### **Guidelines**

*Teton County 4-H presentation contests emphasize development of verbal communication skills. Presentation delivery may include, but is not limited to, demonstrations, interactive exhibits, skits, drama, public speaking, visual aids and/or multimedia displays.*

### **Eligibility**

*Contestants can be enrolled in any 4-H project and give a presentation on any topic. Returning contestants are welcome and simply need to present a different topic each year. This is a great opportunity to practice for State Level presentations like Showcase Showdown and looks great in your record book.*

### **Contest**

*Presentations are judged on knowledge of subject matter, presentation manner and impact.*

**Time Limits: Juniors 3-10 Min. Intermediates 5-10 Min. Seniors 7-15 Min.**

*Penalties apply for going over or under time limits. Set-up time and questions asked after the presentation concludes are not included in the time limit.*

*Easels, tables, and PowerPoint screens will be available for use. Contestants are responsible for bringing any electronic presentation materials (i.e. PowerPoint) on a USB drive to be used with the provided supplies at the event.*

*Contestants may arrive early, so they have time to get set up.*
