

# WESTON COUNTY 4-H CLOVERBUDS

As we continue our 4-H year, we're excited to dive into more learning, growing, and having fun together at Cloverbuds! Each activity we do will help your Cloverbud build confidence, try new things, and learn how to work with others—important skills that support their journey to becoming Beyond Ready!

## JANUARY 2026 ACTIVITIES

1. Practiced the 4-H Pledge
2. Learned all about Penguins
3. Tried some penguin foods

### AT HOME

1. Practice the 4-H pledge a few times each month
2. Ask them to share one new thing they learned or tried at our meeting

### 4-H PROJECT EXPLORATION

Each month we will explore a few of the many project areas that Wyoming 4-H has to offer. At today's meeting, we explored Nature & Ecology by having the Cloverbuds learn all about penguins and classify animals by type. These projects help Cloverbuds discover new interests, develop skills, and build curiosity about the world around them. You can find out more information about all the amazing 4-H projects that Wyoming 4-H offers at [www.uwyo.edu/4-h/](http://www.uwyo.edu/4-h/)

### LOOKING AHEAD

- Upton: February 10th at the Upton Community Center
- Newcastle: February 12th at the Newcastle Senior Center Michael's Room

### REMINDERS

- Join Remind Classes
  - Weston County 4-H: text @weston4h to 81010
  - Upton Cloverbuds: text @u4hclover to 81010
  - Newcastle Cloverbuds: text @n4hclover to 81010
- Follow Weston County 4-H Facebook Page
- Read the Weston County 4-H Chatter each month
