NATRONA COUNTY 4-H "PREP & ORGANIZE" EDITION

Dear 4-H Friends & Families:

4-H volunteers are the heart of 4-H programming by supporting and guiding Natrona County 4-H youth members. Everyday heroes like our volunteer leaders can and do change the world and with their help 4-H members are developing skills to become responsible, caring and contributing individuals, affecting positive change in the world around them.

Here are seven signs that you are one of those amazing 4-H volunteers affecting one child at a time and creating positive change in the community around you:

You Love to Connect with Others

You are great at creating connections with youth, their families and community members, making everyone feel welcome! Being self-aware, listening and showing compassion for others are all traits of excellent 4-H volunteer leaders. You use this ability to create a safe, fun and inclusive environment for 4-H members, allowing youth to grow as responsible, caring and contribution leaders themselves.

You're Authentic

4-H is all about youth working in partnership with caring adults. You know that youth-adult partnerships are an opportunity for members and leaders to authentically collaborate, and that genuinely valuing their contributions builds trust and adds to their sense of accomplishment and confidence.

You're Motivated by Passion

Sharing your knowledge and passion with youth is the best way to inspire and help them get excited about the projects they are completing, the skills they are learning and may even shape the path they choose for their future. You help youth grow by sharing your expertise and experiences through programming in sustainable agriculture, science and technology, community service, the environment and healthy living... or all the above!

You Believe in Building on Strengths

We all know that the key to positive youth development is about recognizing a person's strengths, and helping them to grow these assets through hands-on learning opportunities. You are great at helping youth identify their own strengths and at encouraging them to find opportunities to cultivate these skills and use them to benefit their clubs and communities. As a leader, you focus on the positive and find meaningful roles for all 4-H club members to play, offering plenty of ways for youth to challenge themselves and feel a sense of accomplishment.

You Demonstrate Decision Making Skills

Decision making is an incredible skill that 4-H youth learn and it stays with them for life. By modelling this skill and working in partnership with club members you give them the opportunity to make important decisions about the running of your 4-H club. You lead your members in the weighing of different club needs or activities, consultations and collaborations, and in making decisions that they feel proud and certain of.

You Rise to Any Occasion

Great 4-H leaders recognize that the best growth happens when youth take safe risks and challenge themselves to **Learn to Do by Doing**. Sometimes 4-H volunteer leaders are challenged to Learn to Do by Doing alongside members. You rise to the occasion, and show your members how to reflect on the challenges and celebrate the successes in equal measure.

You Love to Have Fun!

Great volunteer leaders know that 4-H is about more than the mastery of skills and competition. It's about making friends, having new experiences, and learning in a safe, fun, and inclusive environment. If you're a leader who is not afraid to try something new and who promotes club meetings filled with laughter, then you are most definitely a 4-H volunteer leader!

To all our 4-H volunteers, thank you for your enthusiasm and dedication to 4-H in Natrona County! Together, we are encouraging youth to develop new skills and to make a positive change in the world around them.

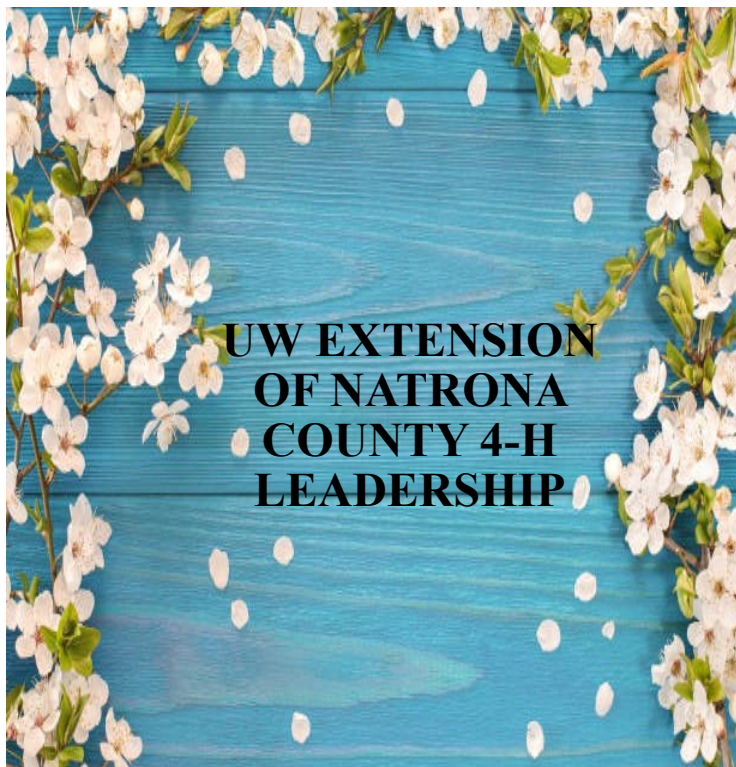

MAKE THE BEST BETTER,

QUINCY'S CORNER

We have some important dates coming up this month!

April 12th is our only in-person quality assurance opportunity this year. Juniors will work with Windy City FFA and learn about Vet Science from the FFA members. Intermediates and Seniors will meet with UW Meat Science Professor Cody Grifford to learn about how handling affects meat quality.

April 29th is the add/drop deadline. This is just declaring in Zsuite which project areas you want to participate in. You can still go in after this deadline and edit the information for your project. For example, if you had a market lamb, you could go in after **April 29th** and add ear tag numbers, pictures, etc. However, you cannot add more projects. Say you were signed up for photography and breeding sheep, at this point you can no longer add another project, say Alpacas.

April 30-Goat and sheep tagging will be at the CWFR Hog Barn. We will start with sheep this year at 9 AM. Goats will follow starting at 10:30 AM. Please bring ownership papers and make sure every animal has a scrapies tag. Sheep will be \$10/sheep and goats will be \$5/goat. There will be a hardship date **Tuesday, April 26th starting at 4:30 pm.** You must call the 4-H office if you plan on attending the hardship date. Market Sheep and Market Goat information must be uploaded into Zsuite by **June 15th**, including two pictures. See the Zsuite upload instructions in this newsletter.

May 2nd is the deadline for Rabbit, Dog, and Cat Id forms. We are going back to the paper form this year. These are available at the 4-H office for pick up.

Message from the Livestock Sale Committee

Rule as voted on at December Board Meeting:

"If an exhibitor sold livestock in Natrona County at the Central Wyoming Junior Livestock Sale and any other county fair livestock sale in the previous year, then the exhibitor shall have the privilege of selling only one animal in the current year's Central Wyoming Junior Livestock Sale"

Exceptions added at the January 18th Sale Committee Meeting:

An allowance will be made only for the 2022 sale only for members who have previously purchased, received title, and fed beef with the intent of selling three head of beef in 2022. This allowance will have to be presented to both the 4-H Educator (jjacobsen@natronacounty-wy.gov) and Livestock Sale Chairman (burtandreen@gmail.com) for approval before or at time of beef tagging.

Furthermore, the opportunity will be allowed for members who wish to sell two head of livestock in the 2022 Central Wyoming Junior Livestock Sale and sold in another county sale in 2021 with the following requirement: Members will have to indicate on their sale nomination contract that there is no intent to sell in another county sale in that same calendar year with the understanding that contract breach could result in voided sale of both animals sold at the Natrona County Junior Livestock Sale.

G. William Hurley Health and Education Trust

1738 South Poplar

Casper, WY 82601

Deadline: April 18, 2022

Announcement of Award: May 6, 2022

Overview:

G. William Hurley was a Professional Geologist and oil and gas investor located in Casper for over 50 years. Bill embraced the value and power of education. After his death in 2021 a trust was created to fund education for individuals. Award for these funds will be based on answers below and trustee discretion.

Amount of Award: Varies, for all or a portion of **TUITION AND FEES ONLY** to accredited schools, for one or two semesters at trustee discretion, award sent to school directly.

Directions: Please submit complete answers to the questions below in a page or less and attach a copy of the proposed school cost of Tuition and Fees:

- Tell us about yourself and your future goals.
- Tell us about your work history and activity participation.
- What is your GPA and ACT or SAT Score? If GPA is below 3.0 provide further explanation.
- What other sources of financial assistance have you received or believe you will receive.
- What school will you be attending and what is the amount of tuition and fees?
Attach print out showing your schools tuition and fees
- Bill would use the phrase "This is a hand-up not a hand-out" when helping others. Tell us how this award will be a hand-up for yourself rather than a hand-out.
- Contact information

Applications may be mailed to Hurley Oil Properties, 1738 South Poplar, Casper Wyoming 82601 or emailed to JGutierrez@HurleyOil.com or CStrand@Casperacct.com . If selected for award additional information will need to be submitted including W-9 and verification of enrollment. Awards are taxable and recipients will receive a K-1. Trustees will be in contact with applicant.

