DISBUDDING FOR FAIR 2026

Market Goat Youth Show

- *State Fair Rules*

YOUTH LIVESTOCK

• Market Goat Horn Policy Update—Youth Market Wethers & Dehorned Market Does: Must follow the existing policy—no horns, with scurs up to one inch acceptable.

Market Does: Horns will be allowed **only** in the Market Doe class. Exhibitors with a **dehorned** doe may choose to enter either the Market Goat class or the Market Doe class.

Photo pulled from WY state fair website:
<https://wystatefair.com/wp-content/uploads/2025/05/Youth-Goat-2025.pdf>

- *Platte County Fair Rules*

Will follow state fair rules starting in 2026.

For the youth market goat class, no horns will be accepted. Scurs will be accepted as long as they are less than one inch.

Photo By: Mississippi State University

Pro's for Disbudded Goats

- Reduced Risk of Injury to Humans.
- Reduced Risk of Entanglement and Death.
- Better Market Potential.
- Packer & Processing Preference.
- Goats establish a pecking order through head-butting, and horned goats can seriously injure other animals in the show ring environment.

The 4-H Educator is willing to assist with talking to breeders about disbudding practices. She has extensive knowledge about disbudding goats. She will not physically be disbudding animals but will help any way she can.
