judge's opinion. You may not agree with the judge's decision but teach your child by words and deeds that it's acceptable to have a difference of opinion, be respectful, and that things don't always go your way. That, in itself, is an invaluable lesson. Keep the focus on what they did right not just what went wrong. Every time kids go before a judge, it's a learning opportunity; treat it as such and help them grow and learn so they can continue to improve.

it is not only for
what we do that
we are held
responsible, but
also for what
we do not do.
Moliere

Always practice good sportsmanship in and out of the show ring and throughout the judging process in all project areas

Period. End of discussion. Every family has different resources, different experiences, and different priorities. Model good sportsmanship by congratulating everyone, offering a kind word, don't gossip, and practice compassion and grace, even when it is hard to do. We all have our own situations; you never know when a kind word makes all the difference in the world to someone else. Be kind and a good sport...it's just that easy.

Encourage and support the program requirements

Record books, deadlines, thank you notes, etc. are expected in order to participate. Begrudging these tasks only sets a negative tone for things that are meant to help youth build their skill set, show gratitude, and make for a successful, well-organized fair. Encourage and support your child in these tasks. 4-Her's are learning new things and creating memories while they are doing them, and sometimes those required things can turn out to be very memorable experiences. It all comes back to attitude.

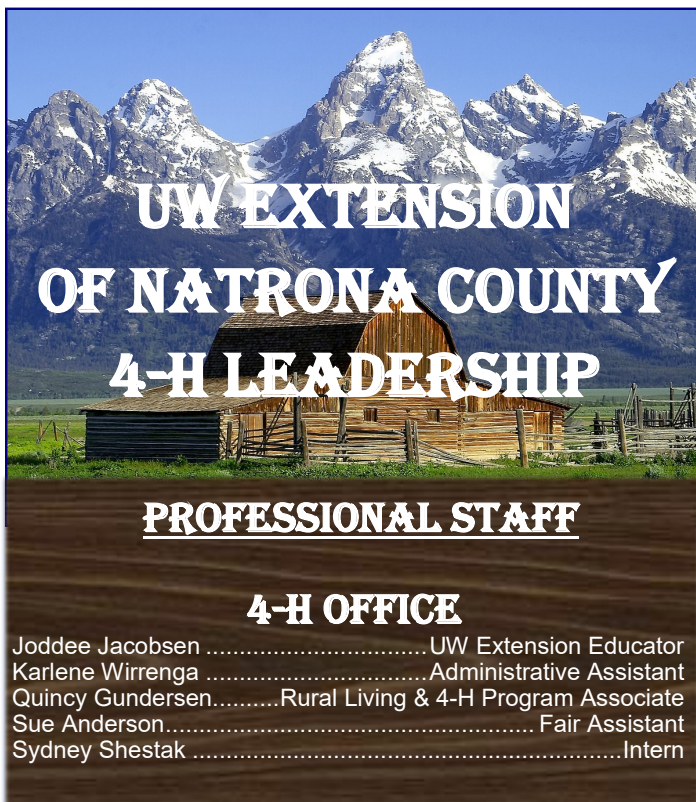

Model a positive attitude

Someone or something will upset you or not go as you would hope during the fair. Remember that practicing patience, extending a lot of grace to others, and paying attention to your own family's experience will eliminate unnecessary drama and hard feelings. Being intentional about finding the good in situations rather than the negative is a great life lesson to teach your child. Not everything is in your control, but you can always control how you respond. The Fair experience is probably the highlight of your child's summer. Make sure to enjoy it with them, make memories, and have it be a positive experience for everyone. Best of luck to all our NC 4-Her's!

Make the Best Better...

QUINCY'S CORNER

Showing livestock animals is more than ribbons, belt buckles, or sale checks. Though this is an exciting part, it is not the most important. The lessons learned from showing animals are those that will stick with us for a lifetime and that's what really matters. Here are 5 reasons our kids should have animal projects!