Youth Entrepreneurs

ENTREPRENEUR DEVELOPMENT WEEKEND

01

Entrepreneur Overview

The process of setting up a business is known as entrepreneurship. The entrepreneur is commonly seen as an innovator, a source of new ideas, goods, services, and business/or procedures.

02

Management Plan

A management plan provides the opportunity to explain the objectives, goals, and planned procedures of your business in detail.

03

Market Analysis

Market research blends consumer behavior and economic trends to improve your business idea. It's crucial to understand your consumer base from the outset and lets you reduce risks even while your business is still just a gleam in your eye.

04

The "Pitch"

A business pitch is a business plan that you present to help explain and to secure funding.

ELEVATE YOUR IDEAS!

Have an idea for a business, but don't know where to start?

The 2022 Rocky Mountain Youth Entrepreneur development weekend is for you!

ABOUT THE WEEKEND...

This intensive, FREE weekend will be an incredible opportunity for youth 14 and older to establish a business plan, strategize future vision, meet like-minded peers, and be inspired by business professionals. Scan the QR code to register!

Where will you be going with your animals?

***Health requirements must meet the requirements of the state you are entering.

INTERstate movement - is transporting livestock across state lines. Wyoming entry requires:

-  Sheep need a C.V.I. and a brand inspection
-  Cattle need a C.V.I. and a brand inspection
-  Swine need a C.V.I.
-  Goats need a C.V.I.

INTRAstate movement - is transporting livestock within the state borders. Wyoming requires:

-  Cattle and Sheep need a brand inspection to cross county line borders.

Note: No C.V.I. is required but some events may have their own participation requirements. Be sure to check.

Buying an animal...

From in-state?

- * Seller should provide you with a bill of sale.

-  Cattle and Sheep also need a brand inspection.

From out-of-state?

- * Seller should provide you with a bill of sale.
- * Seller should provide you with an interstate C.V.I. that includes a Wyoming Import Permit Number

-  Cattle and Sheep also need a brand inspection.

Selling an animal...

Staying in-state?

- * You should provide buyer with a bill of sale.

-  Cattle and Sheep also need a brand inspection.

Going out-of-state?

- * You should provide buyer with a bill of sale.
- * You should provide buyer with an interstate C.V.I.

-  Cattle and Sheep also need a brand inspection.

Brand Inspections:

- Anyone selling, or transporting, cattle or sheep across county or state borders (for any purpose) are required to obtain a brand inspection. Pigs and goats do not need a brand inspection only health inspections.
- If you plan on transporting or selling, livestock contact your county's brand inspector to do a physical inspection of your animal(s) and provide you with the proper brand inspection paper.
- Find an inspector near you at: <https://wlsb.state.wy.us/public-contacts>

In the State of Wyoming there are different brand inspection options depending on the purpose of the movement(s):

Form "A" - a document that is used for intrastate and/or interstate movement of livestock, also issued for a change in ownership.

Good for only one trip.

Cost: \$1.85/cattle, \$0.40/sheep + one trip charge

Form "B" - a document issued at licensed Wyoming livestock markets as a title and clearance to destination.

Cost: \$1.85/cattle, \$0.40/sheep + one trip charge

Form "L" - a document issued as a permanent, lifetime inspection to the owner of livestock used for rodeo, show, pleasure, or work. Is void upon change of ownership.

Cost: \$23.00/per animal + one trip charge

Form "H" - a document issued for intrastate movement of work, show or rodeo stock good for one-year from the date of issue.

Cost: \$16.00/per animal + one trip charge

***Each form type has a fee schedule assigned to it. Along with the form fee, brand inspectors charge a **trip charge of \$11.25** for each time they do an inspection. If you are planning on transporting your animal numerous times within the year it may be financially feasible to purchase a form "A" or "H". Discuss the possibilities with your brand inspector.

