A message from Governor Mark Gordon

Dear Visitors and Exhibitors of the 2022 Wyoming State Fair and Rodeo,

Welcome to Douglas for the 110th Wyoming State Fair and Rodeo! The State Fair is a celebration of Wyoming's past, present, and future. It is a family event that brings together generations of producers, competitors, and guests. Families have been gathering in Douglas each year for decades to see old friends, share information, and make new memories. First Lady Jennie and I look forward to the fair each year to see friends from across the state and make new acquaintances every August.

As a young man, I remember exhibiting here and watching my dad, Crow Gordon, compete. My sister and I also showed here. Our dad, I remember, encouraging our daughters in their projects and competitions here, and even now we enjoy supporting the kids of our friends as they compete here. This is a tradition.

For more than a century, the State Fair has been a gathering place where we pay tribute to Wyoming's farms and ranches and the hard-working families that keep them moving forward. Agriculture is one of Wyoming's top industries that provides a strong economic benefit to our state while maintaining our western culture and heritage. These stewards of the land also help provide habitat for wildlife and preserve the open spaces we all enjoy. Agriculture has always been the constant thread woven through the fabric of our state and the Wyoming State Fair is the place to come celebrate this vital industry. As a ranching family, Jennie and I know firsthand the value of this industry and the important role the Wyoming State Fair plays in it through youth competition, education, relationship building, and growing our young entrepreneurs.

I am committed to a strong and successful State Fair now and going forward. The development of the new Wyoming State Fair Board and the Wyoming State Fair Endowment are going to help not only sustain the fair but also strengthen and stabilize this great event for years to come. We want each fair to be better than the last. To that end, whether you are attending for the first time or you come each year, it is important that we hear from you. Please share your thoughts and suggestions on what you enjoyed or what can be done to improve your experience on the State Fair mobile app or website so this event can continue to improve. We hope you enjoy your time on our beautiful fairgrounds here in Douglas and plan to bring your family, friends, and people in your community with you when you return next year.

Jennie and I thank you for attending and we look forward to visiting with you while you're here. We thank the WSF Board and staff, volunteers, and sponsors whose hard work and contributions make the Wyoming State Fair and Rodeo an event to remember.

Dear Visitors and Exhibitors of the 2022 Wyoming State Fair,

Welcome to the 110th Wyoming State Fair! Each year, we look forward to the Fair because it's an amazing opportunity to showcase our agriculture, our entrepreneurs, and our young people in this vital industry. Since 1905, the Wyoming State Fair has been an agriculturally focused event and that is no different today. For many, the State Fair is the summer meeting place of our industry where families come to see friends, share information, and do business. Over the years, there have been additions to this focus to make it a family friendly, affordable event with entertainment options and educational opportunities for everyone. Even with these additions, the agricultural core remains the same.

Every August, young people from across the state converge on Douglas, Wyoming to participate in the Wyoming State Fair in hopes of bringing home a title from the culminating event of their year. There are a lot of great entertainment options and vendors to see at this year's fair, but the activities we are always the most excited as the Wyoming Department of Agriculture happen in the barns, show rings, and exhibit halls. The young people who come to compete at the fair each year are some of the best our state has to offer. Their hard work, dedication, and work ethic are on full display during the fair. Do yourself a favor and walk through the barns and exhibition halls to visit with these exceptional 4-H and FFA members. Learn more about their animals, their projects, and the time and effort these outstanding young people have dedicated to them. Visiting with these kids will help you walk away with a deeper understanding of the agriculture industry in Wyoming and more confidence that the future of Wyoming is bright.

Along with this, if you are interested in helping ensure the future of the Wyoming State Fair, I encourage you to contribute to the Wyoming State Fair Endowment Fund. Your donations to this important fund will help stabilize the funding stream and sustain this incredible event into the future. After more than 100 years of success at the Wyoming State Fair, the WSF Endowment was established to make sure the fair flourishes for the next 100 years. If you are interested in contributing, visit the Wyoming State Fair webpage or app for more information.

Finally, thank you to the Wyoming State Fair Board, staff, volunteers, sponsors, and others who put a lot of time and effort into planning the fair and preparing these beautiful fairgrounds. I'm confident you will all have a great time and I look forward to seeing you at the Wyoming State Fair!

Doug J. Miyamoto

Doug Miyamoto, Director

I would like to formally welcome you and your family to Douglas, Wyoming for the 110th annual Wyoming State Fair and Rodeo, August 16 through August 20, 2022.

As a former 4-H member, I have very fond memories of showing my horses at the Wyoming State Fair. I commend every 4H and FFA youth for all of their hard work over the last year. The Wyoming State Fair is one of the few fairs left where youth have to win a county competition to qualify to show at state. All of the youth deserve our sincere congratulations for making it to the top.

While you are in Douglas, I hope you will enjoy our many attractions. Come and visit the Jackalope at Jackalope Square. There is a statue of Sir Barton, the first Triple Crown winner, located in Washington Park. We also have a beautiful walk along the Platte River, which includes storyboards for the children to read and enjoy as they burn off some extra energy. We also have great fishing along the river for both trout and catfish.

We have an amazing Railroad Museum at the Chamber of Commerce complete with an engine, dining car, caboose, sleeper car, etc. and all open to the public to enjoy. There is also a really well done working train set inside of the chamber office.

We have the Wyoming Pioneer Museum located on the fairgrounds as well as the Pioneer Cemetery located on Highway 59. Both are a great way to connect with Wyoming's past. And, you won't want to miss out on the Camp Douglas Officers' Club State Historical Site on Richards Street if you are interested in learning more about Wyoming's housing of prisoners of war during WWII. There are amazing western themed murals in the club that were drawn and painted by the prisoners themselves. All of these attractions are free.

We also have a wide variety of restaurants, covering everything from traditional American cuisine, to Mexican, Japanese, and Indian food.

So come and enjoy all of what Douglas has to offer you and your family, during your stay for the Wyoming State Fair. And please come back and visit us soon!

Rene' Kemper
Mayor of Douglas

Wyoming State Fair Board Welcomes You!!!

Exhibitors will only receive proper space for each animal delivered to the Wyoming State Fair, regardless of the number of entries made for the show. A cow-calf pair is considered as one entry, but the exhibitor is given 2 stall spaces for the entry. After the animals have been stalled, they shall not be moved to any other part of the facilities except on the consent of the department superintendent and/or state fair management. **LIMIT: One (1) horse per stall in any horse barns.**

TRIM CHUTES: Space for chutes will be on designated interior wall areas, or outside of the livestock pavilion. No chutes are allowed in outside or center aisles of the cattle stalling section.

24. **FIRST BEDDING:** Will be provided for all cattle stalls. Dairy goats and breeding sheep (wool breeds) will be allowed to bed on straw, if provided by the exhibitor and removed from the stalls by the exhibitor upon departure.

25. **BEDDING:** Wood shavings for bedding may be available for purchase, at designated locations. All wood shavings are to be paid for with cash at the time of purchase. No billings will be made. Exhibitors who use their own bedding will be allowed to bring the bedding on grounds in limited amounts on a daily basis. Storage of large quantities of bedding and/or feed in the barns/buildings is prohibited. Extra bedding and/or feed must be kept in vehicles and/or trailers in the assigned parking areas. Schedules for feeding, deliveries, exercising and tie outs will be established and strictly enforced to minimize traffic congestion.

26. **CLEANUP:** All stalls, pens and exhibition places must be cleaned before 9:00 a.m. each day and refuse matter disposed of in designated areas as directed by State Fair management. For those exhibitors not disposing of animal waste and bedding in the proper designated areas or refusing to keep their area, stalls, pens and/or exhibits clean and neat, fair management reserves the right to have said stalls or pens properly cleaned with the cost to be charged against the exhibitor. Said cost will be collected from the exhibitor prior to a release being issued or may be deducted from premiums to be paid out.

