QUINCY'S CORNER

We survived all the entries and deadlines (thank goodness), so now it's just a few short weeks until the fair!

It's a busy couple of weeks of perfecting your leather projects, working with your steers, or packing up show boxes. Whatever you are doing to prepare for fair, make sure that one of them is constantly checking your emails, checking the 4-H Facebook page, reading the 4-H newsletter, and looking through the fair book. Knowing all the details will help make things run smoothly and make your fair experience awesome!

If you have any questions please reach out to the 4H office. Let's make the 2021 Central Wyoming Fair and Rodeo a great one and good luck to all of our contestants!

MEET THE INTERN...

Hi! My name is Sydney Shestak and I am from a small town in Nebraska called Ayr. I graduated from Adams Central Jr.-Sr. High School in 2019 and am now attending the University of Wyoming. I will be a junior in the fall, studying animal science with a minor in agriculture business. I have an older sister that attended the University of Nebraska-Lincoln, a younger brother that will be a sophomore in high school coming up in the fall of 2021 and of course my dog who is a 5 years old coon hound mutt. Some things that I enjoy to do include:

Enjoying the outdoors
Hunting and fishing
Going to the lake
Being around horses and cattle
Visiting new places

Since graduating high school, I have traveled Europe, lived in Laramie, Wyoming, Elk Mountain, Wyoming and now Casper, Wyoming. I love seeing all of the new places and especially driving to these places with friends by my side. A couple of places that I haven't been yet, but would love to go are Mexico and Montana. One place that I have been and want to go back to is Canada! I went when I was really young and would love to have that experience again.

I was involved in 4-H throughout elementary school and junior high. I competed in shooting sports, baking, horticulture, and gardening. I was also involved in FFA throughout high school where I commonly competed in livestock judging, land judging, and vet science competitions. Currently, at the University of Wyoming, I am involved in their Wyoming Collegiate Cattleman's Association.

Hello NC 4-H Families!!!

After a crazy year last year with COVID, we wanted to let you know that we will be participating in the Central Wyoming Fair and Rodeo Parade on July 13, 2021. With this, we wanted to promote 4H, thank our wonderful buyers, have ALL kids and families involved right down to our Cloverbuds. We want everyone to wear their club shirts and make signs showing what your favorite part of 4-H. We will also be handing out flyers throughout the parade with all the activities that 4H has to offer. However, if you are showing that day, please don't feel obligated to participate in the parade. There are plenty of kids that can fill in.

Copy and paste the link and let us know if you would like to participate:

- **WEIGHTS:** All species have specific minimum and maximum weight requirements that will be followed. Except for showmanship, all under weight and sifted animals will not be shown. For details regarding leaving the grounds, refer to the 2021 Fair Book (see link on page #6).

ULTRASOUND

- ULTRASOUNDS will begin on Sunday, July 11, 2021, at 11:00 a.m. for (1st) beef, (2nd) goats. and (3rd) sheep. Swine ultrasounds will be on Monday, July 12, 2021.
- Standards for each species are at the 4-H Office. All market animals that meet the minimum weight requirement will receive an ultrasound evaluation. That service is paid for by the Central Wyoming Junior Livestock Sale Committee.
- Please do not ask what your animal's ultrasound scores are. You will receive a copy when the market show is over. All results will be posted as soon as possible after their respective show.
- Show judges will have the opportunity to view the ultrasound information after Division Champions are chosen and before Overall Market Champions are chosen.
- They will review the results on "sifted" animals for a final determination if the animal is "market quality" for the sale. "Sifted" animals will then leave the Fairgrounds. If it is your only animal, it will leave after the showmanship contest.

CENTRAL WYOMING JUNIOR LIVESTOCK SALE

- If your animal loses an ear tag or dies, you need to notify the 4-H Office as soon as possible.
- Underweight animals will all go home after they pass over the scale and are released by the Barn Superintendent for that species. If this is your only animal that you have for Fair, it may be used for the showmanship contest and then will be released by the Barn Superintendent for that species. Anyone wishing to use an underweight animal for Wyoming State Fair needs to notify the Barn Superintendent, 4-H Educator, or FFA Advisor.
- Judges will be asked to “sift” animals for sale quality. Ultrasound results will be considered in this process. Only animals found to meet quality standards will be allowed to sell. Notification of sifted animals will be made. A written explanation of why the animal was sifted will be given to you. All sifted animals will be excused from the Fairgrounds. The Barn Superintendent will schedule a release time with exhibitors.
- All fees, commissions, etc., will be deducted from your check(s) before you receive it.
- All animals and exhibitors not at the gate when called will go to the end of the sale order.
- All animals must be returned to their stalls after they are sold. Load out order will be posted as soon as possible after the Central Wyoming Junior Livestock Sale. Wyoming State Fair animal load-out will be Saturday evening with times to be determined by the Barn Superintendent. All sale animals will load out Sunday morning beginning at 7:00 a.m., approximate times will be posted. If your animal is not there when it is called to load, your sale is null and void.
- All youth will be allowed to sell two qualifying animals. All Overall Grand Champion and Overall Reserve Grand Champions are required to sell.
- **A signed seller’s agreement must be on file at the Youth Fair Office on the Fairgrounds by 11:00 a.m. Thursday, July 15, 2021. NO EXCEPTIONS**