✿ Going to a show, jackpot, camp, or clinic?

✿ Selling an animal?

✿ Buying an animal?

✿ What documents do you need to have?

Certificate of Veterinary Inspection (C.V.I.)

- All producers importing or exporting livestock **into** the State of Wyoming are required to have a C.V.I. from an accredited and licensed veterinarian.
- Animals moving **within** the state do not need a C.V.I. unless the venue they are traveling to requires it. This includes sheep, swine, goats, and cattle.

C.V.I. Requirements:

- Inspections must be completed on each animal.
- Individual identifications must be written on the certificate for each animal.
- All animals must be current on required vaccinations.
- C.V.I. needs to include the Wyoming Entry Permit Number per *Wyo. Livestock Board Rules, Chap 8*. (from the state entering).

EXHIBITORS — Youth exhibiting livestock will need to check with show guidelines to be sure and include any additional special, or required, statements on the C.V.I.

2022 QUALITY ASSURANCE

YOUTH PLANNING TO SELL AN ANIMAL THROUGH THE CENTRAL WYOMING FAIR JR. LIVESTOCK SALE MUST COMPLETE A QUALITY ASSURANCE TRAINING EACH YEAR.

The 4-H Quality Assurance (QA) Class teaches youth about the quality of meat and food products that come from livestock. Quality assurance for livestock producers means making a promise to the consumers from food production animals. Quality assurance is a pledge or promise to:

1. Provide a food animal product preferred by consumers, and
2. Provide a safe, wholesome food animal product. Food animals are those whose products (meat, milk, and eggs) have the potential to become part of the food chain.

The promise made is that products from livestock will be the highest possible quality and 4-H/FFA youth producers will do everything possible to make these products safe to eat and that our sale is of the highest quality.

REQUIREMENTS FOR SALE ELIGIBILITY

► All FFA (13 and younger), Junior and Intermediate 4-Hers will be required to take **one** QA clinic each year to sell an animal(s) in the Natrona County Jr. Livestock Sale at the Central Wyoming Fair.

► FFA & Senior members (ages 14- 19) will be required to take one year of QA education to sell an animal(s) in the Natrona County Livestock Sale at the Central Wyoming Fair. If the first year of a livestock project is taken as a Senior, the QA clinic must be taken that same year.

THIS YEAR, CHOOSE ONE OF THE FOUR OPTIONS AVAILABLE:

Option 1: FREE option w/ general content. Must be completed by June 15, NC 4-H office. Contact the Uinta County Office with questions (307) 783-057

Option 2: \$12 Youth for the Quality Care of Animals (YQCA) is a national multi-species quality assurance program for youth ages 8 to 21 with a focus on three core pillars: food safety, animal well-being, and character development. YQCA website at <http://yqca.org/> **Certificate of Completion is due to the 4-H Office by June 15, 2022.**

Option 3: FFA has Quality Assurance as part of their FFA coursework. The FFA advisor may sign-off to verify that the requirement has been met for that member to sell in the 2022 4-H/FFA Jr. Livestock. **Signed form is due to the 4-H Office by June 15, 2022.**

Option 4: Attend the in person clinic provided by the Natrona County 4-H office. There will be one in person opportunity for Intermediates and Seniors and one for Juniors. Check Facebook and the newsletters for upcoming opportunities.

Especially for leaders...

16 SIMPLE WAYS YOU CAN LEAD ENGAGING MEETINGS

Dan Rockwell | March 11, 2022 Leadership Freak

Plan for engagement if you want engaging meetings.

1. Have a member of the team lead the meeting. Help them prepare. Discuss facilitation skills and let them give it a go.
2. Assign each agenda item to a team member. Their job is to introduce the topic and lead the discussion.
3. Prepare people to engage. Add a discussion question to each agenda item.
4. Share the agenda in advance.
5. Divide large teams into small groups for discussion. Ask each small group to report potential action items after their discussion.
6. Remember questions that begin with 'don't' or 'do' call for short answers. "Don't you agree," doesn't create conversation.
7. Ask questions that begin with 'what' or 'how'.
8. Ask an individual on the team, "What's coming to mind for you?"
9. Create urgency by assigning a fixed time to the meeting.
10. Seize an opportunity instead of fixing a problem. Ask each person to bring an untapped opportunity to discuss.
11. Identify and choose a small action step. Have a speed round. Everyone has 30 seconds to make one suggestion.
12. Create accountability. "In our next meeting please plan to report on the specific actions you took to move this agenda forward." Be sure to identify, discuss, and commit to specific actions during the meeting.