QUINCY GUNDERSEN
Rural Living & 4-H
Program Associate

- ◆ Once they can catch a goat that doesn't want to be caught, they can do anything.
Confidence is a vital life skill, and life among animals provides many challenges to overcome, from catching a determined goat to coaxing a reluctant pig. The best part is that there's really no choice in the matter -- these things have to be overcome one way or another, so giving up is not an option. And, every time our kids succeed, their confidence will grow.
- ◆ Your kid will grow up humble, the horses will see to that.
Confidence is important, but humility is too, and no one is better at bringing us down a peg or two than our 4-H animals. Horses are probably the acknowledged master at reminding us that we still have a lot to learn. It's almost like they can sense our growing ego, as they never cease to get the timing right, throwing in a buck or stomping on a foot just when we were congratulating ourselves.
- ◆ There's no work like taking care of animals for staying in shape.
If your child grows up showing animals, he or she will be physically fit. There is always physical labor to be done, whether that involves stacking hay bales, cleaning pens, or wrestling some uncooperative animal for the vet. You can bet that neck and back problems from too much computer time will never plague your children if they show animals.
- ◆ They will have a practical, working knowledge of most things.
They may not be a vet or accountant, but children who grow up showing livestock will have a knowledge of medicine, biology, finances, and time management from an early age. Before they are ten years old they will have treated wounds and birthed baby animals, and chances are they'll have a better sense of money and time management than many adults.
- ◆ Life with show animals will make them better people.
Life among animals means that children learn to care for someone other than themselves. Interacting with animals teaches responsibility, communication and patience, and provides a positive model for future human relationships. And perhaps that is the best benefit of all.

SHOWWORKS DEADLINE

Tuesday ~ June 15, 2021

You must enter each of your projects that you are exhibiting at the Fair in ShowWorks.

Tips for Using ShoWorks for On-line Fair entries:

Using ShoWorks and entering your information for Fair is similar to “shopping on-line.” Find the classes you want to enter, add the classes to your cart, review the entries, approve the entries and check-out. You may enter as many entries as you like and add them to your cart. You can review your entries, edit your entries or save the entries in your shopping cart for later. As long as you have saved your entries, you can log out of your account and return later to finish. You may also check-out of the session you are in and return to make additional entries at a later date.

Please read the instructions before you begin.

1. Although you can use the ShoWorks program on your phone or mobile device, it is not always recommended.
2. Create an account with a password. Be sure and save your password in case you need to log back in to your account at a later time.
3. Each exhibitor may have their own account, with their own password **OR**
4. **Families can enter as a “Quick Group”.** By doing this you do not have to create a separate account for each family member and can use the same password for each exhibitor in a family. (To create a Quick Group, click on the “log on” button in the right hand corner of the page).
5. **If you are both a 4-H and FFA exhibitor, you will only need one account.** There will be a drop down menu when you are creating your entries that lets you designate if your project is 4-H or FFA. You will also need to designate your 4-H club or FFA chapter. This information is also listed on a drop down menu in alphabetical order.
6. Make a list of everything you intend to enter before you begin. The classes on the computer match the classes in the Fair book, so you might want to have it handy to refer to. You do need to be enrolled in a project before you can exhibit it at the Fair.

Livestock exhibitors, things you will need to know when creating your entries:

1. Animal date of birthday (for breeding animals)
2. Animal’s ear tag number and whether it was tagged as a 4-H or FFA animal
3. Animal’s scrapie tag #
4. **Showmanship is required for everyone in animal projects. Enter only 1 time for each species** of animal you are showing. If you are showing both 4-H & FFA animals, you will enter 1 time for 4-H and 1 time for FFA.
5. **IMPORTANT: ALL LIVESTOCK SALE EXHIBITORS.** When creating your account and entering your name, please make sure you use your legal name and that it is listed the same way when you sign your W-9 form before the sale. The information provided when you register is what will be printed on your 1099 tax form that you will receive for tax purposes.

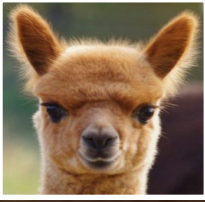

Static exhibits (non-animal):

1. Static Exhibits should be entered individually. Example: you have 6 photographs to be judged, you would enter each photograph individually. For Fabric & Fashion (sewing), you will enter each item you have sewn or created separately. **New for this year: If you are entering multiple projects in the same class, click on the “Add Similar Entry” button, there is a “Autofill from Last Entry” option available, it is located to the left of the screen and is highlighted in blue.**
2. When entering the **Fashion Revue**, enter the entire outfit you are modeling, **do not enter each piece individually** ie: 2 complete outfits, 2 entries
3. Cloverbud exhibits can be entered under the 4-H Static Exhibits (non-live).

MOST IMPORTANT: BE SURE TO PRINT YOUR RECEIPT AND/OR TAKE A SCREEN SHOT WHEN YOU ARE READY TO CHECK OUT. This is the best way for you to keep track of what you have entered and only way for you to verify your entries if a problem were to arise. You will also receive an e-mail confirmation of the entries you have made. If you have any questions, please feel free to call the 4-H Office at 307-235-9400.

