

Weston County CHATTER

May 2026

Erin's Notes

The days are flying by faster than I'd like, and I still find myself hoping for a good, week-long soaking rain. May always feels like a whirlwind—with the school year wrapping up and summer activities just beginning to take off—but it's also one of the most exciting times of the year.

There is so much momentum across our 4-H program right now. Shooting sports is wrapping up an incredible season, and I am so grateful for the dedicated volunteers who make that program possible year after year. Our clubs continue to stay busy with meaningful community service projects, hands-on learning, and plenty of fun along the way. It's truly rewarding to watch our youth step up, try new things, and grow their skills and confidence.

As we head into summer, there are so many opportunities ahead—from camps and contests to fair preparation and project work. This is where all the learning, effort, and experiences start to come together. I'm looking forward to all that this season will bring and can't wait to see our 4-H'ers continue to do amazing things.

Dewey Wranglers

Reporter: Ellen Lilly

The Dewey Wranglers 4-H Club meets on the second Monday of every month. In January, Titus Lilly showed the parts of a saddle and Ellen Lilly showed the face markings of a horse. At our February meeting we learned how to make Cloud Dough. The demonstration in March was about how to set a trap by Andrew Bradeen. The demonstration in April was about how to plant seeds by the Howe family. We all got to choose a kind of seed and plant it. We decided that for a community service project, we would pick up trash along the Dewey Road.

CLOVERBUDS

The 4-H Cloverbuds Program in the University of Wyoming's 4-H program is a non-formal education program designed for children ages 5-7. Participation, safety, personal development, learning and fun are the highest priorities for Cloverbuds programs. Cloverbuds is designed to introduce young people to cooperative learning and the many things they can do in 4-H. These programs are adult led, activity-focused, and are built on cooperative learning rather than competition. There are two different Cloverbud clubs that meet in Upton and Newcastle.

MARKET ANIMAL PROJECTS

Wyoming State Fair rules state that all market animals must be owned and tagged by the ownership deadlines to be eligible to compete at the Wyoming State Fair. Weston County Fair and the Weston County Junior Livestock Committee follow the Wyoming State Fair ownership and tagging deadlines:

- Market Beef - February 1st
- Market Sheep, Swine and Goat - June 1st

New in 2026, the Junior Livestock Committee will be holding MANDATORY, In-Person Tagging's for your 4-H and FFA market projects.

What is our Why?

- Validate possession, declare ownership, ensure proper tag placement, answer questions, provide an opportunity to weigh livestock, and determine the appropriate tag for your project.
- There's been recent changes made by the Wyoming Livestock Board and Wyoming State Veterinarian. If the animal has an 840 RFID tag the animal will not be retagged by the Junior Livestock Committee but must attend tagging to record and declare ownership.
- Pictures will be taken at tagging for Junior Livestock Committee requirements.

Requirements

- You MUST be enrolled in 4-H and have ACTIVE status prior to tagging date
- 4-H or FFA designation must be made at tagging
- Paperwork must be presented at tagging
 - Brand Inspection, Bill of Sale or Statement of Ownership
 - Weston County Market Animal ID form

2026 Tagging Dates:

Market Sheep, Swine and Goat Tagging – May 26th at 6:00 PM - Weston County Fairgrounds

IF ALL REQUIREMENTS ARE NOT MET BY THE OWNERSHIP/TAGGING DEADLINES THAT ANIMAL WILL NOT BE ELIGIBLE TO COMPETE AT THE WESTON COUNTY FAIR OR THE WYOMING STATE FAIR.

SWINE PROJECT

JOIN US IN GOING WHOLE HOG IN THE FIGHT AGAINST FOOD INSECURITY IN WYOMING!

Sources of high-quality protein are notoriously expensive and difficult to procure for local anti-hunger organizations. In partnership with University of Wyoming Extension 4-H and FFA, Fair to Fork works to purchase hogs not sold at junior livestock sales from every county in Wyoming, through a lottery selection. Wyoming Hunger Initiative will purchase the pig, ensure the meat is processed by a USDA or state-inspected participating facility, and then coordinate with the 4-H or FFA member to donate it to a local anti-hunger organization in the county of origin.

Think a **pig** can't
change the world?
Think again.

We know Wyoming kids have a heart for helping; we also know you're never too young to join the fight against food insecurity.

4-H PROJECT NEWS

HORSE PROJECT

Safety Certifications must be completed for each horse that you plan to show as well. Safety Certification Deadline is July 3, 2026.

The State 4-H Horse Committee recently met and is conducting a statewide needs assessment for the 4-H Horse Program. We would love for you to please fill out the assessment and help grow the 4-H Horse Program.

Our team is currently reviewing the 4-H Horse Guidebook and show guidelines with the goal of strengthening and improving these programs for everyone involved. To do that well, we need input from those who know them best.

The assessment is designed to gather honest, constructive feedback about what's working, what isn't, and where we can grow. Whether you've been involved for years or are newer to these project areas, your insight is incredibly valuable.

Through the survey, you have the opportunity to:

- Share ideas for improvement
- Identify current strengths and gaps
- Highlight barriers to youth and volunteer participation
- Help ensure our programs remain relevant, fair, and rewarding for youth

Your feedback will directly influence updates to the Horse Guidebook and inform program planning, support strategies, and future opportunities across Wyoming 4-H.

Please take a few minutes to complete the survey by May 17th:
