Join us in going **whole hog** in the fight against food insecurity in Wyoming!

83,000 of our neighbors struggle with food insecurity. *Fair to Fork* is making a difference.

Sources of high-quality protein are notoriously expensive and difficult to procure for local food pantries, but we can help. Through a lottery selection, Wyoming Hunger Initiative's *Fair to Fork* program will purchase one hog not sold at junior livestock sales, from every county in Wyoming.

Visit with your local 4-H educator or FFA advisor to learn more!

Scan to complete the form indicating your interest

Join us. It's as easy as 1-2-3!

- 1** Sign up for the lottery through your local University of Wyoming Extension Office or **scan the QR code**.
- 2** If you are selected, your hog will be purchased for \$750. It will then be processed (at no cost to you) by a participating USDA or state-licensed facility, then donated to a local anti-hunger organization of your choice in your community.
- 3** Come to the Wyoming State Fair to be recognized by Governor Mark Gordon and First Lady Jennie Gordon!

DISBUDDING FOR FAIR 2026

Market Goat Youth Show

- *State Fair Rules*

YOUTH LIVESTOCK

• Market Goat Horn Policy Update—Youth Market Wethers & Dehorned Market Does: Must follow the existing policy—no horns, with scurs up to one inch acceptable.

Market Does: Horns will be allowed **only** in the Market Doe class. Exhibitors with a **dehorned** doe may choose to enter either the Market Goat class or the Market Doe class.

Photo pulled from WY state fair website:
<https://wystatefair.com/wp-content/uploads/2025/05/Youth-Goat-2025.pdf>

- *Platte County Fair Rules*

Will follow state fair rules starting in 2026.

For the youth market goat class, no horns will be accepted. Scurs will be accepted as long as they are less than one inch.

Photo By: Mississippi State University

Pro's for Disbudded Goats

- Reduced Risk of Injury to Humans.
- Reduced Risk of Entanglement and Death.
- Better Market Potential.
- Packer & Processing Preference.
- Goats establish a pecking order through head-butting, and horned goats can seriously injure other animals in the show ring environment.

The 4-H Educator is willing to assist with talking to breeders about disbudding practices. She has extensive knowledge about disbudding goats. She will not physically be disbudding animals but will help any way she can.