27. **ENTRIES OFFERED FOR SALE:** Any entry offered or exposed for sale during the State Fair must be entered and exhibited in its respective class.

29. **POSTMORTEM EXAMINATION:** In the event an animal dies on grounds, during the Wyoming State Fair, State Fair management reserves the right to require a postmortem examination of the animal by a licensed veterinarian.

If a postmortem examination is ordered by the Wyoming State Fair or by the owner or exhibitor of the animal, the expense of the postmortem examination and any related veterinary costs are to be borne by the owner/exhibitor.

30. **ENFORCEMENT:** The failure of the Wyoming State Fair to enforce any of the provisions, rules, rights or remedies of this premium book or to exercise any options or sanctions herein provided will in no way be construed to be a waiver of such provisions, rules, rights, remedies, sanctions, or options.

31. **IAFE (INTERNATIONAL ASSOCIATION OF FAIRS AND EXPOSITIONS) NATIONAL CODE OF SHOW RING ETHICS:** Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to youth as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE National Code of Show Ring Ethics", fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels.

All youth leaders working with youth exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age or any facts relating thereto is prohibited.

2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.

3. Youth exhibitors are expected to care for and groom their animals while at fairs or livestock shows.

4. Animals shall be presented to show events where they will enter the food chain free of violative drug residues. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer, and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood or other substances from the animal to be used in testing. Animals not entered in an event which culminates in the animals entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event.

If the laboratory report on the analysis of saliva, urine, blood, or

other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise.

At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.

5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, conformation, or appearance, except the external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.

6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.

7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.

8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.

9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.

10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.

11. The act of entering of an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

The task force is charged with determining proper care is given to all species of livestock while they are on the Wyoming State Fair grounds as well as upholding high standards of animal husbandry and ethical practices of exhibiting animals (as addressed in Wyoming Statute 11-30-114).

The Animal Care Task Force shall be comprised of the Wyoming State Fair Director or their designee; the Director of the Wyoming

Department of Agriculture or their designee; the Wyoming State Veterinarian or their designee; and the Superintendent for each species specific division of the Wyoming State Fair. The division Superintendent will be a non-voting member in cases where they (as an individual) bring matters of concern or violation before the task force.

The Animal Care task force shall be convened for matters of concern raised by Wyoming State Fair Officials (Superintendents; Staff; or Judges) or individual members of the Animal Care Task Force. The Animal Care Task Force may determine the need to contact Wyoming Livestock Board Law Enforcement Division personnel regarding potential violations of statute. Wyoming Livestock Board Enforcement Division personnel may be present on the Fair Grounds at any time to identify or to investigate alleged violations of statute.

Every exhibitor, in consideration of their entry being accepted by the Wyoming State Fair, agrees to submit any animal so entered to inspection by the Animal Care Task Force. The exhibitor further agrees to have such animal submitted to any tests designated and requested by the Animal Care Task Force. The exhibitor agrees that protests to conclusions and decisions reached by the Animal Care Task Force shall be subject to the Wyoming State Fair protest process, and that further testing may be done to confirm the initial conclusion(s) and decision(s) of the Animal Care Task Force. A unanimous decision by the Animal Care Task Force is necessary for disqualification. Selection of confirmatory testing method(s) will be at the discretion and professional opinion of the Animal Care Task Force. The animal in question will not be disqualified until confirmatory tests are complete. Cost(s) of confirmatory test(s) will be borne by the exhibitor of the animal in question if the results are positive (disqualification), and borne by the Wyoming State Fair if the results are negative. Refer to Rule #9 (DISQUALIFICATION), page 21 of the Wyoming State Fair Premium Book in the JUDGES AND JUDGING section. Refer to rule #29 on page 18 for postmortem protocol.

33. STATE STATUTE, TITLE 11: AGRICULTURE, LIVESTOCK AND OTHER ANIMALS

CHAPTER 1 GENERAL PROVISIONS

11-30-114. Tampering with or drugging of livestock prohibited; definitions; penalty.

(a) No person shall tamper with or sabotage any livestock which has been registered, entered or exhibited in any exhibition in this state.

(b) No person shall administer, dispense, distribute, manufacture, sell or use any drug to or for livestock which has been registered, entered or exhibited in any exhibition in this state unless the drug is approved for such use by the United States Food and Drug Administration or the United States Department of Agriculture. However, nothing shall prevent any person from using a drug on livestock owned by him if either federal agency has approved an application submitted for investigational use in accordance with the federal Food, Drug and Cosmetic Act.

(c) Any person who violates this section shall be punished as provided by W.S. 11-1-103.

(d) As used in this section:

(i) "Drug" means as defined by W.S. 35-7-110(a)(x);

(ii) "Exhibition" means a show or sale of livestock at a fair or elsewhere in this state that is sponsored by or under the authority of the state or any political subdivision, local government, or any agricultural, horticultural or livestock society, association or corporation;

(iii) "Livestock" means any animal generally used for food or in the production of food, including, but not limited to, horses, mules and asses, cattle, sheep, goats, poultry, swine, rabbits or llamas;

(iv) "Sabotage" means to intentionally tamper with any livestock belonging to or owned by another person that has been registered, entered or exhibited in any exhibition or raised for the apparent purpose of being entered in an exhibition;

(v) "Tamper" shall not include any action taken or activity performed or administered by a licensed veterinarian or in accordance with instructions of a licensed veterinarian if the action or activity was undertaken for accepted medical purposes or any action taken as part of accepted grooming, commercial or medical practices, but shall include any of the following:

(A) Treatment of livestock in such a manner that food derived from the livestock would be considered adulterated under the Wyoming Food, Drug and Cosmetic Act, W.S. 35-7-109 et seq.;

(B) The injection, use or administration of any drug that is prohibited by any federal, state or local law or any drug that is used in a manner prohibited by any federal, state or local law;

(C) The injection or other internal administration of any product or material, whether gas, solid or liquid, to any livestock for the purposes of deception including concealing, enhancing or transforming the true conformation, configuration, color, breed, condition or age of the livestock or making the livestock appear more sound than the livestock would otherwise appear;

(D) The use or administration for cosmetic purposes of steroids, illegal growth stimulants or internal artificial filling, including paraffin, silicone injection, or any other substance;

(E) The use or application of any drug or feed additive affecting the central nervous system of the livestock;

(F) The use or administration of diuretics for cosmetic purposes;

(G) The manipulation or removal of tissue, by surgery or otherwise, so as to change, transform or enhance the true conformation or configuration of the livestock. Nothing in this subparagraph shall prohibit generally accepted management practices including but not limited to the dehorning, castration or spaying, corrective shoeing or trimming of any livestock;

(H) Subjecting the livestock to inhumane conditions or procedures for the purpose of concealing, enhancing or transforming the true conformation, configuration, condition or age of the livestock or making the livestock appear more sound than the livestock would otherwise appear;

(J) Substituting any different livestock for the livestock registered or entered in the exhibition without the permission of a responsible official of the exhibition.

34. 2022 WSF TAIL DOCK POLICY: Sheep presented for exhibit at Wyoming State Fair shall have no evidence of rectal prolapse, nor evidence of surgical tail removal. Following visual examination by the Animal Care Task Force, evidence of either of these conditions is cause for immediate disqualification without recourse. Sheep presented for exhibit at Wyoming State Fair that are visually examined by the Animal Care Task Force and determined to lack visible tail length may be evaluated by palpation for the presence of tail vertebrae. If no tail vertebrae are found it is cause for immediate disqualification without recourse. Disqualified sheep shall be released and removed from the exhibit area. Determinations and decisions of disqualification by the Animal Care Task Force are final and subject to confirmatory testing as specified in the Animal Care Statement section of the WSF Premium Book.

