

Weston County CHATTER

November 2023

Erin's Notes

Each month I sit down to write this and can't believe how fast another month has flown by! We are already a month in to the new 4-H year and I am so excited that we already have so many families enrolled for 4-H this year, including many new families. I came home from Pittsburg and the National 4-H Professional Conference with some great new ideas and some fun ways to add new things to favorite activities. If you are in your first or second year in 4-H, please make plans to join us on November 16th for a "New to 4-H" gathering to kick off the year!

In the Volunteer Corner pages I have started a list of events that I would love to have some volunteer help at - you can be an enrolled leader or you can be a parent that just wants to help at that event. I would really love to have some volunteers to teach workshops across the many project areas this winter. So many of you have skills that you can share with others, reach out so that we can schedule something fun!

New this month to the Chatter is a page dedicated to Community Service. The next few months are a great time to give a little extra to your community. If you know of a specific need, please share so that I can share with others.

November is the month of gratitude to many so I encourage you to think about the things you are grateful for. A fun way to do that is to write down and share a couple things you are thankful for each day with family or friends.

What is the benefit of being in a 4-H club ...

There are many benefits of being in a club; friendship and fellowship, opportunity for leadership development, plus strides in self-confidence, learning to work with others, communication skills, decision making, problem solving, citizenship, expanded horizons, organizational skills, respect for and from others, patience, tolerance, and real-world experience! The club leader will help you with decision making, keep you informed about project announcements and deadlines, and will be a great encouragement!

CLOVERBUDS

The 4-H Cloverbuds Program in the University of Wyoming's 4-H program is a non-formal education program designed for children ages 5-7. Participation, safety, personal development, learning and fun are the highest priorities for Cloverbuds programs. Cloverbuds is designed to introduce young people to cooperative learning and the many things they can do in 4-H. These programs are adult led, activity-focused, and are built on cooperative learning rather than competition. There are two different Cloverbud clubs that meet in Upton and Newcastle.

Open House**

First Northern Bank has asked Weston County 4-H to bake the cookies for the annual Open House. We need 20 dozen cookies. This is a great community service project. I would like to ask each Foods & Nutrition member to bring a dozen cookies to the office on November 30th. If you would like to make more, please let me know.

Behold the return of the mystical Food, Fun 4-H! As the leaves turn and the winds whisper tales of autumn's arrival, we invite you to join us on a journey of culinary delights. Delve into the mysteries of new recipes, bask in the warmth of family mealtime, and revel in the enchantment of 4-H, all at once! The magic begins anew in October, dear seeker.