2021 QUALITY ASSURANCE

YOUTH PLANNING TO SELL AN ANIMAL THROUGH THE CENTRAL WYOMING FAIR JR. LIVESTOCK SALE MUST COMPLETE A QUALITY ASSURANCE TRAINING EACH YEAR.

The 4-H Quality Assurance (QA) Class teaches youth about the quality of meat and food products that come from livestock. Quality assurance for livestock producers means making a promise to the consumers from food production animals. Quality assurance is a pledge or promise to:

1. provide a food animal product preferred by consumers, and
2. provide a safe, wholesome food animal product. Food animals are those whose products (meat, milk, and eggs) have the potential to become part of the food chain.

The promise made is that products from livestock will be the highest possible quality and 4-H/FFA youth producers will do everything possible to make these products safe to eat and that our sale is of the highest quality.

REQUIREMENTS FOR SALE ELIGIBILITY

- ▶ All FFA (13 and younger), Junior and Intermediate 4-Her's will be required to take **one** QA clinic each year to sell an animal(s) in the Natrona County Jr. Livestock Sale at the Central Wyoming Fair.
- ▶ FFA & Senior members (ages 14- 19) will be required to take one year of QA education to sell an animal(s) in the Natrona County Livestock Sale at the Central Wyoming Fair. If the first year of a livestock project is taken as a Senior, the QA clinic must be taken that same year.

THIS YEAR, CHOOSE ONE OF THE FOUR OPTIONS AVAILABLE:

Option 1: FREE option w/ general content. Must be completed by June 15, 2021. Uinta County will email it to the NC 4-H office. **THE LIVE LINKS ARE LISTED BELOW.** Contact the Uinta County Office with questions (307) 783-0570.

Hello NC 4-H Families!!!

After a crazy year last year with COVID, we wanted to let you know that we will be participating in the Central Wyoming Fair and Rodeo Parade on July 13, 2021. With this, we wanted to promote 4H, thank our wonderful buyers, have ALL kids and families involved right down to our Cloverbuds. We want everyone to wear their club shirts and make signs showing what your favorite part of 4-H. We will also be handing out flyers throughout the parade with all the activities that 4H has to offer. However, if you are showing that day, please don't feel obligated to participate in the parade. There are plenty of kids that can fill in.

Copy and paste the link and let us know if you would like to participate:

ULTRASOUND

- ULTRASOUNDS will begin on Sunday, July 11, 2021, at 11:00 a.m. for (1st) beef, (2nd) goats. and (3rd) sheep. Swine ultrasounds will be on Monday, July 12, 2021.
- Standards for each species are at the 4-H Office. All market animals that meet the minimum weight requirement will receive an ultrasound evaluation. That service is paid for by the Central Wyoming Junior Livestock Sale Committee.
- Please do not ask what your animal's ultrasound scores are. You will receive a copy when the market show is over. All results will be posted as soon as possible after their respective show.
- Show judges will have the opportunity to view the ultrasound information after Division Champions are chosen and before Overall Market Champions are chosen.
- They will review the results on "sifted" animals for a final determination if the animal is "market quality" for the sale. "Sifted" animals will then leave the Fairgrounds. If it is your only animal, it will leave after the showmanship contest.

ARMBANDS & CAR PASSES

Information regarding armbands and car passes will be sent out at a later date once details are finalized, so be watching your email.

CENTRAL WYOMING JUNIOR LIVESTOCK SALE

- If your animal loses an ear tag or dies, you need to notify the 4-H Office as soon as possible.
- Underweight animals will all go home after they pass over the scale and are released by the Barn Superintendent for that species. If this is your only animal that you have for Fair, it may be used for the showmanship contest and then will be released by the Barn Superintendent for that species. Anyone wishing to use an underweight animal for Wyoming State Fair needs to notify the Barn Superintendent, 4-H Educator, or FFA Advisor.
- Judges will be asked to “sift” animals for sale quality. Ultrasound results will be considered in this process. Only animals found to meet quality standards will be allowed to sell. The Barn Superintendent will schedule a release time with exhibitors.
- All fees, commissions, etc., will be deducted from your check(s) before you receive it.
- All animals and exhibitors not at the gate when called will go to the end of the sale order.
- All animals must be returned to their stalls after they are sold. Load out order will be posted as soon as possible after the Central Wyoming Junior Livestock Sale. Wyoming State Fair animal load-out will be Saturday evening with times to be determined by the Barn Superintendent. All sale animals will load out Sunday morning beginning at 7:00 a.m., approximate times will be posted. If your animal is not there when it is called to load, your sale is null and void.