In years previous, increased frequency of surgical removal of sheep tails and instances of extreme tail docking of sheep led the Wyoming Board of Agriculture to take decisive action by implementing a Tail Dock Rule at the Wyoming State Fair which required the presence of three full coccygeal vertebrae on sheep exhibited at the Wyoming State Fair.

At this time, the Wyoming Board of Agriculture feels significant progress has been made by members of the show sheep industry in addressing the concerns of surgical tail removal and extreme tail docking of sheep, and therefore chose to adopt this rule.

If at any time the Wyoming Board of Agriculture determines that

members of the show sheep industry are reverting to the practice of extreme tail docking or the surgical removal of tails of sheep, the Board of Agriculture will direct the Wyoming State Fair to re-instate the rule requiring the presence of three full coccygeal vertebrae on sheep.

Wyoming State Fair and the Wyoming Department of Agriculture encourage exhibitors to practice the highest standards in animal agriculture. Therefore, all sheep shown at the Wyoming State Fair should be docked in a manner that does not compromise the animal's health and well being.

35. CRUELTY TO ANIMALS: Absolutely no cruelty to or abuse of animals will be tolerated. Immediate disqualifications of the exhibitor and exhibit may result from confirmed abuse or cruelty.

36. ETHICS: All exhibitors exhibiting animals must comply with the national show ring code of ethics (rule #31), United States Department of Agriculture Wholesome Meat Act (from USDA) and Wyoming State Fair residue avoidance program, which can be requested in writing, from Wyoming State Fair management.

JUDGES AND JUDGING

1. SELECTION OF JUDGES: Judges will be selected by the Wyoming State Fair in cooperation with recognized breed associations; judges panel and/or interested groups. In every case, judges are selected with the utmost care for the benefit of fair, quality competition.

2. FAIR RULES: Judges are earnestly requested to familiarize themselves with all the rules, regulations and procedures of the Wyoming State Fair and to especially note those policies bearing on the classes to be judged by them.

3. OBJECTION: Objection to any person serving as a judge must be submitted to Fair Management in writing prior to June 1 of the current year, giving good and sufficient reason therefore, and upon which the Fair Director shall have the full power to act.

4. DECISION OF JUDGES FINAL: The decision of the judges will be final in all cases, except cases of formal protest or where mistake, fraud, misrepresentation or collusion, not discovered at the time of award, is proven. In such cases, the show management or such referee as it may appoint may make the final decision. Such cases may be sent to the State Fair Board from whose decision there can be no appeal.

5. INTERFERENCE WITH JUDGES: If any exhibitor, in any way, whether in person or by the representative, interferes with the judge(s), or shows any disrespect to them or to show officials, fair management may excuse him/her from the ring and exclude him/her from further competition; exhibitor premiums or awards that may have been awarded may also be withheld.

6. TIME OF JUDGING: Judging Schedules, as published in this premium book are tentative and subject to change, but will be followed as closely as possible. Exhibitors should ascertain at what time the exhibits entered will be judged. Judging will not be delayed for exhibitors entering the show area late. Any exhibit not presented promptly at the scheduled time will be ruled out and excluded from competition in the class called or scheduled.

7. METHOD OF AWARDING: No exhibit will be awarded a prize unless removed from its stall or pen and exhibited, with entry number, before the judge in the show ring.

Where there are fewer entries in a class than the number of premiums offered, the judges may, at their discretion, award a prize or prizes of such grade as the exhibit merits.

8. UNWORTHY EXHIBIT: Judges shall not award a prize to an unworthy exhibit. It is the intention of fair management that no premium or distinction of any kind shall be given to any exhibit that is not deserving.

9. **ENTRY LIMITS:** No individual animal/exhibit shall compete for or receive more than one premium in a class and division or department except in Champion classes, group classes, or equine performance classes in the Youth Shows.

An individual owner may enter up to three animals in any individual class, but may not be awarded more than two premiums from the individual class.

Where there is but one exhibitor in a class, there will be only one premium awarded. Provided there are competing exhibitors (two or more) in a class, all placings and premiums may be awarded, except as noted in special department policies.

10. **DISQUALIFICATION:** If an exhibit or exhibitor is disqualified after judging and/or having won awards or premiums, there will be no automatic change in the final placings. Upon investigation, the Wyoming State Fair management may consider a change in final placings. Any and all decisions made by State Fair management will be final. No refund of entry fees or credentials will be given due to disqualification.

11. **DISPLAYS:** Exhibitors will be allowed to display, at their own risk, prize ribbons, trophies, plaques, certificates of awards, etc., in their allocated space during the entire show, subject to space availability and the approval of fair management.

12. **RIBBONS:** The Wyoming State Fair awards ribbons in the individual classes, rosettes or special ribbons to all division champions and reserve champions with rosettes or banners to the grand champion and reserve grand champions. Placings/premiums will be designated by ribbons: Blue, first; Red, second; White, third; Pink, fourth; Yellow, fifth; Dark Green, sixth; Light Green, seventh; Tan, eighth; Gray, ninth; Light Blue, tenth and over; Grand Champions/Champions, royal purple; Reserve Grand Champion/Reserve Champions, lavender.

13. **PREMIUM PAYOUT:** Premiums will be paid by the Wyoming State Fair unless otherwise stated. All premiums will be issued by check and forwarded to designated person(s) as directed, on entry forms, as soon after the close of fair as they can properly be processed. **Checks will not be mailed out earlier than 30 working days following the completion of fair.**

December 1, 2022, is the deadline for reporting any errors in a premium check or for a check not having been received by the exhibitor. **After that date, no changes will be made nor checks issued.**

All premiums whatsoever, not claimed within 90 days of receipt, shall be deemed forfeited to the Wyoming State Fair/State of Wyoming.

The Wyoming State Fair reserves the right to withhold premiums and awards awarded in every case in which it shall appear to fair management that the regulations have not been complied with, or that fraud or deception has been practiced or attempted.

In case the total premiums exceed the established premium budget, premiums will be scaled down as designated by State Fair Management.

14. **PAYMENT CONTROVERSY:** Controversies regarding payment of premiums in any department will be resolved by decision of Fair Management in consultation with appropriate department heads. Any and all decisions made will be final with no recourse.

Overpayments made in error by the State Fair will be requested to be returned, by written notice. Those overpayments not returned in a timely manner, within thirty (30) days, the exhibitor will forfeit their right to exhibit in future Wyoming State Fairs.

REMINDER: PREMIUM CHECKS NOT PRESENTED FOR PAYMENT WITHIN 90 DAYS FROM DATE OF ISSUANCE WILL BE CANCELLED FROM PAYMENT BY THE STATE TREASURER'S OFFICE AND DEEMED FORFEITED TO THE WYOMING STATE FAIR/STATE OF WYOMING.

15. **SPECIAL AWARDS:** State Fair Management does not guarantee the payment of Special Premiums offered in this premium book by donors and/or private parties. These special premiums or the awarding of Special Awards are secured by Fair Management with a promissory statement signed by the donor and are accepted by the fair management in good faith and must be contested for under these conditions. In the case where no award donor is designated, there will be no special award presented.

PROTEST

PROTESTS: All formal protests must be submitted in writing to the State Fair Director, be signed by the protestor(s) and be accompanied by a monetary fee or certified check. The written protest must plainly state the cause of the complaint or appeal and must be delivered to the State Fair Director immediately upon the occasion for the protest.

