## WATERING PLANTS THIS WINTER

Last winter ended with many people noticing browning, brittleness, or worse in their yard and garden plants. Despite the cold, there can be a few opportunities to water from now until next Spring. Click the image to view a YouTube video from Master Gardener Coordinator Donna Hoffman, and click [here](https://bit.ly/uwe-winter-watering) to read an article about winter watering.

## RANCHING IN THE WEST COURSE FROM UW

Starting next year, UW will be offering a course on ranching opportunities and challenges in the rapidly changing west. This will be available to the public online and in person. Click the image to the right to view a video on the course, and click [here](#) to be taken to the website with more info.

## WYOMING STOCK GROWER'S ASSOCIATION WINTER ROUNDUP CONVENTION

The WSGA will be hosting the annual stock grower's convention and tradeshow in Casper from December 4th to the 6th at the Ramkota Hotel. This year's theme is "engaging in your industry". Click the image to view more on the convention and see how to register.
