Jay's Thoughts

4-H Families,

The year is going by rapidly and I am doing my absolute best to keep up and continue offering enriching opportunities to our youth. Natrona County 4-H kids have been frequently attending clinics, and I have observed so much learning that I am proud of our kids and of our leaders. Jay's Thoughts this month would like to share a new perspective with you from what I have been working on. I am an appointed statewide representative for the 4-H Thrive Learning Model and this week am offering training to other educators in the state. I want to share with the Natrona County 4-H Program an A-Ha moment that I have learned.

In Positive Youth Development we seem to always place a focus on how we are engaging young people and the problems that they have or face every single day. Some have taken the focus that we need to remove the problems completely from their lives so that they are more successful. I would like to offer a Quote from Dr. Karen Pittman who is an active researcher of the Science of Learning and Development, "What is needed is a widespread conceptual shift from thinking that youth problems are the principal barrier to youth development to thinking that youth development is the most effective strategy for the prevention of youth problems." In other words, we can't fully take away every single problem, but we can give them and amazing environment to learn, grow, and be themselves. That environment and experience is what teaches them to deal with the day-to-day problems that always arise.

I have not a single doubt that Natrona County 4-H as volunteers, parents, senior youth, and staff, work to make a positive and enriching environment for our youth a reality. Please know that I offer this with my extreme thanks because I believe in what we can accomplish for our youth and that we place focus on their challenges because they are important and need the help to work through each challenge. May we always seek the tools to create a positive place for kids to learn.

Thanks,

Joshua "Jay" Bliss

Welcome Spring,

The Hydroponic System is now up and going in the main lobby in the ARLC Building. Nothing is sprouting yet but I am looking forward in seeing the vegetables and flowers grow. The next horticultural meeting is April 15. New members are always welcome.

Here at the office we are already working on the many aspects of the 2024 Central Wyoming Fair. There are a few deadlines that are important to note, April 30 is the date that all project areas need to be listed on Z Suite. I am working on an Animal and a Static Requirement Booklet, this to be used as a quick reminder for all entries.

I want to thank all of the Club Leaders who responded to my questionnaire regarding the animal and static projects. This will be part of the information that is given to new prospective members. I had almost 70% of the nineteen clubs in our county respond.

I'm excited that we will have four of our 4-H youth and Josh interviewed by Phillip Obryan from K-LOVE Radio during the second week of April. Phillip approached our organization with this opportunity. When we find out when these interviews are to be aired I will put out a Facebook post. Just in case you are not familiar with K-LOVE 89.1 FM they have 1200 stations around the United States. Their mission is to. "Create and distribute quality and compelling media that inspires and encourages people to have a meaningful relationship with Jesus Christ."

March was busy with a great turn out for both the Carnival, and with the standing room only crowd for the Thankful Thursday. Much work was completed, by many people, in a short amount of time.

A reminder that the 4-H office will be closed from April 2-5. If you have any questions or concerns you can always e-mail us and we will respond as soon as we are back in the office,
Terry Kipp

Quick News Break

"It is believed that the first official "Club Week" was proclaimed by Governor Christianson in Minnesota in 1926 when he established April 18-24 as "Club Week" to promote the work of the Boys and Girls Clubs in that state, as reported in the April-May, 1926 issue of National Boys and Girls Club News," according to the 4-H preservation. For my more information about this fact you can visit the link below.

2024 Volunteer Training Series

All trainings will be done via Zoom, and online learning classroom and run from 6:30—7:30 pm.

What's Your Job? Discussion 4-H Volunteer Roles—February 19, 2024
Each year when you sign up to be a leader you can choose a volunteer role. What is the difference between the roles? What are the different opportunities to get involved in your county program. This is a great session for current and prospective volunteers to learn more about how they can engage in the 4-H. Being a volunteer can be as simple as managing a Facebook Page to as complicated as running a committee or club. Find out more!

Beyond the County—March 19, 2024
4-H has so much to offer. With the summer approaching join this session to learn more about what is going on beyond your county borders. Find out more about Showcase Showdown, Meats and Wool Judging, and State Fair. Learn how and when your child can travel nationally and internationally with 4-H. We will also provide information on fundraising and scholarships available for these opportunities.

Helping Members Reflect - April 15, 2024
4-H is about hands on learning, but what happens when the learning is done? 4-H uses the experiential learning model asking members to do something, reflect on their learning, and then apply it to their life. In this workshop we will discuss tricks and tools to help member reflect on that they are doing, taking their 4-H experience to the next level. Join us to help youth in your county or maybe even your own family, think beyond their project learning.

