JULY 2024

## SUBLETE COUNTY FAIR!

The Sublette County Fair will be next week, July 24th through the 27th! Come by to check out competitor exhibits, watch 4-H and FFA kids participate in livestock shows, and enjoy free entertainment! Stock shows are going on throughout the week, and will culminate in a livestock sale at 1:30 July, 27th, where our members get to show off their animals and earn back all of the hard work they have put in throughout the year!

## "FROM THE COWBOY STATE" PODCAST

We are excited to announce the launch of UW extension's Podcast! Park County Educator Makayla Getz has started a Podcast with other educators around the state. This will feature discussions on a wide variety of ag and related topics, including funding, marketing, livestock nutrition, ag tourism and more. These will all be available on Spotify and transcriptions and a list of topics are available [here](#). Three episodes are already available with new ones coming very soon!

JULY 2024

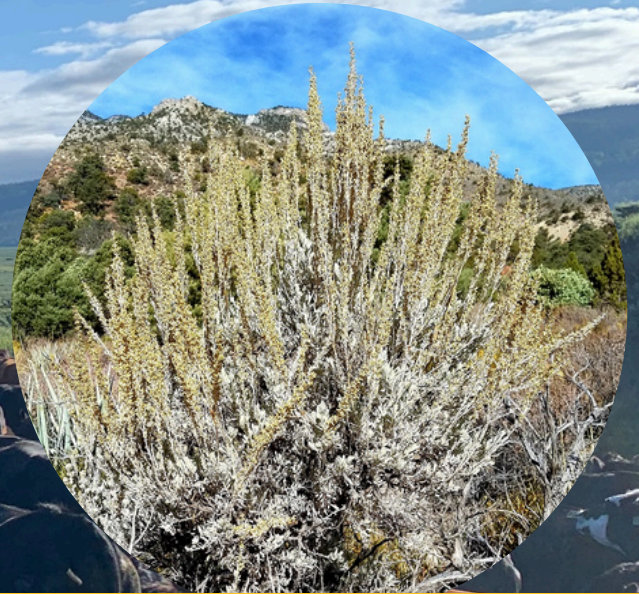

UW EXTENSION RURAL  
ENTREPRENEURSHIP  
CENTER

## RURAL ENTREPRENEURSHIP CENTER

UW extension has just launched our new Rural Entrepreneurship Center! This online tool will help rural businesses strengthen technical education and assistance around Wyoming. This will focus on ag entrepreneurship, food entrepreneurship and youth entrepreneurship. Resources include direct marketing beef, lamb and other ag products, budgeting, marketing, and more. We hope this will assist starting and struggling businesses as well as prepare yours in the best way possible. Click the image to the left to view the site and its resources and trainings!

## UW SAGEBRUSH RESEARCH

Dr. Mike Smith (retired) has spent decades studying sagebrush across the Cowboy State. Click the sage to the right to view an article describing Dr. Smith's contribution to our understanding of sagebrush treatment and regeneration

## UW DROUGHT MANAGEMENT

There is no question that it has been dry the past few months. UW Extension has several resources available to help manage drought on the range, as well as other disaster planning and management information. Click the map to view the Extension Disaster Education Network.