A formal protest in the Youth Livestock Show Department can only be submitted by a Youth Livestock Show exhibitor.

The following are the specific monetary fees which must be submitted with the written protest:

1. \$50.00 cash or certified check for Creative and Home Arts Department; Wyoming 4-H Department and the Wyoming FFA Department.

3. \$100.00 cash or certified check for the Youth Livestock Show. (Youth Livestock Show protests can only be made by a certified youth exhibitor {4-H or FFA} in the Wyoming State Fair Youth Livestock Show.)

The monetary fee is refunded if the protest is sustained.

A written protest pertaining to eligibility is most acceptable when submitted prior to the day of judging.

No protest, complaint, or appeal that a judge overlooked an entry will be considered.

A written protest must be submitted either prior to judging or immediately after the conclusion of class judging. Once an exhibit/animal reaches championship judging, NO protests will be accepted.

2. Each exhibitor in this department, in making application for entry, is required to pay a Processing Fee (office charge) of **\$2.00 for each article/entry.**

3. Paintings, drawings, and photography exhibited in this department must be the work of the exhibitor and must have been completed within the **last three years.** Exhibitors entering borrowed or purchased art, as their own handiwork will forfeit all rights to participate. Art that is copied from works of others must be so identified, and the name of the creator and title of the original work must be submitted with the article. Photographs must be from exhibitor's original negative **except** with digital photos, which must still be the artist's original work. NO transparencies. Handiwork such as hand coloring, dodging, burning and minor digital adjustments is acceptable. However, Digital Photos that have been manipulated or have altered the original appearance of the image must be entered in the Digital Creations category or in Photo Challenge. **FAILURE TO COMPLY WITH THIS POLICY WILL BE CONSIDERED AN ATTEMPT TO DEFRAUD AND SHALL BE SUFFICIENT REASON TO PERMANENTLY EXCLUDE THE GUILTY PARTY FROM THE USE OF THIS EXHIBITION.**

For safety purposes, **ONLY** entries with the approved proper hanging attachments will be accepted, and will be turned away until properly submitted. **NO** string or wire affixed by tape. If the hanging apparatus doesn't make it thru the week of exhibitions, it ends up not getting judged or seen! If there is glass on picture, please make sure it is extra secure and not in a pop out or front loading frame. Junior and Children's are the only work that does not need to comply with the above, but it must be able to hang from large hooks on pegboard display walls (yarn or string thru holes on cardboard or mat board backing are acceptable). All exhibits must have the Artist's name and class code on the back of the artwork. Names should not appear on the front of photographs. Any names will need to be covered prior to entry and judging.

5. **PHOTOGRAPH SIZES:** With the exception of Best Photo of the Past and Children's, Junior's and the Story Telling Series all photographs must be at least **8" x 10"**. Cropping is allowed but at least 7 1/2" x 9 1/2" **must be visible** after framing and matting.

6. All applications for entry will be made directly on entry forms included in the back of this premium book. Please type or print clearly. PRE-ENTRY IS NOT REQUIRED BUT IS HIGHLY RECOMMENDED. Mailing in forms ahead of time will insure less confusion and less time waiting in line.

ENTRY INFORMATION: When filling out the entry form, the Class Code must include the Division Number, and Class Number.

EXAMPLE: If you are entering a Watercolor in the Scenery Class, Amateur status, your class entry would be: **103-8** (103 for Amateur Division, and 8 for Watercolors, Scenery). **All exhibits must have artist's name, division, and class number on the back.**

7. Judges shall consider entries on basis of: 1) Content and appropriateness of class 2) Composition 3) Technical quality 4) Overall presentation. Choose categories carefully for appropriate judging. **ONLY one entry per class may be made.** If multiple entries have been made in the same class one will be disqualified or reclassified prior to judging. Any entries, which have been made inadvertently or erroneously, may be reclassified by experienced Home Arts staff. Proper framing/matting is encouraged for more ideal presentation in exhibit.

HOW TO HARDEN OFF YOUR FLOWER EXHIBIT

If a flower is to remain fresh throughout the exhibit period, it should be cut no later than the day before it is to be exhibited. It is generally recognized that afternoon-especially cutting in late afternoon, when the greatest amount of sugar has ascended into the leaves and blooms - as well as a "hardening off" process will help insure a winning entry.

Flower stems should be cut cleanly at an angle with a sharp knife or pruning shears and plunged into deep, hot water: 110 degrees Fahrenheit is ideal. Plunging plants up to their necks in cool water works as well. It is a good practice to carry a bucket of water to the garden and to place each cut specimen in the water at once. Lightly crush the base of woody stems on plants such as lilacs to improve the intake of water. Some flowers, such as Dahlias, Euphorbias and Poppies, need to have the cut tips seared over an open flame.

Following cutting and water treatment, specimens should be placed in a cool, darkened room. After several hours, when the water has come to room temperature, add ice to the water and leave the flower material undisturbed overnight or place flowers in a refrigerator or cooler at a temperature between 38 and 40 degrees for six or more hours before they are to be shown. Flowers prepared in this way improve their substance and will hold their freshness longer.

NOTE: For special awards in artistic arrangements, be sure to relate your materials and designs to the overall theme.

Quilts & Bedcovers

DIVISIONS 509 - 510

Quilts

DIVISION 509

1st - \$15; 2nd - \$10; 3rd - \$5

Definition – A quilt must be constructed from fabric with a top piece and a back piece with batting in between the fabrics and must be quilted and bound.

PRE-PRINTED PANELS: All entries that are a commercially pre-printed and/or pre-quilted panel should be entered in the **Bedcover Division class 510-3**. If you have pieced (consisting of more than just adding borders and binding) a pre-printed panel into a quilt top that you have then quilted, it can be entered in the appropriate class in Division 509.

All work on quilts in Division 509 must be the sole work of the person whose name the quilt is entered under, otherwise it **MUST** be entered in the **GROUP** Quilt Class.

First time quilters need to enter under Miscellaneous Quilts, First Time Quilters, Youth, class 98 or First Time Quilters, Adult, class 99. To be eligible for the First Time Quilters Award, it must be the first time exhibitor has exhibited at the Wyoming State Fair in the Needlework Department. (There is no requirement for the entry to be the first quilt that the exhibitor made).

Quilt Size: measure the length and width of your quilt, add these two numbers together. This is the figure you will use to determine which class to enter your quilt in pin an index card with the length and width written down and the class you would like to enter your quilt in.

Mixed Media is the combination of two or more techniques. (Example: Applique & pieced work, or a combination of applique, beadwork, embroidery {machine or hand}, and pieced work, etc.). All/any embellishments must be permanently secured to the entry. (We will not allow the temporary use of safety pins to attach embellishments to items so that they can be qualified to enter a mixed media class. All embellishments need to be a planned and properly executed technique pertinent to the quilts competition classification.

Professional is one who teaches quilting for fees, makes a practice of selling labor/or completed works, or has been a previous Best of Show winner twice in the non-professional class.

It is the sole responsibility of the entrant and NOT the Superintendent that all quilts are entered in their proper Professional and Non-Professional Categories.

You and the Wyoming State Fair have the responsibility to have refuse disposed of in an appropriate manner.

All animal, feed and bedding waste material from State Fair goes to a recycling site to be composted. We need your assistance in the recycling efforts. Please keep your animal, feed and bedding waste separated from your regular man made garbage. It is the responsibility of each Exhibitor to keep stalls, pens and/or exhibit areas clean and neat. In order to keep the barns in presentable order for guests, we ask the following of you:

- * have stalls cleaned and refuse material placed in the designated sites before 8:00 p.m. each evening.
- * after 9:00 a.m. all refuse is to be removed to the nearest designated refuse container

Thank you for your cooperation!

