Jay's Thoughts

Joshua Bliss
University of Wyoming 4-H Youth
Development Extension Educator

August 2024

4-H Families,

It is exciting to think that August has arrived and that youth can prepare for and take part in the state fair. This year at the state fair I am happy to be helping with the management of 4-H Foods Exhibits. We work with the judges and then set up the food exhibits for display at the Wyoming State Fair. I am also happy to assist with 4-H Swine Projects as the State Fair 4-H Swine Liaison. I look forward to connecting with many youth, leaders, and educators from across the state.

I would like to take some time to offer some encouragement to all leaders or parents interested in becoming leaders. The Wyoming 4-H program wants to support you in all that you are doing to make Wyoming 4-H the stellar youth development organization. The Wyoming 4-H Volunteer Summit is a way to learn and grow as a leader within Wyoming 4-H. The Volunteer Summit will be September 27th – 29th in Casper, Wyoming.

Reasons to Attend:

- There is always a new idea, concept, or experience to learn from. Recently, I saw an episode of the show *Lessons in Chemistry* where the wife criticizes her husband for reading the book *Great Expectations* repeatedly.

“How many times can you read *Great Expectations*?” she said.

“How many times have you made the same lasagna?” He asks.

She responds directly, “That is not a fair comparison because the Lasagna is a little different each time.”

“The book stays the same but you don’t.” he answers.

The Volunteer Summit has both new and similar offerings to what you might have learned before. You are a different person with different experiences and understandings from the last time that you took a volunteer training. It is still worth doing again.

- Place importance on being a vested leader and involved with other caring leaders.

“We don’t need a title to lead. We just need to be care. People would rather follow a leader with a heart than a leader with a title.” – Craig Groeschel.

4-H leaders are volunteer leaders because they deeply care about the youth that they serve. Connecting in a setting where that is the mutual goal is a great way to grow as a leader.

- Natrona County 4-H Leaders get a perk. The Natrona County 4-H Council will pay for ½ of the registration fee for every Natrona County 4-H Leader that goes to the Leader’s Summit.

The registration for the leader’s summit is here: <https://tinyurl.com/wyo4hvolunteersummit>. Again, the registration is only \$100 (\$50 to Natrona County Leaders) to join a fun weekend of leadership development. I look forward to seeing you there as I am the chair of the food and accommodations committee that will help with planning this event.

Terry's Nook

We made it through County Fair!! What an amazing event that happens each year! Thanks to all of our hardworking youth and volunteers, only with these people can the Static Projects and Livestock Shows and Jr. Livestock Sale be so successful. I want to specifically thank all of the Static Coordinators and assistants who worked so hard. The Judging Day ran smoothly and the Hall of Champions looked so nice displaying all of the amazing Static Projects that our youth have created in the past year. The People's Choice Award and Buckle, and the recognitions of all the animal and static buckle winners during the Friday night Rodeo was just, "icing on the cake."

State Fair will be here quickly. All Non-Perishable entries are due to the ARLC by August 9, if we don't already have them. Perishable and Horticulture entries are due to the ARLC building by 10:00 am August 12. The 4H Staff and Volunteers will be loading up all the entries on August 12 and delivering them to the Wyoming State Fair that same afternoon. If we take your entries to fair, we will also bring them back. All State Fair entries will be able to be picked up Starting the afternoon of August 19.

The Thank you notes and Record Books are all due in just two weeks, August 16. To date not even 50% of the Buyers Sheets have been requested to be emailed or picked up. Less than 25% have turned in these thank you notes. All Record Books are to be completed on Z Suites. A Clinic to help get the Record Books accomplished is on August 8, here at the ARLC Building. Please get these done now and not at the last minute.

Can't believe that I have now held this position for a full year. Thanks to everyone for the patience as I continue to learn what all this position requires. Hope you can enjoy the rest of our summer.

Wyoming 4-H Volunteer Summit Workshops Needed

Wyoming 4-H is excited to host the Volunteer Summit in Casper, September 27-29, 2024! Volunteers from across the state will gather to share ideas, learn from each other, network and have fun while meeting their annual training requirement!

The cost to participate is \$100 and does not include lodging. Local funding options may be available!

Registration is now available here - <https://tinyurl.com/wyo4hvolunteersummit>

Organizers are currently seeking workshop proposals and YOU are encouraged to consider sharing your 4-H expertise! Time slots for teaching vary from one hour up to three hours for more in-depth learning.

You may be contacted by a 4-H Educator to present, but you do not need to wait for an invitation! Here are some fast facts to consider.

I Wouldn't Know What to Teach: Whether as a 4-H Club Leader, Coach, or Project Leader, every 4-H Volunteer does things a little differently. Your unique approach may just be the inspiration or change someone else is looking to implement! Use this opportunity to share your special knowledge to support someone else!

Topics: In addition to 4-H Project how-to options, workshops could also highlight the special and unique ways you organize your 4-H Club. [Maybe you](#) lead a special opportunity for project learning or have a successful service project that could be replicated. Other suggestions include fundraising, project resources, judging teams, recruitment, Junior Leaders, Cloverbuds, Camp ideas, and other ways you engage members in 4-H.

How Should I Present This: Hands-on learning *is* our favorite way to learn! While [that's](#) not practical for *every* topic, consider ways in which other adults could comfortably learn-by-doing. Consider resources that you could share such as handouts, websites, or packets. Check with your local Extension Office, too.

Ready? To present your great idea, complete this form: [Volunteer Summit Workshop Proposal](#)