Basic First Aid—May 2, 2024
Does your 4-H club or project have a first aid kit? Is it stocked with the correct items and do you know how to use them? Join us to talk more about basic first aid. This is a great training for volunteers, parents, and even older youth!

Talk to your local 4-H Educator about hosting a watch party at the Extension Office. A link to participate in the meetings above will be sent to your 4-H enrollment e-mail account one week prior to the meeting.

Hope to see you there!

BARNYARDS & BACKYARDS

RURAL LIVING IN WYOMING
www.barnyardsandbackyards.com

Good afternoon! We'd like your help! (if appropriate)

We carried out a survey of Wyoming small acreage landowners in 2015. The data from this survey has been very useful in guiding our small acreage educational activities. As this data is getting old it is time to conduct another. We'd like your help getting the word out.

We would greatly appreciate it if you could include the blurb below in your newsletters or other means of communication with your clientele. We have placed a Facebook post on our page <https://www.facebook.com/BarnyardsBackyards/> if you would like to Share it out. If you have already done so – Thank You!! We plan to leave the survey open until mid May.

We are also attaching a QR code image, general image and B&B logo in case they are of use to you in print or other communications. There is also a shorter URL for the survey in case you need it for print. It is <https://bit.ly/wysurvey2024>

If you have any questions just contact Jenny Thompson at wyo004@uwyo.edu or 307-760-0007

If you own or manage between 1 to 160 acres of land in Wyoming we want to hear from you! We are conducting a survey so that we can better provide Wyoming landowners/managers with practical, user-friendly informational resources on subjects such as gardening, growing trees, snow control, pasture management, weed control, raising livestock and a whole lot more. **First 500 people who fill out the survey** have the option to receive a **free 1-year subscription** of *Barnyards & Backyards* magazine.

Take the survey at https://uwyo.sjc1.qualtrics.com/jfe/form/SV_3w2gNToMCUt01g2

This survey is being conducted by the Small Acreage Issue Team (*Barnyards & Backyards*).

2024 QUALITY ASSURANCE

**YOUTH PLANNING TO SELL AN ANIMAL THROUGH THE CENTRAL WYOMING FAIR
 JR. LIVESTOCK SALE MUST COMPLETE A QUALITY ASSURANCE TRAINING EACH
 YEAR.**

The 4-H Quality Assurance (QA) Class teaches youth about the quality of meat and food products that come from livestock. Quality assurance for livestock producers means making a promise to the consumers from food production animals. Quality assurance is a pledge or promise to:

1. Provide a food animal product preferred by consumers, and
2. Provide a safe, wholesome food animal product. Food animals are those whose products (meat, milk, and eggs) have the potential to become part of the food chain.

The promise made is that products from livestock will be the highest possible quality and 4-H/FFA youth producers will do everything possible to make these products safe to eat and that our sale is of the highest quality.

REQUIREMENTS FOR SALE ELIGIBILITY

- ▶ All FFA (13 and younger), Junior and Intermediate 4-Her's will be required to take **one** QA clinic each year to sell an animal(s) in the Natrona County Jr. Livestock Sale at the Central Wyoming Fair.
- ▶ FFA & Senior members (ages 14- 19) will be required to take one year of QA education to sell an animal(s) in the Natrona County Livestock Sale at the Central Wyoming Fair. If the first year of a livestock project is taken as a senior, the QA clinic must be taken that same year.

Please call Rose or Ann at 307-235-9400 to reserve a room for your 4-H Club or Committee meetings. The 4-H office does not maintain the building calendar. *Please do not prop open ARLC exterior doors as it compromises building security if they are accidentally left open once the event has ended.*

COMMUNICATION

4-H has a wealth of educational opportunities and the majority of these will take place at the club level with others coming from the 4-H office and the Wyoming 4-H state office.

We will communicate with you using the following communication sources; therefore, it's your responsibility to check them on a regular basis:

- ◆ Follow us on Facebook @ Natrona County 4H
<https://www.facebook.com/NatronaCounty4H/>
- ◆ UW Natrona County Extension 4-H Website
<https://wyoextension.org/natronacounty/newsletters-2/>
- ◆ Natrona County 4-H Monthly Newsletter
Please check the links listed above for the latest edition! Because we will be unable to send mass emails, we are relying on our members to check these links for the latest editions.
Please read it carefully and take note of the items that apply to you, your family, your project area(s), and your club.
- ◆ Natrona County 4-H Emails
Please open and read the emails that the Natrona County 4-H office and its volunteers send you. In addition to the links mentioned above, this is how we will keep you updated and let you know of changes, scheduled activities, etc.