Miss Rodeo Wyoming 2022

Rachel Derner

The gold and jade crown of Miss Rodeo Wyoming returns to the gem city of Laramie atop the hat of Rachel Derner. Rachel is the 24 year old daughter of Justin and Tansie Derner, big sister to Rebecca, Teigen and Sage.

Growing up on the back of a horse built a solid foundation for Rachel's love of rodeo, agriculture and western heritage. From a very young age she has been involved in 4-H, raising and showing livestock while learning important life lessons and developing leadership skills.

Rachel transitioned into FFA and found her passion for advocating for agriculture. She worked on her speaking skills and gaining knowledge of industry issues so that she could be an educated voice for agriculture. Rachel enjoys being an advocate for the ag industry which provides food, clothing and shelter. This passion has directed Rachel into the agriculture communications field as she is pursuing a degree from the University of Wyoming.

Once finished with her degree and her time as Miss Rodeo Wyoming, Rachel is determined to find her role in supporting the agriculture industry. She would like to serve as a public relations adviser for agricultural professionals.

Rachel knows that her time as Miss Rodeo Wyoming will help prepare for this career, and that her passion and love for rodeo will be an asset in her service to all of Wyoming as your Miss Rodeo Wyoming 2020-2021. She is looking forward to a year of adventures and a life-time of memories!

ALPACA - BEEF CATTLE - GOATS - HORSES - POULTRY - RABBITS - SHEEP - SWINE - WOOL

1. **Wyoming State Fair management reserves the right to interpret all rules and arbitrarily settle all differences and questions not adequately addressed in this guide.**

2. **Rules and Regulations.** Compliance with *General Rules and Regulations* apply. It is the responsibility of each exhibitor to be familiar with all applicable rules and regulations. Read on page 15.

3. **Health and Animal Welfare.** All animals must meet *Livestock Health and Welfare Requirements*. Read on page 54.

5. **Exhibitor Eligibility.** Bona-fide Wyoming 4-H and Wyoming FFA members, in good standing, are eligible to enter and participate as a representative of their respective county 4-H program or FFA chapter. Youth must have exhibited/shown at their respective, and most recent, county fair.

Separate 4-H and FFA Animal Entries. Per the June 2021 MOU between UWE 4-H and the Wyoming FFA Association, any youth enrolled in both organizations must identify each static exhibit or animal entered for competition as being a unique outcome of their FFA SAE or their 4-H project and enter the correct classes/divisions endorsed by the applicable organization.

6. **Entry Process.** Entries are completed by the members' respective FFA Advisor or 4-H Educator. Read on page 78.

7. **Ownership.** All livestock must be owned by the individual member by the following dates:

**Market Beef - February 1; Horses/Dogs - May 1;
Market Lambs, Swine, Goats, Poultry - June 1; Meat Rabbits - 80 day rule (see page 93)**

8. **Tagging/Identification.** All market animals shown must be properly tagged, by the above dates, with current, designated Wyoming State Fair RFID ear tags, or an approved USDA 15 digit RFID ear tag. Market animals not having the proper RFID tags in place will not be eligible to show.

9. **Youth Animal Fitting Policy:** Exhibitors must be present for and actively participate in the fitting of their animals. In the interest of safety and education, an exhibitor may be assisted at the Wyoming State Fair in the fitting of their animal. Assistance is defined as a learning opportunity where the person doing the assisting is educating the youth exhibitor on the technique of ethical fitting as outlined within the premium book. Anyone found in violation of this rule may be subject to immediate disqualification or removal from the fairgrounds by State Fair Management.

Unethical Fitting at the Wyoming State Fair is defined as: the injection, use, or administration of any drug that is prohibited by Federal, State, or Local Law, or any drug that is used in a manner prohibited by Federal, State or Local Law; the injection or internal or external administration of any product or material, whether gas, solid, or liquid, to an animal that, conceals, enhances, or transforms the true conformation, configuration, breed, condition or age or by making the animal appear more sound than otherwise would appear; the administration, use or application of any drug or feed additive affecting the central nervous system; the administration of diuretics for cosmetic purposes; tissue manipulation, removal, surgical attachment or otherwise to change, conceal, enhance, or transform the true conformation or configuration of the animal; attaching to the hide foreign objects including hair/wool or hair/wool substitutes, cloth or fiber; any physical or physiological attempt to alter the natural musculature or weight by use of injections or ingested material not conducive to the continued health or marketability of beef, sheep, swine or goat carcasses.

Maintaining the integrity of the meat derived from the livestock exhibited at the Wyoming State Fair is the primary reason for the policies and procedures. Most of the market animals shown at the WSF were previously shown and sold before entry to the WSF. Exhibitors have a moral and ethical responsibility to produce meat that will be safe for the consuming public.

10. **Stalling/Pens.** All Youth show animals must be housed in the designated Youth section, unless given special written permission by the Youth Livestock Superintendent of the species in question, in cooperation and agreement with the applicable Open Show Superintendent.

11. **Bedding.** There is no bedding provided. Exhibitors must provide their own bedding. Read page 18.

12. **Livestock Trailers.** No livestock trailers can be parked on the grounds without proper permits display on the trailer. Complimentary permits are provided to each FFA Advisor and 4-H Educator based on their number of WSF registered livestock exhibitors. Read on page 104

13. **Feed Delivery Vehicles.** Complimentary permits are provided to each FFA Advisor and 4-H Educator based on their number of WSF registered livestock exhibitors. Read on page 104

14. **Blocking Chutes, Trim Tables, Fitting Stands and Fans.** All livestock fans must be suspended. No fans attached to a cart or dolly. No butt fans. No fans in pedestrian walkways. Fans or equipment, in use by exhibitors, that is deemed to be obstructing safety or space, needed pen space, or facility operations will be requested to be removed by State Fair management. Safety guidelines, as set by the Wyoming State Fire Marshal, must prevail.

15. **Judges/Judging.** All judges' decisions are final. No person shall be permitted to judge a class in which he/she may be competing for an award or have an ownership of any animal or article entered in such class. Judges are earnestly requested to familiarize themselves with the Rules & Regulations of this show. If any exhibitor interferes with the judges in the performance of their duties by letter, act, or otherwise, he/she shall be excused from competition and exhibition for such period as Management may determine and shall forfeit any awards received at this Fair. Any person, not an exhibitor, who interferes with the judges in any manner during the performance of duties, shall be asked to leave the judging arena.

Unsportsmanlike Conduct. Unsportsmanlike conduct will not be tolerated, and offending exhibitors may; forfeit awards and premiums, be dismissed immediately from the fairgrounds, and/or lose future eligibility at the Wyoming State Fair. This is considered a violation of the *National Code of Show Ring Ethics*. Read page 18.

16. **Reporting Violations.** Witnessed violations of the Youth Show Rules should be reported to an adult to then be addressed as follows:

1. To the FFA Advisor or 4-H Educator of the member whose entry is involved.
2. If the situation is not resolved, report to the state organizational leadership of the member. (State 4-H Coordinator or State FFA Advisor)
3. If the situation is not resolved, report to a member of the WSF Youth Show Committee to review.
4. If the situation might need legal attention, an appeal can be made through the WSF formal protest process only after steps 1-3 have been followed.

