

The Clover Connection

Platte County 4-H

Hello from Hannah

Sleigh bell's are ringing here in Platte County! Club's are hosting their holiday parties, making blankets for a cause, creating 4-H ornaments for the tree and so much more. Holiday cheer and this time of year is one for reflecting and being grateful for all that has come and all that lies ahead.

Reminders

- Register for the New 4-H year on Z Suite
- Invite your friends to join 4-H
- If you are interested in being a leader or know of anyone, please call me, and we can get that set up.

Updates

- Winter break will be December 24th - January 2nd for extension employees.

I hope you all have a Merry Christmas and a Happy New Year. I look forward to starting the 2026 year off strong and cannot wait to hear what our clubs will be doing and the opportunities our youth seize along the way.

~Hannah

Pro's for Disbudded Goats

- Reduced Risk of Injury to Humans.
- Reduced Risk of Entanglement and Death.
- Better Market Potential.
- Packer & Processing Preference.
- Goats establish a pecking order through head-butting, and horned goats can seriously injure other animals in the show ring environment.

The 4-H Educator is willing to assist with talking to breeders about disbudding practices. She has extensive knowledge about disbudding goats. She will not physically be disbudding animals but will help any way she can.
