WELCOME TO SUBLETTE COUNTY AG. AND NATURAL RESOURCES EXTENSION

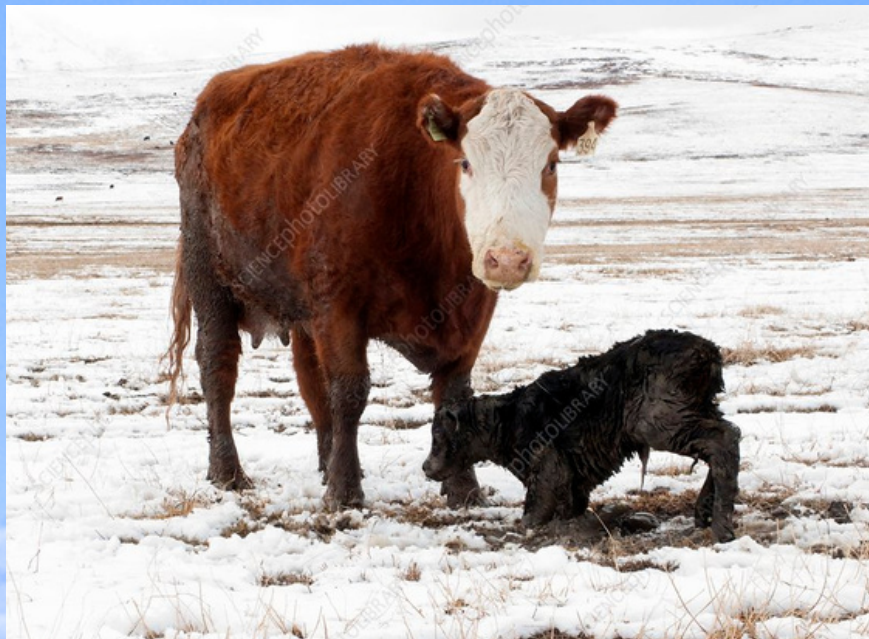

By Dagan Montgomery

Hello! This is the first newsletter from Sublette County Agriculture and Natural Resources Extension. We are excited to start spreading the word of upcoming events within Extension and Agriculture and keep you up to date with interesting and helpful resources. If you would like to sign up to receive these via email in the future, email me at dmontgo8@uwyo.edu.

CALVING DIFFICULTY: PREP AND TREATMENT

[Calving season is exciting, but comes with its own set of troubles. Click here to read some advice regarding preparation and treatment of calving difficulties in beef cattle](#)

ARTIFICIAL INSEMINATION SCHOOL IN LOVELL, APRIL 10TH-12TH

Have you considered implementing artificial insemination in you cow herd? Already doing it but feel you could use some more training? UW will be hosting another AI school in Lovel on April 10th through 12th. More info and the agenda will be posted to Facebook as soon as its available. Email dmontgo8@uwyo.edu for more info

Sublette County gets a new 4-H Educator this month!

We are very excited to announce that starting April 28th, we will have a new 4-H Educator to lead our 4-H program here in Sublette County. Tierra Arndorfer will come to us from Wisconsin. We are excited for her to begin and look forward to how she will contribute to the program!