17. **Protests.** All formal protests from the Youth Livestock Show, must be made by a current Youth Livestock Show exhibitor and must be submitted in writing, be signed by the Youth exhibitor(s), and be accompanied by \$100 cash or certified check (Fee refunded if protest is sustained). The protest must plainly state the cause of the complaint or appeal and must be delivered to the State Fair Director immediately after the occasion for the protest. A protest pertaining to eligibility is most suitable when submitted prior to judging. No complaint or appeal that a judge overlooked an entry will be considered. Judging procedures will not be interrupted for protest investigation. Depending on the basis of the protest, interested parties may be notified and given the opportunity to submit evidence. A decision may be withheld until a complete investigation can be made.

18. **Suggestions/Comments.** Any person or group is encouraged to offer constructive comments and/or provide recommendations to improve the Wyoming State Fair Youth Livestock Show experience, to benefit all Wyoming youth show participants, at the present time and for the future. Comments may be made by visiting www.wystatefair.com

GENERAL POLICIES

No Youth Beef Cattle will be allowed to be stalled before 8 a.m. on Monday, August 15, 2022.

1. A processing fee of \$20.00 per animal entered is to be paid at the time of making entry.

2. All cattle exhibited in the Youth Beef Show must be recorded as a 4-H or FFA project and be designated to represent the member's respective county or chapter. All exhibitors are directly accountable to their Extension Agents and 4-H Leaders and/or Ag Education Instructors and FFA Advisors.

3. Any beef animal inadvertently entered in the wrong class may be assigned to the correct class. Animals that do not fit into established classes will not be allowed to show.

4. All Youth Show beef cattle will be stalled in the assigned stalls and assigned tie-outs only. All stalls, or any change in stalling, must be approved by the Youth Beef Superintendent. **No breeding cattle will be shown without birth dates supplied to the Youth Show Office.**

5. Any violation of the following policies will result in immediate disqualification of the exhibitor from the Youth Beef Show. Further forfeiture of awards, future privileges and disciplinary action may be taken.

- No use of any artificial tail head, tail fin, artificial poll, or adding any hair or hair-like substance.
- No showing of livestock of any ineligible age or showing unethically fitted livestock. Unethical fitting is deemed to consist of any method which alters the natural conformation of any part of the animal's body, or any animal having been operated on or tampered with for the purpose of concealing faults or with the intent to deceive.

6. The attempted surgical or non-surgical alteration of conformation of an animal is prohibited, except for dehorning. Cattle are to be shown in their natural conformation.

The use of false tailheads or adding hair, or other material to any part of the animal's body is prohibited.

The dying, or artificial changing of the existing color pattern and/or color is prohibited.

7. Fitting chutes/stands inside the barn must be in designated areas as determined by the Open/YouthBeef Superintendents. Trim stands/fitting chutes will only be allowed to be left standing in designated areas.

Each county and/or chapter is allowed to bring on grounds only one chute/stand per three (3) head of cattle stalled in the beef barns.

8. Unfitted is defined as no compounds used on hair, hooves, or skin. Clean, dry, combed hair is acceptable.

9. Classifying the Market Beef at the State Fair does NOT mandate similar procedures at County Fairs. Showing cattle by height is advantageous only when sufficient numbers are available to insure some uniformity. County Fairs may be best served by classifications based on weight or a combination of both hip height and weight.

10. Cattle are required to be stalled in the barn from 8:00 A.M. until 7:00 P.M. each day. **ALL TIE-OUTS MUST BE IN THE BARN BY 8:00 A.M. AND REMAIN IN THE ASSIGNED STALLS UNTIL 7:00 P.M. WASTE REMOVAL PARTNERSHIP

You and the Wyoming State Fair have the responsibility to have refuse disposed of in an appropriate manner.

All animal, feed and bedding waste material from State Fair goes to a recycling site to be composted. We need your assistance in the recycling efforts. Please keep your animal, feed and bedding waste separated from your regular man made garbage. It is the responsibility of each Exhibitor to keep stalls, pens and/or exhibit areas clean and neat. In order to keep the barns in presentable order for guests, we ask the following of you:

- * have stalls cleaned and refuse material placed in the designated sites before 8:00 p.m. each evening.
- * after 9:00 a.m. all refuse is to be removed to the nearest designated refuse container

Thank you for your cooperation!

Youth Rabbit Show

DIVISION 1611

Superintendent: **Terri King**, Cheyenne, WY

Show Secretary: **Laurie Hauska**, Carpenter, WY

Youth Show Liaison:

Emily Swinyer, Sheridan Co. 4-H

Check-in: Friday, August 19, 8:00 A.M.

SHOW: Friday, August 19, 9:00 A.M.

PLACE: Event Tent

4-H and FFA Rabbit Showmanship and Youth Rabbit Breed Show will both start at 9 am and will run together thru completion of the Rabbit Events.

POLICIES

1. A processing fee of \$3.00 per animal entered is to be paid at the time of making entry. Entries are due by 6:00 p.m., Saturday, August 13.

2. Due to the rapid development of diseases in rabbits, rabbits will be inspected at an animal health inspection site, off grounds, prior to entry on grounds. Any rabbit showing symptoms of disease shall not be allowed on grounds or shall be removed from the show area immediately. Any associated costs, will be the responsibility of the owner and all entry fees will be forfeited.

3. Rabbits do not necessarily need to be pedigreed or registered or meet ARBA standards; however, exhibitors are encouraged to breed and show high quality, individual rabbits.

4. No more than two rabbits may be shown in each class by the same exhibitor. Due to small numbers, varieties in many breeds, will be shown together. All rabbit entries must be made as described in the 2022 entry information of the State Fair packet. The entries must be submitted by the University Extension Agent or FFA Advisor with all other State Fair entries on Saturday prior to the show. No rabbit entries will be accepted the day of the show.

5. If an animal is shown in a Fur Class, it must also have been shown in its respective Breed Class. Animals disqualified for reasons other than health, may still show in the Fur Class. Fryer fur animals should be shown out of a meat pen only.

6. Instruction sheet and comment card(s) will be handed out during check-in starting at 8:00 a.m. Complete comment card per instructions and be sure to put rabbit's class number, in upper right corner of comment card.

7. Rabbit identification sometimes slows down the show. To speed up that process, exhibitors are asked to have all rabbits tattooed in the left ear. Please record tattoo number on the coop card. Valid entries from the county or chapter should include the computer entry plus a coop card. This will speed up the show.

8. Wyoming State Fair encourages Youth Show exhibitors to wear 4-H or FFA emblems. These emblems may be on any long sleeved garment. That garment cannot contain ARBA or individual rabbitry names or emblems.

9. There are four separate showmanship contests for rabbits: FFA Showmanship • Senior 4-H Showmanship • Intermediate 4-H Showmanship • Junior 4-H Showmanship There will be no premiums paid for Rabbit Showmanship classes.

10. Herdsmanship is an important component of the youth show and youth groups not meeting minimal daily herdsman ship requirements may forfeit awards/premiums from the show.

11. Current classes and varieties are the result of trends over the years. Additions and deletions are made each year based upon the trends shown by coop card numbers.

12. **ENTRY INFORMATION:** The Class Code must include the Division number and Class number. **EXAMPLE:** If you are entering a Californian Senior Buck, your class entry would be **1611-6** (1611 for Youth Rabbit Show division; and 6 for Californian Senior Buck class.

If space is available, Extension Educators, Agricultural Education (FFA) Advisors, and other designated chapter/county adult leaders may be allowed to stay in youth housing. **Children under eight years of age will not be allowed to stay in the dormitories.**

COSTS

Dormitory use fees are \$60.00 per full week (Sunday thru Sunday). No single day rates will be available. Each individual who stays in a dormitory is required to pay the \$60.00 usage fee. Dormitories will be available for occupancy on Sunday, August 14 at 3:00 p.m. and will close on Sunday, August 21 at 10:00 A.M.

