FEBRUARY 2024

## Pesticide Safety Education Program Workshops Western Wyoming

<u>County</u>	<u>Date</u>	<u>Location</u>	<u>Time</u>
Sublette	3/4/24	Sublette County Extension Office	9am - noon
Sweetwater	3/4/24	Eden Valley Community Center	2pm - 5pm
Uinta	3/5/24	Uinta County Extension Office	noon - 4pm
Lincoln	3/6/24	Afton Civic Center	10am - 2pm

The WDA Pesticide program has changed this year. In order to receive a license, attendees must sign-in with proof of ID (driver's license, state ID) and pass a short exam that will be submitted to the state office.

All classes are FREE but you MUST RSVP to (307)367-4380 or [sublette@uwyo.edu](mailto:sublette@uwyo.edu)

Looking to get certified as a private applicator for restricted use pesticides? Seeking to renew your expiring certification? UW Extension will be hosting several trainings in western Wyoming in the first week of March. See the above times and please RSVP at the number above to help us with numbers. Remember, we will now need to verify your ID at check-in and you will take a short exam for the WDA. Please share with anyone!

FEBRUARY 2024

## GREEN RIVER VALLEY CATTLEMEN'S ASSOCIATION ANNUAL MEETING AND BANQUET

The Green River Valley Cattlemen's Association will be hosting its annual meeting Friday and Saturday, March 1st and 2nd, in Marbleton. Several speakers will update attendees on issues and opportunities facing the Wyoming cattle industry. A banquet will follow Saturday with entertainment and a great meal. Please call the numbers in the flyer above to reserve and purchase tickets!

**FEBRUARY 2024**

## **UW HIGH ALTITUDE BULL TEST AND SALE IN LARAMIE**

**The University of Wyoming will be hosting its second annual High Altitude bull test and sale at the Laramie Research and Extension Center on March 26th (this is a rescheduling of the initial date). This includes an educational field day at 10am and the sale at 1pm. Multiple PAP tested bulls will be available from 12 consigners. Follow UW Beef Extension for updates by clicking the bulls to the left!**

## **KEEP YOUR HOUSE PLANTS SAFE FROM THE COLD AND PEST FREE**

**If you like to have plenty of green plants to enjoy during the cold winter months, take a look at this article from Barnyards & Backyards written by Donna Hoffman for tips on identifying possible houseplant pests and how to deal with them on your favorite plants. Click the image at the right to view the article!**

Issued in furtherance of extension work, acts of May 8 and June 30, 1914, in cooperation with the U.S. Department of Agriculture. Kelly Crane, Director, University of Wyoming Extension, College of Agriculture and Natural Resources, University of Wyoming Extension, University of Wyoming, Laramie, Wyoming 82071.

The University of Wyoming is an equal opportunity/affirmative action institution.
