SECTION 7 4-H PHOTOGRAPHS & CLIPPINGS

DIARY PAGES

You have successfully written about your 4-H experience and now it's time to show off what you have learned! Use up to four pages (maximum of two pages each for Photographs and Clippings) to display your photographs and clippings showcasing your total 4-H involvement. Include items that show you in action! Think of fun activities you have done through the year, presentations you have given, people you have helped as well as your own personal growth experiences gained throughout the year. Make sure each photo has a descriptive caption or explanation to go along with it.

NOTE: Because this is not a scrapbook please do not shingle photos, create collages, or include ribbons or certificates.