It is the responsibility of the FFA or 4-H personnel to verify the arrival of the youth members named on the housing registration.

PRIVILEGES

Youth having dormitory privileges are required to abide by established policies and cooperate with fair and dormitory management for the enjoyment and benefit of all involved.

Advisors, agents and adult chaperones are responsible and accountable for the conduct of their youth delegation as well as designated chaperones at all times.

Individual or group violators of policies, deadlines or other established guides for conduct will face disciplinary and/or legal action.

For safety reasons: Each individual staying in the dormitory will be required to have proper identification, easily visible at all times, for access to the dormitories.

Adult chaperones are responsible to insure that each and all members of their delegation are in prior to the evening deadline.

Violations of the established time will cause the individual violator to automatically lose their dormitory use and other fairtime privileges for the current fair. The violator will be required to find alternative housing off of the fairgrounds or will be requested to leave the fairgrounds for the duration of the current fair or will have parents called to pick them up the following morning to be taken home for the duration of the current fair.

Possession or use of alcohol or illegal substance on grounds is absolutely forbidden. Any youth participant, exhibitor, or adult chaperone identified with such substance shall automatically lose the privilege and earned right to represent their FFA Chapter or County 4-H program at State Fair and will immediately be sent home. Legal action may be pursued for violations.

There shall be no tobacco use inside the dormitories at any time. Violators will be warned the first time, with a second violation resulting in automatic loss of dormitory use.

Individuals requiring medical assistance are required to contact the head chaperone of the dormitory or contact the administrative office of the participant youth organization; Fort Caspar for 4-H and Fort Laramie for FFA

6. **DORMS:** Each student attending the State Fair and staying in the dormitory must furnish their own bedroll and personal items. Cots and mattresses will be furnished. Information on the cost of dormitory room, meals, insurance and registration will be sent out by the State Office. All students must have medical release forms. Each student not staying on grounds will purchase daily grounds admission.

7. **DORMS:** All chapter advisors having students in attendance at the State Fair representing their local school and FFA chapter and housed in a State Fair provided dormitory **must** stay with their students and be responsible for the actions of their students at all times. Teachers will make certain, in advance, that their members are properly chaperoned, in either the Girl's Dormitory or Boy's Dormitories.

All FFA livestock exhibitors are expected to stay in the dormitory with their chapter advisor but at the discretion of the chapter advisor, an exhibitor may produce and submit an affidavit or release of liability signed by the student, parent(s) or guardian, the chapter advisor, and local school administrator to transfer the supervision of that student to another, relieving the chapter advisor of his/her responsibility to that child. This would therefore grant the student the ability to seek alternative accommodations which would be suitable to all parties involved. Failure to provide an affidavit or release, or failure to comply with this rule will result in student dismissal from State Fair participation. All youth using the dormitory facilities will be responsible for the cleaning of the dorms throughout the week. Any member leaving the dormitory between night curfew and 5:00 a.m. must have the permission of an adult advisor/chaperone to do so.

8. **CHAPERONES:** Advisors must provide a chaperone for every 10 students, or arrangements must be made for these students to be properly chaperoned at all times.

Directions will be given from Stacy Broda for online registration in dorms and youth livestock reservations. Online Registration must be completed Saturday, August 13th by 6:00 p.m.

9. Any FFA member exhibiting at the Wyoming State Fair will not consume alcoholic beverages or other illicit drugs, regardless of age. Any youth identified with liquor or drugs will be sent home and will forfeit all awards and premiums. Any further disciplinary actions will be at the discretion of the local school or county involved.

10. Any violations of rules pertaining to member conduct (disorderly conduct, fighting, insubordination, etc.) will result in action taken by the Dorm Committee and/or State FFA Advisor.

11. **Livestock Fitting Policy**-An FFA member is expected to fit their own animal at State Fair. However in the interest of safety and education, an FFA member may be assisted by another bona fide Wyoming 4-H or FFA member.

Assistance is defined as a learning situation where the person doing the assisting is teaching the FFA member a technique in fitting or showing. This person is allowed only to show the FFA member the proper skill or techniques, and the FFA member is expected to perform the majority of each technique/skill required.

Violations of this rule must be reported to the Show Superintendent before the animal enters the ring. A decision by the Show Committee will be made before the animal is allowed to enter the ring.

If an FFA member is found to be in violation of the fitting rule, they will be disqualified from competition in any FFA or Youth Show Division contest at the Wyoming State Fair, including Showmanship Contests.

12. All designated committees will be responsible to resolve any problems arising in their competition area.

Dorm Committee: Troy Gladson, Kristi Holum, Mike McConnell and Grace Godfrey.

13. **GRIEVANCES** - FFA Eligibility (exhibit or exhibitor): All grievances pertaining to the eligibility of an exhibit or exhibitor must be submitted in writing and accompanied by cash or certified check for \$50. If the grievance is allowed, the check and/or cash will be returned. The grievance must be submitted to the Event Superintendent and must be submitted with 24 hours of the infraction. The Grievance Committee will be composed of the Event Superintendent, Livestock Superintendent and a State FFA Office Representative. The decision of this group will be final.

14. All chapters are responsible for keeping their dormitory area clean and leaving it clean upon departure. Any gross infraction of this policy will result in the withholding of that chapter's premiums.

15. **Absolutely no mistreatment of animals will be tolerated and infractions may result in immediate dismissal of member from the grounds.**

16. **All FFA members must attend the FFA Exhibitor Meeting with their Advisor on Monday, August 15 at 9:00 P.M., in McKibben Cafeteria.**

17. **CREDENTIALS:** Wristbands, season meal tickets, event tickets, advisor parking and feed trailer passes **will be issued to advisor/educators only.** None will be issued directly to FFA exhibitors or their families. **NOTE: \$40 wristband fee** (\$30 for dormitory use and \$10 admission fee) for all participants regardless of dormitory or campground stay. Individuals not staying on grounds will be required to purchase daily grounds admission if other proper credentials are not purchased. One day shows/events (rabbit show, etc.) are exempt from the wristband fee, but will purchase daily admission. Admission to specific youth activities will be based upon properly applied wristbands only. No Exceptions.

18. **ENTRY INSTRUCTIONS:** The class code must include the Division number and Class number. **EXAMPLE:** If you are entering Agronomy in Noxious Weeds; your class entry would be: **1702-4** (1702 for Agronomy Division; 4 for Class 4-Noxious Weeds.)

NOTE: A Chapter may only have one chapter entry number.

FFA Agriculture Mechanics

DIVISION 1701

POLICIES

1. Entries will be judged on the basis of workmanship, evidence of sound planning, number and degree of skills involved, practicality and agricultural usefulness of the entry.
2. All entries must be student's work and result from the training program in Agriculture Mechanics.
3. The judges reserve the right to re-enter entries in classes in order to make up more judgeable groups of entries.
4. Judges shall give greater consideration to an item built entirely by the student rather than a pre-fabricated item.
5. Entries in Class 1 must be mounted on display boards that may be any size less than 2 feet by 4 feet. Display boards may represent several students' work. Points from these classes will have equal value with other similar classes in judging sweepstakes. Individual items not mounted will not be judged. Boards not meeting the specifications will be placed lower than those boards that do.
6. All entries must be removed from equipment and placed in proper class area to be judged. Example: pickup bumpers and stock racks.
7. All projects not of quality will not be judged. This will be left to the discretion of the Agriculture Mechanics Committee. The items must be removed from the display area.
8. Any entries in the Agriculture Mechanics Class that are found to have been shown in previous years will disqualify that chapter, for all premiums, for the current year, in the Agriculture Mechanics show. The Agriculture Mechanics Committee shall have the responsibility for making this decision.

