Mediation Workshop

October 22-25, 2019

University of Wyoming Extension—Jackson, Wyoming

Interested in learning how to be a mediator?

Join us for a four-day workshop to learn the basics of integrated negotiation and introductory mediation skills.

Topics to be covered include:

- Understanding and managing conflict
- Principles and stages of integrative negotiation
- Strategies for difficult negotiations
- Communication theory
- Steps of the mediation process
- Use of mediation for a variety of disputes
- *And more!*

Upon completion of this 30-hour workshop, participants will be certified to mediate through the Wyoming Agriculture & Natural Resources Mediation Program and UW Center for Resolution.

Workshop is approved for 30.25 General Credits including 1.0 Ethics Credit with Wyoming Bar Association