LEARN TO CODE THIS SUMMER AND CHANGE THE WORLD!

GET THE SKILLS, NETWORK, AND CAREER RESOURCES
YOU NEED TO SUCCEED WITH GIRLS WHO CODE'S
FREE VIRTUAL SUMMER PROGRAMS.

MORE THAN CODE

Girls Who Code empowers students to learn, connect, and make an impact through our free, virtual Summer Immersion Program and Self-Paced Program.

PROGRAM OPTIONS

Choose from a 2-week immersion program featuring industry-leading partners and a 6-week self-paced program that lets you learn and build community on your own schedule.

ELIGIBILITY

Girls Who Code's summer programs are for current high school students who identify as girls or non-binary. All experience levels are welcome and encouraged to apply!

PROGRAMS AVAILABLE JUNE 17–AUGUST 12, 2022

GET STARTED TODAY AT
[GIRLSWHOCODE.COM/SUMMERAPPLY](https://girlswhocode.com/summerapply)

WHAT STUDENTS ARE SAYING

"This program has helped my confidence levels so much. I've never doubted that girls could be good at coding or be in STEM fields. I've just doubted that I could be. This program gave a whole different definition to believing in myself, and it definitely taught me how. And it wasn't the program by itself that did that but the amazing instructors and community, so thank you all!"

— GWC Alumna

SUPPORT BEYOND THE SUMMER

Both programs introduce participants to inspiring role models in the tech industry and offer exclusive alumni benefits and career support for life, including our Hiring Summit, pre-internship programs, and virtual mentoring.

2022 4-H Essay Contest

The Foundation for the Preservation of Honey Bees is pleased to announce the topic for its 2022 4-H Essay Contest: Transportation: Minimizing Stress on Bees While Getting Them Where They Need to Be Each year, approximately 1.5 million honey bee colonies make the trip to California to pollinate almonds, mostly via large trucks. The movement of these colonies, along with another half million colonies based in California, constitute the largest insect migration event in the world (albeit assisted migration). Many beekeepers often need to move colonies to various apiary locations, or for local pollination, etc. What are the major stresses on bees during local and long-distance* transportation?

In your essay, please give specific examples for how those stresses can be minimized when moving colonies within an apiary, during short-distance movement among local apiaries, and during long-distance movement across state lines. Writers are encouraged to include photos and interviews with commercial beekeepers, citing state laws for the transport of bees.*Long-distance bee moving is any move that cannot be accomplished in one night, and therefore the load must be netted so that the bees don't fly off the truck during the day.

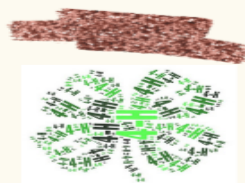

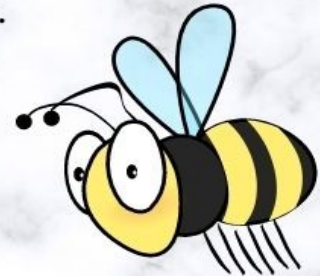

Any other beehive movement can be considered local even though it may be a 250-mile trip or longer. Additional information on eligibility, essay requirements and deadlines(May 15, 2022) is available on our website here. <http://preservationofhoneybees.org/essays>

Especially for Volunteers...

4-H Volunteer Leaders' Creed

The 4-H member is more important than the 4-H project:

- 4-H members should be their own best exhibit.
- No award is worth sacrificing the reputation of a member or a leader.
- Competition should be given no more emphasis than other fundamentals of 4-H work.
- Enthusiasm is caught, not taught.
- To learn by doing is fundamental in any sound educational program and is characteristic of the 4-H program.
- Generally speaking, there is more than one good way to do most things.
- Every 4-H member needs to be noticed, to feel important, to win and be praised.
- Our job as a 4-H volunteer is to teach 4-H members.

4-H Club Meeting Ideas...

Business	Demonstrations/Talks	Social/Educational