GENERAL 4-H INFORMATION & 4-H POLICIES

1. All Wyoming 4-H members in good standing in their respective county programs are eligible to compete or enter exhibits in the 4-H Department's Shows, Divisions and Classes.

2. **Dormitories** - The Wyoming State Fair offers a housing opportunity to all 4-H members and designated county 4-H adult chaperones participants. No one will be permitted to stay in the 4-H section of the dormitories without appropriate credentials. Each county is assigned beds in the 4-H section of the dormitories. The head 4-H dorm chaperones will be in charge at all times.

3. **Credentials** - Wristbands, season meal tickets, season event cards, and feed trailer passes will be issued to UW Extension Educators only for their 4-H county youth participants. None will be issued to youth or their families directly. NOTE: Wristbands will be required for all 4-H youth participants.

4. **Conduct** - Every 4-H member and 4-H adult volunteer or chaperone signed an agreement outlining behavior expectations. While participating as a 4-H member or volunteer, that Code of Conduct or agreement is in effect.

5. The use of alcohol, tobacco, and illegal drugs is prohibited at all 4-H events or activities. This applies to the 4-H section of the dormitories. Any 4-H member or 4-H adult chaperone that possesses or that has consumed alcohol or illegal drugs may be sent home. This can result in the forfeit of all awards, premiums and trips. Additional disciplinary actions may be taken at the discretion of the county 4-H program under the direction of the UW County Extension Educator.

6. **Medical Emergencies and Health Forms** - In the case of a medical emergency, seek immediate attention from medical professionals either by calling 911 or via the First Aid Station on the grounds of the state fair. After immediate attention is addressed, please contact your UW County Extension Educator or the State 4-H Office (Ft. Caspar).

7. **Grievances** - Any protests must be submitted in writing and accompanied by \$50 check or cash to the State 4-H (Office Ft. Caspar). If the protest is granted, the check/cash will be refunded to the owner. The protest must be filed at least 12 hours before the completion/judging begins or within 12 hours after the end of the competition/judging. The matter will be addressed by staff from the State 4-H Office.

8. **Per the June 2021 MOU between UWE 4-H and the Wyoming FFA Association**, any youth enrolled in both organizations must identify each static exhibit or animal entered for competition as being a unique outcome of their FFA SAE or their 4-H project and enter the correct classes/divisions endorsed by the applicable organization.

All rules and expectations for WSF and other Youth and 4-H Show animal exhibitors will be applicable to the 4-H Cat Show.

GENERAL RULES AND REGULATIONS

All rules and expectations for WSF and other Youth and 4-H Show animal exhibitors will be applicable to the 4-H Dog Show.

1. 4-H members qualify to enter the State 4-H Dog Show by competing in their county 4-H dog show AND:

Showmanship - youth won showmanship at county fair or the county 4-H Educator designates the youth - Champion Junior, Intermediate or Senior.

Obedience - received a qualifying score of (170) or above.

Conformation - youth placed in the top 4 at county fair.

Agility and Rally - must compete at the same level at the State Show that they qualified for at the county level.

2. All dogs must be at least 6 months of age by May 1st to compete at the State 4-H Dog Show and 1 year of age by May 1st for agility classes.

3. All dog entries must be accompanied by an official health certificate by a veterinarian. **No animals will be allowed at the Wyoming State Fair without a valid Animal Health Certificate.**
4. **All dogs must be on leash (excluding competition) and under control at all times. State Fair rules prohibit any dog from being any place but the campground and the site of the dog show.** Dogs must not be taken near the stock barns. Once the 4-H dog show is completed, all dogs must be removed from the fairgrounds.

5. Vicious dogs will be dismissed from the ring and must be removed from the premises.

6. Females in season will be allowed in classes. However, they will go through at the end of all classes.

7. Spayed, monorchid and neutered dogs may be shown without judging discrimination.

8. The show committee reserves the right to ask anyone violating these rules to leave.

9. No class will be held up for a contestant in a different State Fair Show.

10. Entries for Rally classes and Agility classes will need a current Wyoming 4-H Jump Height card at check-in to verify correct class entries.

SECTION 1 - DOG SHOWMANSHIP

Dog Showmanship (See Division 1879 - Classes 13 through 15)

Continues on next page!

SECTION 2- OBEDIENCE

1. A 4-H member may compete in only one obedience class per dog with a total maximum of two entries (dogs). Their first dog is referred to as the "A" dog. The other is referred to as the "B" dog for class entries.
2. The first-year beginner novice class is for members who are in their first year of the dog project, not the first year with a new dog. It is designed as a training class for members who do not feel competent to start in the On Leash class. Members may compete in the first year beginner novice class only once.
3. A 4-H exhibitor with a dog shown previously in obedience classes by another 4-H member, or a dog that has a title from another organization or has three qualifying scores from the designated annual county 4-H show, must show the dog by these guidelines:
 - a. Junior and Intermediate age exhibitors may move back or down one level
 - b. Senior age exhibitors must show the dog at the highest level the dog has achieved
4. A dog receiving a qualifying score of at least 170 points at the designated annual county fair may advance the following year to the next higher class but must advance after receiving 3 qualifying scores from the designated annual county 4-H show. Once the higher level of obedience is selected for the dog, the member may not drop back to the lower level with the same dog.
5. High in trial will be calculated on the basis of the raw qualifying score plus five additional points with each increase in level of difficulty.
6. Score Sheets: The Wyoming 4-H dog score sheets were designed for the benefit of 4-H members. They are intended as guides for judges. Judges use their discretion in deciding the seriousness of errors.
7. All dogs must enter/leave the show ring and compete with a leash.
8. Bait and/or toys are not allowed in obedience competition.
9. Dogs soiling or urinating in the ring during judging will be disqualified and receive no score.
10. Males and females will be shown in the same class. Females in heat will be shown last in the class and must be kept away from the obedience ring until call time.

3. Exhibitors entering more than one dog in any class may be assisted only by another 4-H member (from the same county, if possible), if the dogs must be shown at the same time.
4. Classes 12-19 will be judged according to AKC standards, but it is not necessary that dogs be registered; they must be purebred - both animal parents of the same breed.
5. Classes 20 and 21 are for cross-bred dogs - parents of different breeds - and will be judged according to the predominant breed characteristics and/or soundness, gait, condition, and grooming.

4-H Food and Nutrition

DIVISION 1828

Ft. Caspar

- Due to the absence of interview judging at the state fair, the accompaniment of a brief explanation with your project may help the judge when assigning a ribbon placing. Points to consider may include: process, tools used, skills learned, goals achieved, additional help from others, and changes to recipe for better nutrition.
- Recipes are required with all entries. Recipes will not be returned and become the property of 4-H. Recipes must include the member's name, age, and county they are representing.
- Only enter foods that can be safely stored at room temperature. Foods determined to be unsafe at room temperature will be disqualified with the decision of the judge being final. (For example, do not enter cream pies, casseroles, or items with cream cheese frosting, etc.) Foods entered should be suitable for freezing prior to State Fair to aid in transportation to the state fair.
- Judges may or may not choose to open, taste, cut, handle, etc., any entry.
- Judges will negatively evaluate entries using commercial cake or bread mixes or those with wrappers (cupcakes, muffins, etc.).
- Exhibit on 6 inch or smaller, plastic coated or Styrofoam plate when possible.
- When smaller items are exhibited (rolls, cookies, biscuits, etc.) enter 3 items for each class.
- When single items are exhibited (cakes, loaves, etc.), enter one fourth of the item. Breads should be displayed as an end-cut, cut from top crust through bottom crust.
