QUINCY'S CORNER

We survived all the entries and deadlines (thank goodness) now it's just a few short weeks until the fair! It's a busy couple of weeks, perfecting your leather projects, working with your steers or packing up show boxes. Whatever you are doing to prepare for fair, make sure that one of them is constantly checking emails, checking the 4H Facebook, reading the newsletter and looking through the fair book. Knowing all the details will help make things run smoothly and make your fair experience awesome! If you have any questions please reach out to the 4H office. Let's make the 2022 Central Wyoming Fair and Rodeo a great one and good luck to all of our contestants!

Top of the Crop Kassidy Brooks – 4H Intern

During the month of June, I put on a showmanship clinic for Natrona County 4H participants... and man was it a success! The kids that showed up were serious about becoming the top of the crop! We all gathered in the arena behind the ARLC building on a beautiful Saturday morning to learn showmanship and management techniques about either sheep or cattle. There were hands on opportunities, chances to ask questions and chances to win some pretty cool door prizes/show supplies that were graciously donated by Craves, Murdoch's and Tractor Supply. It was so amazing to see the eagerness to learn of the kids that participated. I have no doubt they will be prepared going into fair this month. I wish them all the best of luck!

Note: No C.V.I. is required but some events may have their own participation requirements. Be sure to check.

March 2022

Brand Inspections:

- Anyone selling, or transporting, cattle or sheep across county or state borders (for any purpose) are required to obtain a brand inspection. Pigs and goats do not need a brand inspection only health inspections.
- If you plan on transporting or selling, livestock contact your county's brand inspector to do a physical inspection of your animal(s) and provide you with the proper brand inspection paper.
- Find an inspector near you at: <https://wlsb.state.wy.us/public-contacts>

In the State of Wyoming there are different brand inspection options depending on the purpose of the movement(s):

Form "A" - a document that is used for intrastate and/or interstate movement of livestock, also issued for a change in ownership.

Good for only one trip.

Cost: \$1.85/cattle, \$0.40/sheep + one trip charge

Form "B" —a document issued at licensed Wyoming livestock markets as a title and clearance to destination.

Cost: \$1.85/cattle, \$0.40/sheep + one trip charge

Form "L" - a document issued as a permanent, lifetime inspection to the owner of livestock used for rodeo, show, pleasure, or work. Is void upon change of ownership.

Cost: \$23.00/per animal + one trip charge

Form "H" - a document issued for intrastate movement of work, show or rodeo stock good for one-year from the date of issue.

Cost: \$16.00/per animal + one trip charge

**Each form type has a fee schedule assigned to it. Along with the form fee, brand inspectors charge a trip charge of \$11.25 for each time they do an inspection. If you are planning on transporting your animal numerous times within the year it may be financially feasible to purchase a form "A" or "H". Discuss the possibilities with your brand inspector.

Certificate of Veterinary Inspection (C.V.I.)

- All producers importing or exporting livestock **into** the State of Wyoming are required to have a C.V.I. from an accredited and licensed veterinarian.
- Animals moving **within** the state do not need a C.V.I. unless the venue they are traveling to requires it. This includes sheep, swine, goats, and cattle.

C.V.I. Requirements:

- Inspections must be completed on each animal.
- Individual identifications must be written on the certificate for each animal.
- All animals must be current on required vaccinations.
- C.V.I. needs to include the Wyoming Entry Permit Number per *Wyo. Livestock Board Rules, Chap 8*. (from the state entering).

EXHIBITORS — Youth exhibiting livestock will need to check with show guidelines to be sure and include any additional special, or required, statements on the C.V.I.

CENTRAL WYOMING JUNIOR LIVESTOCK SALE

- If your animal loses an ear tag or dies, you need to notify the 4-H Office as soon as possible.
- Underweight animals will all go home after they pass over the scale and are released by the Barn Superintendent for that species. If this is your only animal that you have for Fair, it may be used for the showmanship contest and then will be released by the Barn Superintendent for that species. Anyone wishing to use an underweight animal for Wyoming State Fair needs to notify the Barn Superintendent, 4-H Educator, or FFA Advisor.
- Judges will be asked to “sift” animals for sale quality. Ultrasound results will be considered in this process. Only animals found to meet quality standards will be allowed to sell. Notification of sifted animals will be made. A written explanation of why the animal was sifted will be given to you. All sifted animals will be excused from the Fairgrounds. The Barn Superintendent will schedule a release time with exhibitors.
- All fees, commissions, etc., will be deducted from your check(s) before you receive it.
- All animals and exhibitors not at the gate when called will go to the end of the sale order.
- All animals must be returned to their stalls after they are sold. Load out order will be posted as soon as possible after the Central Wyoming Junior Livestock Sale. Wyoming State Fair animal load-out will be Saturday evening with times to be determined by the Barn Superintendent. All sale animals will load out Sunday morning beginning at 7:00 a.m., approximate times will be posted. If your animal is not there when it is called to load, your sale is null and void.
- All youth will be allowed to sell two qualifying animals. All Overall Grand Champion and Overall Reserve Grand Champions are required to sell.

- Please do not ask what your animal's ultrasound scores are. You will receive a copy when the market show is over. All results will be posted as soon as possible after their respective show.
- Show judges will have the opportunity to view the ultrasound information after Division Champions are chosen and before Overall Market Champions are chosen.

WHAT STUDENTS ARE SAYING

"This program has helped my confidence levels so much. I've never doubted that girls could be good at coding or be in STEM fields. I've just doubted that I could be. This program gave a whole different definition to believing in myself, and it definitely taught me how. And it wasn't the program by itself that did that but the amazing instructors and community, so thank you all!"

– GWC Alumna

SUPPORT BEYOND THE SUMMER

Both programs introduce participants to inspiring role models in the tech industry and offer exclusive alumni benefits and career support for life, including our Hiring Summit, pre-internship programs, and virtual mentoring.
